TOWNSHIPS ARE URGED TO THINK ABOUT ZONING; ELECT OFFICERS

G. Glenn Jacobs, East Berlin R. 1, was re-elected for his 15th term as president of the Township Supervisors and Township Auditors, Assessors and Tax Collectors Association of Adams County at the thirty-ninth annual convention Wednesday afternoon at the courthouse.

John R. Taylor, Aspers R. 1, was re-elected vice president. Re-named as secretary and treasurer, respectively, were Ervin J. Baker and Mearl Heikes, both of East Berlin R. D. President Jacobs, Secretary Baker and Treasurer Heikes were named as delegats to the state association convention. Lewis Bair and Fred Nintle were elected alternates.

H. A. "Cappy" Thomson, Upper Darby, state secretary of the Township Supervisors Association, answered questions put to him by the local supervisors. Most related to problems being brought about by the rapid population increase in the townships.

Warning On Assessments

Thomson also had a word of warning to the assessors and counties. Make the new county-wide assessment plan work or the state will take over the assessing job, he said in effect.

Reporting on progress of the new county-wide assessment program, adopted in Adams county several years ago, Thomson said 20 counties have so far made no effort to adopt the new unified county-wide assessment plan. "It looks like many of those counties have no intention of complying with the law and there is a possibility that the plan will break down completely because of failure on the part of the counties to try to make it work. If it breaks down you can be assured that the state will take over assessments. It has happened in other states and it can happen here.

"I assure you that the property owners and everyone else are in for a rude shock if the state does take over. So make your county assess-

LARGE CROWD ENJOYS MOUNT SCHOLA CONCERT

Despite a heavy rainfall Wednesday evening a capacity audience gathered in Mt. St. Mary's College Chapel, Emmitsburg, to hear the annual Christmas concert presented by Mt St. Mary's Seminary Schola Cantorum and guest artist, Mrs. Jean Lutz Thomas, Baltimore harpist. Rev. Fr. David W Shaum was the director and William Friend served as student director. The organ accompanist was William Hartgen.

The Rt. Rev. Msgr. Joseph P. O'Donnell, S.S.L., rector of the seminary, who opened the evening's program with a sermon based on the three Wise Men who, "when they saw the star . . . rejoiced with exceeding great joy.

"They set out at once on their journey to find the Great King. Even though they met discouragements, dangers and temptations along the way they didn't turn back, for they knew they were on the right road. There were much trouble, pain and injustice in those days but the Wise Men knew that God would not forsake them. They must have been surprised when they found the Christ Child and realized that their dreams were fulfilled.

"Shows Star In East"

"When our dreams fail, it doesn't mean that we didn't make a success of life. God often shows us the star in the east and then sets us out on a journey we didn't expect to go on. Success is found in the little things of life. The great end of life is to

SEEK MORE GIFTS

The Elias United Lutheran church women, Emmitsburg, held their December meeting at the parish hall Tuesday night. Leaders were: Mrs. Esta Miller and Mrs. Irwin Brown. The hostesses were: Mrs. Ernest A. Shriver and Miss Anna Gillelan. Members brought gifts to be sent to the National Lutheran Home for the Aged, Washington, D. C. It was decided to hold the Christmas gift box until after December 16 and extend the opportunity to others of the congregation to bring a gift. Others wishing to send gifts are asked to bring them to the Parish House Sunday. The gifts should be suitable for aged men and women.

4 Local Poems In Poetry Anthology

The National Poetry Association has accepted the works of four Gettysburg College students for publication in the annual Poetry Anthology. The students and their works are: Roy Miltner, junior, Maywood, N. J., "Ode to Toil"; Robert Gladney, junior, Pleasantville, N. J., "Room of the Happy Peasant"; Frederic Huffnagle, senior Philadelphia, "Metaphysics"; Deborah Smith, freshman, Chambersburg, "God's Fountain."

The Anthology is compiled from poetry written by college students on a national competitive basis. Previous works by Gladney and Miltner appeared in last year's Anthology.

ADAMS BANKERS DISCUSS 1957'S INTEREST RATE

The Adams County Bankers Association in a special meeting at the Hotel Gettysburg Wednesday evening discussed an increase in the rate of interest on savings and time deposits and learned that in the opinion of a majority of the members, the rate of interest will be 2½ per cent as of January 1.

"The 2½ per cent rate is the legal maximum that can be paid in Pennsylvania under the present law," the bankers said in an announcement after the meeting. "Definite action on the matter will be taken by the Adams County Bankers' Association within the next week."

The bankers then quoted a Federal Reserve Bank of Philadelphia bulletin which says in part: "The Department of Banking of the Commonwealth of Pennsylvania by regulation has set 2½ per cent per annum as the maximum rate of interest that may be paid by banks or trust companies on time deposit or savings deposits. Until such maximum rate is changed, the effective maximum rate of interest on savings and time deposits for national and state banks in Pennsylvania will be 2½ per cent."

Had Announced 3 Pct.

Wednesday night's meeting followed recent publication by the Gettysburg National Bank, not a member of the county association, of an advertisement in The Gettysburg Times announcing its intention to pay 3 per cent interest on savings after January 1.

C. A. Wills, Gettysburg National president, said this morning: "We have been told that some banks in Pennsylvania are already paying 3 per cent interest but whether this is true or not, bank publications have published predictions that the Pennsylvania limit on savings will be raised to 3 per cent by January 1.

"Our earnings are the only reason for our announcement of intention to increase the interest rate. We have may elderly people with savings in our bank who need the extra money for living expenses. We would rather pay interest to them than pay more money to the federal government in taxes. Our bank always has operated for the benefit of the people of Gettysburg and Adams County and this decision to raise interest payments is in conformity with that policy."

Wednesday's meeting of the county bankers was presided over by C. Robert Brothers, New Oxford, president of the association. All member banks excepting the Abbottstown State Bank and the East Berlin National were represented.

Fairfield Firemen Select Officers

Calvin Riley was re-elected president of the Fairfield Fire Company for another year at the annual organization meeting Wednesday evening at the Fairfield Fire Hall when most other company officers were re-named to their present positions.

James Donaldson Jr. was chosen as the new financial secretary and these other officers were re-elected: First vice president, Paul Myers; second vice president, Howard Reindollar; secretary, Douglas Johnson; treasurer, James Welkert; chief, Roger Myers; assistant chief, Harper Hiner, and these directors: Highland Twp., Paul Cluck; Hamiltonban Twp., Doyle Rebert, and Fairfield, Dale McCleaf.

President Riley presided at the meeting. Otherwise only routine business was transacted.

C. F. GRAFF DIES

Christian Frederick Graff, 81, who has been a patient at the Cruze Convalescent Home on Hanover St., died Wednesday afternoon at 1:10 o'clock at the Warner Hospital where he had been admitted Tuesday afternoon.

Funeral arrangements, being made by the Bender Funeral Home, are awaiting the arrival of a daughter from Illinois.

Anniversary Sale continues until January 11 Virginia M. Myers, Baltimore St.

Employes Surprise Employers

Gerald Daley presents Emory H. Snyder (center) and Luther D. Snyder, founders of the Littlestown Hardware and Foundry Company, with wrist watches on behalf of the employes of the plant in one of the surprises at the 40th anniversary banquet of the company Wednesday evening held in St. Aloysius Hall, Littlestown.

CHRISTMAS IS THEME OF CLUB MEETING HERE

"Christmas Through Legends and Harmony" was the theme of the program presented by Mrs. Victor K. Meredith Jr. before 75 members of the Woman's Club of Gettysburg Wednesday afternoon at 2 o'clock at the YWCA.

Mrs. Jacob W. Heikkinen was the piano accompanist and Mrs. Clarence Bartholomew sang several solos. The story of the poem "I Heard the Bells on Christmas Day" was read by Mrs. Meredith who said: "The verse was written by Longfellow during the Civil War." She also directed the assembly in group singing. Before the club women sang "God Rest Ye Merry, Gentlemen" Mrs. Meredith explained that carol singing began in England and Christmas cards made their appearance in the British Isles about 1840. Yuletide greeting cards first appeared in America about 1875 and were as much as $65 apiece.

Card Pantomimes

The actors in the card pantomimes were enclosed in a large white picture frame. Mrs. John A. MacPhail served as narrator. O'Rean Fiedler and Winfield Jackson portrayed carol singers. Miss Fiedler wore a long blue gown with a black fringed shawl and carried and old-fashioned muff. Her partner carried an Engish-type lantern as they sang "Christmas Day in the Morning" and "Silent Night."

Deborah MacPhail depicted a "Child with a Christmas Light" as she appeared in the frame holding a lighted candle. Santa Claus was represented by Harold L. Ecker, husband of Mrs. Ecker, club president. He wore the traditional red and white suit.

Mrs. Bartholomew sang "The Holly and the Ivy" as Mrs. Charles W. Orem, former club president, portrayed a hanging of the greens theme. Dressed in grey satin she was shown hanging a holly wreath as Mrs. Meredith told the legend of holly. "It first appeared in Rome," she said, "and later made its appearance in England. The red ber-

Vesper Service At Trinity On Sunday

Trinity Evangelical Reformed Church will present the members of the Junior Choir in a special Christmas vesper service Sunday evening at 7 o'clock. There will be instrumental and vocal numbers rendered by the choir.

The special program is as follows: Organ and piano duet, "Silent Night, Holy Night;" piano solo, "Christmas at Home," Radcliffe Schultz; solo, "Joy Bells Ring," Bonny MacPhail; clarinet solo, "O Little Town of Bethlehem," Ralph Bowersox; anthem by the choir, a 13th Century French carol, "Manger Carol;" flute solo, "Adeste Fedelis," Paula Olinger; piano solo, "Stars over Bethlehem," Jane Eiker; solo, "Slumber Little Jesus," Donald Ridinger; baritone horn solo, "Christmas Fantasy" Richard Kitzmiller; solo, "Mary's Lullaby," Jane Eiker; anthem by the choir, "Sleep, My Jesus, Sleep," old Dutch melody; piano solo, "Christmas," Betsy Hull, and a solo, "Carol of the Little King," Carolyn Kime.

The Rev. Dr. Howard Schley Fox will tell the Christmas story "Christmas Symbols."

The public is invited to this service.

KILLS 4-POINT BUCK

Ronald "Ronnie" Asper, 15-year old son of Mr. and Mrs. Wayne W. Aspers, R. 3, shot a four-point buck while hunting with his father in Tyrone township last Saturday. The deer dressed 115 pounds.

County Medical Director Says 10,000 Young People In Adams County Should Have Salk Shots

Dr. C. G. Crist, Adams County medical director, today urged that approximately 10,000 youngsters obtain polio shots by visiting the clinic held Tuesday evenings at 5 o'clock at the Warner Hosptial.

Records show there are 16,098 children in Adams County between the ages of one month and 20 years. Of that number, it is estimated that approximately 6,000 have received one or more shots of polio vaccine.

He added: "There will be no polio clinics in the schools this year and I strongly urge that every child be brought to the clinic at the Warner Hospital—every one from infancy up to 20 years of age. And I strongly urge that adults go to their family physicians and secure immunization from polio."

Want Complete Protection

The hospital clinic will be continued every Tuesday until "we have every child immunized," Dr. Crist said.

The clinic was stressed following a meeting of The Adams County Medical Society at which the physicians turned down a motion that the school clinics be resumed. The physicians expressed the belief that the clinic at the hospital can take care of the needs of the county.

Million Need Vaccine

Decision of the medical society came following reading of a letter sent all physicians by Dr. Berwyn F. Mattison, state secretary of health, recommending "that representatives of the medical society, osteopathic societies, voluntary agencies and citizens groups meet and develop a program that will meet the local needs . . . with the goal of providing full immunization against polio for all children before next summer.

In the letter sent December 3, Dr. Mattison hod observed that so far 3,083,367 doses of vaccine had been distributed through commercial channels, and 763,269 from the state Department of Health. "This vaccine has given one dose to 935,649 persons, two doses to 1,552,306 persons and three to 241,651 persons. There are about 3,695,249 eligible children and pregnant women and we have provided some protection to 2,487,955 or about 65 per cent. This year 196 cases of poliomyelitis occurred, most in persons who have not received vaccine. No paralytic case was noted where the person had received full immunization. By our own experience we have confirmed the efficiency of the vaccine.

"Over 1,000,000 have received no vaccine at all. I recommend that in addition to the methods of distribution of state purchased vaccine now beging utilized, special immunization clinics be held in each school district to provide immunization for preschool children and students."

PROPERTY TRANSFERS

The following property transfers have been recorded in the office of the register and recorder:

William W. and Kathryn A. Shields, R 4, sold to Glenn E. and Jean E. Simpson, R. 4, for $600 a property in Straban Twp.

Mary E. Gebhart, Mt. Pleasant Twp., sold to George V. Smith, Mt. Pleasant Twp., for $400 a property in Mt. Pleasant Twp.

Eisenhower Sends Nixon To Austria On Refugee Problem

AUGUSTA, Ga. (AP)—Vice President Nixon will fly to Austria next week—at President Eisenhower's request—for first-hand study of Hungarian refugee problems. On return he will recommend what further aid the United States can give.

In announcing plans for the Nixon trip last night, White House press secretary James C. Hagerty said in reply to questions that whether to admit more than 21,500 Hungarian victims of Soviet oppression to this country will await the vice president's report to Eisenhower and Congress.

The President already has authorized that number.

Together with arranging for Nixon to visit Austria, into which more than 100,000 Hungarians have fled, Eisenhower created a 15-member presidential committee.

The committee was set up on recommendation of Tracy S. Voorhees, the President's personal representative in charge of coordination of the relief program in this country. It is headed by Lewis W. Douglas, former ambassador to Great Britain, as honorary chairman. Voorhees is active chairman and the vice chairman and director is Gen. J. Lawton Collins, former Army chief of staff and now U. S. representative on the North Atlantic Alliance Military Committee and Standing Group.

Other members include representatives of Protestant, Catholic and Jewish organizations which have been dealing with the Hungarian refugee problem.

The White House statement said Nixon will leave Washington Tuesday and return Dec. 23. It added that the purpose is consultation with American, Austrian and international relief agency officials on problems "relating to relief and resettlement of Hungarian refugees."

WGET Is Sponsoring Xmas Home Decoration Contest

WGET, "The Radio Voice of Adams County," is sponsoring an outdoor Christmas home decoration contest to stimulate further interest in the Yule season and to add to the color of the festive season.

A general invitation has been issued by WGET to householders to join in this contest. The closing date to enter is December 23. All a householder needs to do to enter is to send a post card, or letter to WGET, Gettysburg, Pa., and give his or her name and address and announce his intention to enter.

A corps of competent judges will judge the entrants between Christmas and New Year's.

Cash awards will be presented. The winning entry will receive $50 in cash. The second prize will be $25, third $15 and the fourth $10.

Judging will be on originality and attractiveness.

The contest is expected to attract a large number of entrants.

2 EMPLOYERS, EMPLOYES ARE GIVEN GIFTS AT FOUNDRY DINNER

(See Photo on Page 8)

Both employer and employe were honored Wednesday evening at the annual banquet celebrating the 40th anniversary of the Littlestown Hardware and Foundry at St. Aloysius Hall, Littlestown.

A group of 32 employes who had been with the company 25 or more years were called to the stage where Luther D. Snyder, president of the company, surprised them by presenting each with a wrist watch. Henry E. Waltman responded for the group with a humorous history of the company.

Gerald E. Daley, toastmaster, presented Luther and Emory Snyder, the brothers who founded the company, with wrist watches on behalf of the employes.

Gives Christmas Checks

Earlier in the evening Christmas checks were distributed by L. Robert Snyder to each of the nearly 200 employes. Each employe was also asked to signify whether he wished a turkey or ham for Christmas. Wallets were presented to the ladies as favors.

"Littlestown is better for the Snyders having come here," the Rev. Dr. Nevin E. Smith, pastor of Emmanuel Reformed Church, Hanover, told the 380 attending the banquet.

Using faith as the theme of his talk, Dr. Smith said that the success of the foundry "all comes as a result of faith on the part of the people of the community, faith on the part of the employes and faith on the part of the employers." He closed with "For all of Littlestown and myself may God bless you abundantly."

Welcome Guests

Luther Snyder welcomed the guests and described photographs showing the growth in personnel and plant, in the anniversary banquet program which was printed by The Times and News Publishing Co. The first building, Snyder said cost $3,600.

"When we began 40 years ago, the moulders made $2 per day, $12 per week, which were considered good wages then. Employes in the machine room were paid $1.25 for ten hours," he said.

He revealed that during World War I when it was difficult to get materials, the company made hanger boxes. "The next bad time for the company came in the depression. Some say a depression is just as bad as a war, but don't believe it. The only year in our existence that we had to reduce work to three days a week was in 1942, but even with that they made enough to live.

"During World War II we made nearly one and a quarter million hand grenades. One of the hand grenades we made nearly killed one

(Continued On Page 2)

RENEW APPEAL FOR OLD TOYS FOR CHRISTMAS

Another appeal was made today for used toys — or parts of toys, to be repaired, painted and distributed to youngsters at the Paradise Protectory Christmas morning.

Ernest H. Simpson, Fourth St. welder and machinist, who for the last five years has asked for old and broken toys and with the aid of others has repaired the articles, said that toy wagons and 20-inch bicycles are "the most needed at the moment" but added that any type of toy would be welcomed.

He also urged persons who may have parts of wagons or bicycles to turn them in to him so that usable parts may be used in repairing others. He noted that two or three parts of wagons or "bikes" can sometimes be turned into one wagon or bicycle in good condition.

Need Volunteers

An extra appeal was made for persons who can mend bicycles or paint toys to volunteer their services. The work can be done either at the Simpson shop or at home.

The Gettysburg Moose Lodge today joined other local organizations and individuals who have been aiding Simpson in the work. Rob-

Two Couples Are Licensed To Marry

Marriage licenses have been issued by the clerk of courts to Miss Nancy Lee Bankerd, Hanover, daughter of Mr. and Mrs. Walter M. Bankerd, New Windsor, Md., and Donald Leroy Thoman, son of Mr. and Mrs. Aaron S. Thoman, Hanover R. 5.

Miss Kathryn Larue Strevig, Littlestown, daughter of Harry C. Strevig Jr., Littlestown, and Mrs. Evelyn Strevig, York, and Kenneth Horace Rineaman, son of Mr. and Mrs. Horace K. Rineaman, Littlestown.

Gettysburg Firemen Order New Fire Engine For $19,414 And Elect Officers On Wednesday

Will Present Xmas Party On Thursday

The first of a series of special Christmas programs at the Memorial EUB Church will be held next Thursday evening at 7 o'clock when a Christmas party for the children of the church and Sunday School will be held in the social rooms. The party is being sponsored by the Men's Sunday School Class.

Presentation of the annual Christmas program by the children will take place Sunday morning, December 23, at 10:30 a.m. The regular Sunday School period will be held at 9:30.

A Christmas Eve candlelight service will be held Monday evening, December 24, starting at 8 o'clock.

Gettysburg firemen Wednesday evening authorized the purchase of a new $19,414 Mack fire engine, decided to purchase a second-hand ambulance for $1,000 and elected new officers for the coming year.

Harold W. Culp, Hanover St., was elected president succeeding Richard M. Cole, E. Stevens St. Cole had served two years in the post, but declined nomination for a third term permitted under the rules of the fire department. Culp had been vice president for two years.

Borough Officer Raymond Menges was elected vice president. Re-elected were Donald Hammers, financial secretary; Eugene S. Sickles, recording secretary; Paul B. Fox, treasurer; Donald W. McSherry, first chief; Donald Staub, first assistant fire chief; Frank Linn, second assistant chief; Rufus Reaver, equipment foreman; Eugene "Bim" Miller, chaplain. Joseph Staub was named representative to the Southeastern Firemen's Association.

Order Mack "B-85"

The committee asked some months ago to examine all types of fire equipment available and make recommendation to the department for a new piece of apparatus to replace "Old Smokey," a 20-year-old pumper, presented its report. Chief McSherry, as chairman of the committee, said the two best pieces of equipment to serve the needs of the department were the Mack at $19,414 and an Oren, which was valuable at $19,800 if the old fire truck were traded in.

On a vote, the firemen decided to purchase the Mack "B-85." The truck has a 262 horsepower engine, weighs 28,000 pounds, is 25 feet, six inches in length, and stands eight feet high. It has a 750-gallon booster tank, a 750-gallon pumper, two booster reels, built in 30-gallon foam tank, built in 15-gallon "wet water" tank and compartments for portable pumps and other equipment.

The new truck is to be delivered to the firemen in about six moths. Both the Oren and Mack were listed as available in about 120 to 150 "working days."

Order Used Ambulance

No decision was reached on disposition of "Old Smokey." A number of the firemen expressed the opinion that if storage space can be obtained it should be retained, as the General Meade Silsby steamer has been kept as a relic of the

MRS. GEIMAN, MOTHER OF 12, EXPIRES AT 66

Mrs. Bessie V. Geiman, 66, wife of Theodore U. Geiman, 155 S. Washington St., died at the Warner Hospital Wednesday afternoon at 2:05 o'clock following an illness of two weeks. She had been admitted to the hospital last Friday.

A native of Chambersburg, she was a daughter of the late William H. and Margaret (Hugg) Henneberger. She and her husband wed October 3, 1910, and resided in Gettysburg since 1922. She was a member of the Memorial EUB Church here and of the Mothers' Class of the Sunday School of that church.

Surviving are her husband; 12 children, Mrs. Cyril Funk, Hanover; Theodore U. Geiman Jr., Carlisle; Harold R. Geiman, El Paso, Texas; Mrs. Cameron Wickline, Biglerville; Mrs. William A. Poper, Fayetttville R. 1; Lester R. Geiman, York; Mrs. Ralph Bollinger, Hanover R. D.; Mrs. Paul Lentz, Biglerville R. 1; Daniel H. Geiman, Mechanicsburg R. 1; Chester L. Geiman, San Francisco; Mrs. Charles E. Woodward, Gettysburg, and Donald E. Geiman, at home.

Also surviving are 27 grandchildren, three great-grandchildren, and these brothers and sisters, Mrs. Harry Appenzelar, Chambersburg; Mrs. Minnie Manahan, Gettysburg, and Harry Henneberger, Chambersburg.

Funeral services Saturday afternoon at 1:30 o'clock from the Memorial EUB Church, W. High St., with the Rev. Harry Fehl, her pastor, officiating. Interment in Norland Cemetery, Chambersburg. The family will receive friends Friday evening after 7 o'clock at the Bender Funeral Home, Carlisle St.

Officers Chosen By Barlow Fire Company

William G. Zentz was re-elected president of the Barlow Fire Company at its annual reorganization meeting Wednesday evening at the Barlow fire hall.

David Spangler was named vice president; John Schwartz, secretary; George Lambert was elected treasurer succeeding Emory Fox, who after serving 16 years in the post asked to be relieved.

Bernard V. Miller was re-elected fire chief; Hayward McCleaf, first assistant chief; Harry Maring, second assistant chief; Walter Schwartz, trustee for three years; John Plank, chaplain; Kenneth McCleaf, assistant chaplain.

The next meeting will be held January 9.

Enlistee May Be Home For Holidays

Sgt. Arthur Willison, local Air Force recruiter, announced today that personnel enlisting in the United States Air Force between December 19 and 31, who desire to remain at home during the Christmas holidays as an airman, will be able to do so and will be sent to basic military training, Lackland Air Force Base, San Antonio, Texas, after January 1.

Those who are interested in becoming a member of the United States Air Force may see Sgt. Willison at the local post office.

News Of Countians In Armed Forces

Frederick R. Snyder, grandson of Mrs. Pearl Harbaugh, N. Stratton St., has been promoted to seaman. He receives his mail as follows: Seaman Frederick R. Snyder, SM 477-05-91, Barracks 8, Arlington Barracks USNRS, Columbia Pike, Arlington, 8, Va.

Open every night until Christmas! The Rose-Ann Shoppe, 38 York St., Gettysburg.

YOUNG MOTHER FATALLY HURT IN CAR CRASH

Mrs. Nora Alberta Bodkins, 29, Gardners R. 2, was fatally injured Wednesday afternoon at 4:20 o'clock 256 feet south of the Cumberland County line, near Idaville, on the Carlisle-Gettysburg Rd.

State police said the death was caused when Mrs. Bodkins was hurled from a truck driven by her husband, John S. Bodkins, 29, Gardners R. 2, which collided with a concrete abutment after being struck in the rear by an auto.

Which injuries caused the death was not immediately determined pending an autopsy to be held under direction of the Cumberland County coroner today, police said.

Bendersville Man Hurt

The young mother and her husband, according to police, were traveling south in the truck and were seeking to turn into a private drive when a southbound car operated by Dean Orner, 22, Bendersville, struck the rear of the Bodkins' truck. The truck then went out of control into the abutment and Mrs. Bodkins was hurled from the vehicle into a ditch.

Removed to the Carlisle Hospital in the Carlisle ambulance, she was pronounced dead on arrival at the hospital. The death occurred enroute there.

Bodkins suffered a bruised left shoulder. Orner was admitted to the Carlisle Hospital suffering from

SEEK RELIEF FUNDS

Gettysburg College students are conducting a drive on the campus for funds for the youth of Hungary. The drive, sponsored in connection with the World University Service, is being directed by the World Relatedness Committee of the SCA. All funds will be forwarded to the World University Service.

SELECT THEME FOR CONTEST ON FRENCH ESSAYS

"A French Holiday" is the theme choosen by the Omega chapter of the Pi Delta Phi, National French Honor Society, of Saint Joseph College, Emmitsburg, for its 1957 national literary contest for high school students of French. It will be directed by Sister Margaret Flinton, D.U., associate professor of French, and under the co-chairmanship of Miss Constance Bourdeau, Ware, Mass., and Miss June Densher, Baltimore, both juniors. This year's contest is the seventh in a series of cultural contests sponsored by the Omega chapter.

Contestants must compose an essay of from 300 to 500 words in French to set forth the history of a particular French holiday, its origin, its celebration, and its characteristic importance. March 15 is the contest deadline.

Judges will be E. Truett Book, University of Texas, Austin, Texas; Naomi Garrett, West Virginia State College, Institute, W. Va.; Eldon McMullen, Wisconsin State College, Eau Claire, Wisconsin; Sister Margaret, Saint Joseph College, Emmitsburg, and Margie C. Morris, Mississippi State College for Women, Columbus, Miss.

Will Award Many Prizes

Cash prize of $25, $15 and $10, donated by the national treasury of Pi Delta Phi, will be awarded. Other awards include: a bronze medal of the Chateau de Versailles, Pierre Berel's Cote d'Asur, and Andre George's Paris, donated by Maurice Caley, cultural counsel at the French Embassy in New York; a portfolio of six paintings of Jo Van der Elat donated by the French Consulate in Washington, D. C.; Five Great Odes of Paul Claudel contributed by the French Consulate in San Francisco; a cultural history of France given by the French Government Tourist Office in New York; two French travel bags and three copies of Air Tourist Travel to the Four Corners of the World donated by Air France; and Le Nouveau Petit Larcusse Illustre donated by the French Book Guild in New York.

YOUNG MOTHER

(Continued from Page 1)

shock, chest injuries, multiple abrasions of the left arm, a fracture of the upper left arm and fracture of the left wrist.

Services Sunday

A native of Cumberland County, she was a daughter of Millard and Queen (Caymon) Beam, Gardners R. 2, and was a member of the Goodyear Lutheran Church and an employe of the Trostle Garment Factory at Mt. Holly Springs.

Surviving in addition to her parents and husband, are a daughter, Nora Ann, at home; three sisters, Mrs. Robert Group, Mrs. Dale Markel, Gardners R. 2, and Miss Donna K. Beam, all of Gardners R. 2, and her paternal grandfather, Harry R. Beam, Gardners R. 2.

Funeral services Sunday afternoon at 2 o'clock from the Joseph W. Gibson Funeral Home, Mt. Holly Springs, with the Rev. H. Earl Schlotzhauer officiating. Interment in the Goodyear Cemetery. Friends may call at the funeral home in Mt. Holly Springs Saturday evening.

Antisub Group Is Heading For States

WASHINGTON (AP) — A special eight-ship antisubmarine group which had been patrolling in the Mediterranean Sea since the start of the Suez fighting is headed home.

The sailing of the "hunter-killer" group, which had been operating with the 6th Fleet, suggests the Navy may feel that tension in the area has relaxed.

A Navy announcement today on departure noted that the group was at Rotterdam, the Netherlands, when the Suez hostilities began "and sailed for the Mediterranean immediately."

News Briefs

CONSHOHOCKEN, Pa. (AP) — A masked holdup man bound and gagged a watchman at the plant of the John Wood Co. early today and then was forced to flee with no loot.

The watchman, Rudy Klein, told police the intruder apparently was hunting a payroll. The firm, which makes gas and other types of heaters, pays by check.

PHILADELPHIA (AP) — A watchman surprised two burglars in an automobile agency in the Frankford section of the city today, shot one and captured both.

The watchman, Benjamin Williams, 49, with drawn revolver in the semi-darkness spotted two forms and shouted an order to surrender. Thinking he saw one of the strangers pull out a pistol, Williams fired, striking one man in the wrist. The second man dropped a crowbar and hatchet before calling "I surrender."

LACERATES LEG

Kenneth Krom, 9, son of Mr. and Mrs. Guy Krom, Emmitsburg, was treated at the Warner Hospital for a laceration of his right leg received Wednesday evening while using an axe.

Social Happenings

Phone Gettysburg 1248, 640 or 725 — After 7 P.M., 751-Y

Christmas carols will be sung over the church chimes by members of the Junior department of St. James Lutheran Church Friday evening at the Christmas party to be held in the Junior department rooms from 7 until 8 o'clock. A tree will be decorated and the annual Christmas party will be held.

* * *

The Gettysburg WCTU will meet with Miss Carrie Musselman, Baltimore St., Friday evening at 7 o'clock.

* * *

The Business and Professional Women's Club will hold its annual Christmas banquet this evening at 6:30 o'clock at the American Legion post home, Baltimore St. A Yuletide program will be presented and 50-cent gifts will be exchanged.

* * *

A Christmas party was held by the Golden Stars, a Ninth-grade Y-Teen group Wednesday afternoon at 4 o'clock at the YWCA. The girls sang Christmas carols. A duet was sung by Janet Johnson and Ruth Ann Knechel. Gifts were exchanged. The group gave gifts to their college advisors, Miss Patricia Buffet and Miss Marilyn Ruof. Cookies and cokes were served.

* * *

Mrs. George F. Eberhart, Mrs. Guyon E. Buehler, Mr. and Mrs. George L. Haenn, Mr. and Mrs. Clement Redding, Miss Edna Redding, Mr. and Mrs. James G. Sneeringer, Mrs. Daniel E. Callahan, Miss Mary Louise Callahan and Paul C. Callahan, all of Gettysburg, attended the Christmas Concert given by the Schola Cantorum of Mount St. Mary's Seminary, Emmitsburg, Wednesday evening in the Mount St. Mary's College chapel.

* * *

Plans were made to fill a Christmas basket for the needy by the Teenettes, Eleventh grade group, Wednesday afternoon at 4 o'clock at the YWCA. The girls will bake cookies at next Wednesday's meeting and will buy gifts and food for the basket.

Five members have signed up for the mid-winter Y-Teen Weekend Conference to be held at Lancaster in February.

* * *

Seventy-five members of the American Association of University Women attended the annual Christmas Tea Wednesday afternoon at the home of Mrs. Donald White, Windbriar Lane.

A "Shower of Books" was held for the Adams County Free Library and members who plan to make additional gifts were asked to turn them in to the library.

Mrs. Oren Wilson expressed the thanks of the library for the donations.

Mrs. S. M. Raffensperger was chairman for the tea assisted by the following members of the board: Mrs. Franklin Bigham, Mrs. H. A. Dunkelberger, Mrs. W. R. Schubart, Mrs. J. W. Bream Jr., Mrs. P. J. McGlynn, Mrs. Robert Barnes, Mrs. W. C. Darrah, Mrs. W. R. Swisher, Mrs. G. D. Wickerham, Mrs. F. N. Hewetson, Mrs. C. B. Schadel, Mrs. E. S. Longanecker, Mrs. J. K. Hereter, Mrs. R. A. Brown, Mrs. K. L. Smoke, Mrs. Robert Codori, Mrs. Robert Fortenbaugh, Mrs. O. H. Wilson, Miss Martha Sachs, Mrs. Paul Grove and Dr. Esther Bloss.

* * *

Dr. Lanker, of the German Embassy, Washington, D. C., will be the guest speaker this evening at a banquet to be given by the Delta Phi Alpha, German language society at Gettysburg College, at the Lamp Post Corner, Carlisle St. About 30 members will be in attendance.

Earlier this afternoon Dr. Lanker will tour the college campus and visit places of interest in Gettysburg.

* * *

Members of the Annie Danner Club planning to attend the annual Christmas party Tuesday evening at YWCA at 8 o'clock are asked to sign at the Y by Saturday evening.

* * *

Young people of the Junior High Sunday School classes taught by Paul Grove, Allen Stauffer and Donald Swope will go on a hay ride Saturday evening, leaving from the Presbyterian Church at 6:30 o'clock. After the hayride they will return to the church for refreshments.

* * *

Rev. Edwerth E. Korte, Gettysburg College chaplain, will serve as supply pastor Sunday morning at 9 o'clock at Grace Lutheran Church, Two Taverns. Rev. Oscar E. Feeman, pastor, will officiate at St. Luke's Church, White Hall, Sunday morning at the 10:15 o'clock services, the first time since his accident, November 10, when he fell from a ladder at his home on E. Middle St.

Church officers will be elected Sunday morning at St. Luke's Church. Councilmen who were elected at Sunday morning services last week at Grace Lutheran Church are as follows: Paul Straley, elder, and Richard Meyer, trustee, both of Gettysburg R. 5; Cyril Rummel, Gettysburg, R. 1, and Seymour Harner, Littlestown R. 2, deacons.

A Christmas program will be presented at Grace Lutheran Church Sunday evening, December 23, at 7:30 o'clock.

* * *

Mrs. Raymond F. Sheely, W. Lincoln Ave., has been named to the 1956 Christmas Seal Sale Sponsoring Committee for Pennsylvania it was announced this week by Col. Henry W. Showmaker, state Christmas Seal Sale chairman.

* * *

Dr. William K. Sundermeyer, head of the German department at Gettysburg College, will speak for the third consecutive year on Friday evening at the annual Christmas banquet of the foreign language students at the U. S. Naval Academy at Annapolis.

DEATH

Gwendolyn Fahs

Gwendolyn Fahs, one-day-old daughter of Paul and Gladys Chubb Fahs, East Berlin, died Tuesday at 12:35 a.m. at Hanover General Hospital.

Surviving, besides the parents, are: A sister, Modane Fahs, at home; paternal grandmother, Mrs. Mabel Fahs, East Berlin, and the maternal grandparents, Mr. and Mrs. Charles Chubb, Sr., Hanover R. 5.

Graveside services were conducted Wednesday at East Berlin Union Cemetery. Rev. Robert H Rezash, pastor of East Berlin Reformed charge, officiated.

FRAT IS ROBBED

The theft of six silver-plated pitchers valued at about $70 from the Phi Gamma Delta fraternity house, Gettysburg College Campus, is under local police investigation today. The theft is believed to have occurred Sunday or Monday.

DIES WEDNESDAY

Charles H. Tompkins, 73, who remodeled President Eisenhower's farm here and built two White House wings, died at Washington Wednesday.

UNDERGES OPREATION

Kenneth "Bud" Sites, Fairfield, submitted to an operation Tuesday morning in the York City Hospital for a fractured disc. His room number is 302.

SHOOTS BUCK

Kermit Wetzel, Solley, Md., shot a 120-pound, three-point buck while hunting Wednesday afternoon in Franklin Twp. He was accompanied by his father, Luther Wetzel, his brothers, Dale af John Wetzel, and Ralph Spence, all of Orrtanna.

DR. RASMUSSEN ON LUTHERAN COMMISSION TO UNITE CHURCHES

CHICAGO (AP) — Four Lutheran Church bodies today took the first steps toward uniting their 2,861,000 combined membership.

Commissioners representing the four groups formally organized a Joint Commission on Lutheran Unity. They elected permanent officers and named a six-man steering committee.

The new commission will meet regularly to thresh out problems of unity.

Dr. Lundeen Chairman

If the groups merge, the new church will be by far the largest Lutheran division in the United States.

The four participants are the United Lutheran Church in America, now the largest American Lutheran group with 2,270,000 members; the Augustana Lutheran Church with 536,000 members; the 35,000-member Finnish Evangelical Lutheran Church (Suomi Synod), and the 20,000-member American Evangelical Lutheran Church.

Dr. Malvin H. Lundeen of La Grange, Ill., a member of the Augustana Church, was named chairman of the Joint Commission on Unity. Dr. Raymond W. Wargelin of Hancock, Mich., president of the Finnish Group, was elected vice chairman.

Local Man Secretary

Other officers are Dr. Carl Rasmussen of Gettysburg, Pa., and the United Lutheran Church, secretary; and Dr. Johannes Knudsen of Maywood, Ill., and the American Evangelical Church, assistant secretary.

Named to the steering committee were Dr. Frank Clark Fry of New York, president of the United Lutheran Church; Judge James F. Henniger of Allentown, Pa., also of the United Lutheran Church; Dr. Oscar A. Benson of Minneapolis, president of the Augustana Church; Dr. C. W. Sorenson, Normal, Ill., also of the Augustana Church; Dr. Wargelin, and Dr. Alfred Jensen, Des Moines, president of the American Evangelical Church.

Tired Citizen

Julius Gregory Toth, 3, rests a tired head of his dad's shoulder and waves the flag of his new country. Julius, adopted by Air Force Sgt. and Mrs. Julius J. Toth when he was 44 hours old, was naturalized as an American citizen in the federal court at Knoxville, Tenn., Wednesday. The Toths, found the boy in Tokyo.

(AP Wirephoto)

Look To Bright Future

Robert and Eva Kovacs look to a bright future from their U. S. Air Force plane, shortly before arriving in New York, from Munich, Germany, Wednesday. Robert, 25, and Eva, 23, are Hungarian refugees from Budapest. The Kovacs are aboard one of the first planes to the U. S. in Operator Safe Haven. (AP Wirephoto)

Upper Communities

Telephone Mrs. John A. Leeti, Biglerville 8

An Adams County Youth for Christ Rally will be held at Centenary EUB Church, Biglerville, Saturday evening at 8 o'clock. Alan McGill, Hollywood recording artist for sacred records, will present a program of music and testimony.

Twenty-four favors, four centerpieces, cookies and 40 pocket combs, 40 candy canes and 25 candy bars were packaged by the members of the Junior Red Cross, Tri-Hi-Y, and pupils of Biglerville High School for the Veterans Home at New Cumberland and the Lebanon Veterans Hospital. Six bushels of apples were also donated to the Home. The Junior Red Cross will make other favors for different occasions during the year. The members of the Junior Red Cross express their appreciation to parents and friends who helped make the contributions possible.

The Youth Fellowship of the Mt. Tabor EUB Church will present the play, "Mine Eyes Have Seen," at 7:30 o'clock Sunday evening in the church basement auditorium. The cast is as follows: "Carol Coleman," young business woman, Doris Rose; "Eric Thompson," Carol's boy friend, Gerald McKinney; "Doris," a girl who works in Carol's office, Lois Rex; "Rita," another girl who works in Carol's office, Barbara Taylor; "Rachel Coleman," Carol's blind mother, Ileane Rex; "Norma Coleman," Carol's younger sister, Judy Crum; "Danny Blair," Norma's boy friend, Kenneth Fetters; Christmas carolers, Patty Taylor, Judy Taylor, Peggy Starner, Linwood Starner, Larry Carey and Owen McKinney. The prompters are Ruth Crum and Robert Shafer. In charge of stage and properties are Clair Fetters, manager, Garnet Taylor, Edward Crum and Richard Lauver; publicity, Lois Rex and Mary Carey; directors, Mrs. H. M. Lauver and Mrs. John Starner, and student director, Ruth Crum.

Owen Bucher, Cashtown, shot a three-point buck Monday while hunting near Moupt Hope.

The Biglerville WCTU will meet with the York Springs WCTU Friday evening at 7:45 o'clock at the home of Mrs. Chester Worley, York Springs. The public is invited.

A/3C Nancy Osborn and A/2C Joseph Jernigan, Stewart AFB, Newburgh, N. Y., spent several days recently with the former's parents, Mr. and Mrs. Paul F. Osborn, Aspers R. 1.

The Ladies Aid Society of Upper Gardners R. D., will hold a Christmas party and covered dish supper Saturday evening at 6 o'clock at the Aspers fire hall. Members and families are invited. Gifts will be exchanged.

Practice for the Christmas program at Christ Lutheran Church, Aspers, will be held Saturday afternoon at 1 o'clock. The program will be presented at 7:30 o'clock Sunday evening.

Miss Eileene Stump, Gardners R. 2, and Paul Reynolds Hanover R. 4, spent several days recently in Strasburg, Va., with the former's aunt, Mrs. Regina Grabill, and with other relatives in the vicinity. They also visited the Skyline Caverns at Front Royal, Va. before returning home.

Fifteen members and guests attended a meeting of the Butler Township Home Extension Group Wednesday afternoon at the home of Mrs. Charles Fidler, Gettysburg R. 3. A Christmas centerpiece was made, and Mrs. Cameron Garretson discussed the making of candles. Gifts were exchanged and refreshments served by the hostess. The next meeting will be held on January 17 at 1:30 p.m. at the home of Mrs. Cameron Garretson, Flora Dale. Miss Florence Finger, associate extension home economist of Adams County, will discuss "Color in the Home."

The Ladies Aid Society of the Mt. Tabor EUB Church will meet for their Christmas meeting this evening at 7:30 o'clock at the home of Mr. and Mrs. Harry Wolfe, Biglerville.

Final plans have been made by the committees of the Good Samaritan Sunday School Class of Trinity Lutheran Church, Arendtsville, for the food and green sale to be held Saturday morning, beginning at 9 o'clock, in the social room of the Arendtsville Bank. The greens will also be on sale Friday evening.

Recent visitors at the home of Mr. and Mrs. Benton Fidler, Aspers R. 1, were Mr. and Mrs. Ira Wagner, Lewistown.

The Fidelis Sunday School Class of Mt. Zion Lutheran Church, Goodyear, will hold a Christmas party Saturday evening at 7:30 o'clock at the church.

The Upper Adams Young Farmers Association will hold its December meeting this evening at 7:30 o'clock in the Agriculture Room of Biglerville High School. Dean Asquith, of the Arendtsvile Fruit Research Laboratory, will speak on the effects of certain sprays on fruit yields, and John Naugle, assistant county agent in Adams County, will speak on feeding and management problems in dairies. All members are urged to attend for the election of officers.

Officers were nominaated at a dinner meeting of the Biglerville Business Club in Ditzler's Restaurant Wednesday evening at 6:30 o'clock. William Lerew, club president, presided. Those named were: President, Fred Neal; vice president, Oscar C. Rice Jr.; treasurer, John Klinefelter; secretary, A. L. Leinart. Further nominations may be made at the next meeting early in January when officers will be elected.

Contributions for Christmas lighting and the Christmas parade are still being received. A financial report will be made later.

Biglerville Intermediate Girl Scout Troop 40 met Tuesday evening in the C. H. Musselman Company's lounge. Carols were sung and the girls worked on Christmas projects. Plans were completed for the Christmas party to be held Monday evening at 7:30 o'clock at the home of Mrs. Edwin Eckert, Biglerville Rd. Transportation will be furnished from the Biglerville bank at 7:15 o'clock. The girls were advised to be at the bank Tuesday evening at 6:15 o'clock to attend the Girl Scout carol sing in Gettysburg.

Patrol One will meet this evening at 7:30 o'clock at the home of Mrs. Ross Schwartz, S. Main St., to complete Christmas projects. The next meeting will be held January 8 in the Musselman lounge. Leaders present were Mrs. Eckert, Mrs. Hugh Robinson, Mrs. John Waugaman and Mrs. Dan Warrington.

The Volunteer Sunday School Class of St. Paul's Lutheran Church, Biglerville, held its Christmas meeting Tuesday evening in the social room of the church.

The program was as follows: Group song, "Little Town of Bethlehem;" vocal solo by Mrs. C. L. Yost, "O Come, All Ye Faithful;" scripture, Mrs. L. W. Kleinfelter; Christmas prayer, Mrs. H. W. Sternat; informal talk on, "Christmas Around the World," by Mrs. S. A. Ehlman, Mrs. I. H. Lupp represented China and Mrs. Ross Schwartz represented England, group song, "It Came Upon A Midnight Clear," after which Mrs. George Phillips represented Mexico and Mrs. Earl Crum, France; group song, "First Noel," followed by Mrs. A. L. Leinart as Holland and Mrs. O. A. Nary as Czechoslovakia; song, "Hark! The Herald Angels Sing," Spain was portrayed by Miss Myrtle Raffensperger and Norway by Mrs. Earl Carey. After singing, "Joy To The World," the program concluded with Christmas in Germany by Mrs. Ralph Stoner, and Mrs. Yost sang in German, "Silent Night."

A Christmas poem was read by Mrs. Vincent Hawbecker, after which the teacher, Mrs. Yost, was presented a gift. A poem written by Mrs. Ehlman, "'Tis Tree Trimming Time," was read by the writer. All aided in trimming a Christmas tree with dollar bills decoratively wrapped. The money will be given to the Hungarian Relief Fund. Games were played and refreshments served by the following committee: Mrs. S. A. Ehlman and Mrs. B. G. Walter, co-chairmen, Mrs. Vincent Hawbecker, Mrs. Earl Garretson, Mrs. Luther Lawver, Mrs. George Smith, Mrs. Wilmer Bream, Mrs. Pierce Mellott, Mrs. Hazel Hess, Mrs. Wesley Hummer, Mrs. Arthur Ebbert Jr., and Mrs. Harold Rexroth.

RENEW APPEAL

(Continued from Page 1)

ert Neary, civic affairs chairman for the Moose, urged members of that lodge to volunteer their services to help in the annual toy repairs work.

Persons who may have broken toys or parts and have no method of transportation, may call Simpson's Machine and Welding Shop, Fourth and Water Sts., Phone 1108, or may call the local Moose lodge and the toys will be collected.

It was urged that those wishing to turn over toys should do so as quickly as possible to provide time for the repair of the articles before Christmas.

IN 1ST YEAR CLUB

Jack Miller, of New Oxford, field representative for Mutual of New York, has earned membership in his company's First Year Career Club by leading all first-year underwriters in the eastern region in number of paid applications for insurance, the company announced today.

EXAMS BEGIN JAN. 21

First semester examinations at Gettysburg College will begin Jan. 21 and will last until Jan. 30 according to the examination schedule released this week by the dean's office. Morning exam periods run from 9 a.m. to noon, with afternoon sessions scheduled from 2 until 5 o'clock.

TRADING IS QUIET

NEW YORK (AP)—The stock market was irregular in quiet trading early today.

After a fairly active opening with a slightly higher tendency the pattern became mixed as turnover fell off.

Leading issues showed fluctuations of fractions to a point or so for the most part.

$3,500 Damage When Auto Crashes, Burns

Damage totaled $3,500 when a car owned by Fred K. Harman, 22, Silver Run R. 2, crashed and burned four miles west of Hanover on the Littlestown Rd.

Police said Harman fell asleep at the wheel and his car left the highway at 1 o'clock this morning. After crashing through a guard rail the car rolled down an embankment. When it came to halt Harman climbed out of the car and went in search of aid. After he left the vehicle it burst into flames, police said, and was totally demolished.

HOSPITAL REPORT

Admissions: Mrs. Herbert Brownlee, Knoxlyn Rd.; Clarence Steinour, 23 Mummasburg St.; Mrs. Paul Hockensmith, Littlestown; Mrs. John Bowman, Middleburg, Md.; Mrs. Gerald Bixler, 134 Carlisle St.; Mrs. Russell Cool, 55 E. Railroad St.; Walter N. Keffer, Mt. St. Mary's College, Ronald Miller, 214 W. Middle St.

JAILED FOR HEARING

Daniel Shorb, 30, Orrtanna R. 1, was placed in the Adams County jail Wednesday night in default of bail for a hearing this afternoon before Justice of the Peace John H. Basehore on an assault and battery charge. Hearings for Shorb, James Wagaman and Julia Fetrow, charged with contributing to the delinquency of a minor, are scheduled for this afternoon before the justice. The various charges grew from a series of incidents occurring several weeks ago.

EARLY BUCK FOR BANKER

Arthur W. Kuntz, assistant cashier at the Bendersville National Bank, shot a spike buck weighing 110 pounds Monday morning before opening the bank for business.

Kuntz, Marvin G. Kime, a teller at the Bendersville bank, and Mervin E. Showers, Bendersville, were hunting on Paxton Hill at the edge of Showers' farm when Kuntz shot the buck at 7:30 o'clock.

BIRTH ANNOUNCEMENTS

At Warner Hospital

Mr. and Mrs. Paul Hockensmith, Littlestown, daughter, today.

Mr. and Mrs. John Bowman, Middleburg, Md., son, Wednesday.

Mr. and Mrs. Gerald Bixler, 134 Carlisle St., daughter, Wednesday.

At Mechanicsburg

Mr. and Mrs. Paul E. Brandt, York Springs, son, December 6.

Mr. and Mrs. Wayne Kuykendall Milton, Pa., announce the birth of their third daughter, Jane Ann, December 6, at the Milton Hospital. Wayne is a son of Mr. and Mrs. Joseph Kuykendall, Dover, former residents of Gettysburg, and a nephew of Seymour Kuykendall, R. 3.

2 EMPLOYERS

(Continued from Page 1)

of the men in the service who had worked for us, Paul Althoff." He then told of an incident in Louisiana during the war when the man beside Althoff failed to throw his hand grenade far enough and the shell hit Althoff on the helmet.

"We also made over 2,000,000 rifle grenades during that war."

Cites Early Beginning

Mr. Snyder concluded his talk by recognizing the men who helped them get started in business in 1916.

A. B. Ealy gave the story of how the Snyder brothers came to Littlestown in 1916 from Wrightsville where they had operated a garage and sold Maxwells. He spoke of the meeting which was held on the second floor of the fire hall where the leaders of the community "came to hear of the plans of two young men in their early 20's."

Employes who were honored as having been with the company 25 years or more were: Harry W. Badders, Glenn A. Breighner, S. James Crabbs, Ervin L. Ecker, Donald W. Feeser, J. Everett Feeser, Luther H. Hankey, Norman B. Harmon, Dewey M. Henry, Paul E. Hilterbrick, Augustus I. Hoff, Charles W. Kump, Roger W. Kress, Edward G. Loeffel, Harry B. Long, Roger J. Long, Nicholas J. Redding, Walter D. Shryock, Ernest R. Sentz, Emory H. Snyder, Luther D. Snyder, Noah C. Snyder, Benjamin F. Spangler, Joseph Spiridonof, Kenneth A. Stair, Harvey E. Tressler, Charles C. Trostle, Henry E. Waltman, Philip D. Weaver, Elmer G. Wherley, William A. Wherley and Richard K. Yingling. These men represent a total of 1,029 years service with the company, an average of over 32 years per man.

Introduces Guests

Guests introduced were: Mr. and Mrs. Donald Hoffman, Hoffman Pattern Works, Hanover; Mr. and Mrs. Robert Miller and Mr. and Mrs. Charles Raubenstein, Littlestown Pattern Shop; Mr. and Mrs. Irvin Miller, Miller Machine Shop, Littlestown; Mr. and Mrs. McCloud, Progressive Machine Shop, Westminster; Mr. and Mrs. A. A. Hocksein, American Smelting and Refining Co.; Ed Grenier, Hanover Evening Sun; Larry Bottiger and Jim Hartzell, The Gettysburg Times. The following salesmen and their wives were also introduced: Ernest Laugh, New York City; George M. Zapp, Philadelphia, and M. H. Tipcomb, Baltimore, and Sales Manager F. G. Acomb, Plainfield, N. J.

Members of the Snyder family present were: Mr. and Mrs. C. C. Snyder, York, a brother; Mrs. Fager, Littlestown, a sister; Loy Snyder, Littlestown, another brother.

The committee for the 1957 banquet were Robert Bevenour, chairman; Warren Wisotzkey, vice chairman; Jacob Adams, Victor Gouker, Robert Mundorff and Robert Reinaman.

Ernest Sentz gave the invocation and dinner music was provided by Donald Warner on the organ. Entertainment was provided by the Firp Roberts Agency.

The program was filmed by Blattner Studio, York, and taped by L. Robert Snyder.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

TWENTY YEARS AGO

Edward Abdicates To Wed Mrs. Simpson: London, Dec. 10 (AP) — King Edward of England abdicated his ancient and mighty throne today.

He will marry Wallis Warfield Simpson as a man, not monarch.

Albert Frederick George, the tall, 40-year-old Duke of York, will rule over the 495 million subjects of the greatest empire on earth.

He will reign as George VI.

In a "message from his Majesty the King, signed by his own hand," Captain Algernon Fitzroy, speaker of the house of commons, announced the abdication to a house of commons in which tension and hysteria were breathing and living things.

Around the globe, through sundown and dawn, to those who bear allegiance to England, flashed this message from their sovereign:

"After long and anxious consideration I have determined to renounce the throne to which I succeeded on the death of my father. I now communicate this, my final and irrevocable decision."

* * *

Local Officer Made Captain: Lieutenant T. N. Boate, Gettysburg, who recently has been acting commander of Troop A of the state highway patrol, has been promoted to the rank of captain, according to news dispatches from Harrisburg.

The officer who has been located at Gettysburg during almost his entire service with the patrol was appointed to the patrol June 23, 1924. He was made a corporal August 15, 1926, and advanced to the rank of sergeant August 1, 1929. On the first day of this year he was promoted to lieutenant.

* * *

Mounted Battlefield Guard Begins Duties: T. Richard Treher, 23, Fayetteville, this morning began his duties as a mounted guard in the national military park. The appointment was made by the Civil Service commission.

The new officer fills the vacancy caused by the resignation of James F. Howe, York Street, when the latter accepted a position in the local post office. One of three motorcycle patrolmen, Treher will be on duty eight hours daily.

* * *

Lincoln Highway Traffic In Gettysburg Seriously Menaced By Tunnel Route: Gettysburg may lose the Lincoln highway travel!

A statement attributed by the Associated Press to Secretary of Highways Warren Van Dyke that a survey has just been completed of what he described as the "dream" and "biggest thing" planned by the highway department — a super-highway between Harrisburg and Pittsburgh, four lanes in width and crossing seven mountains at almost railroad level, has the effect of a bomb-shell explosion in Gettysburg and other towns along the Lincoln highway from York to Greensburg.

Secretary Van Dyke announced the so-called "dream" highway at a dinner held in Bethlehem on December 4, marking the formal opening of the Bethlehem-Centre Valley highway, just completed at a cost of more than $500,000.

* * *

Scouts Trap Skunks; Earn Points And Town's Thanks: Boy Scout troop No. 79 has been performing a good turn several times a week for the last month for the benefit of the entire community.

Since about the middle of November, members of the troop have been earning points of credit toward a trip to Philadelphia next month by trapping skunks in and near Gettysburg.

Scoutmaster Joseph Riley said today that each youth who catches a skunk is granted five points in the contest.

The scout troop sent a request to town council in November for permission to attempt to rid the town of the pests that have become very numerous in recent years. Council gave ready consent and suggested that box traps might be secured by the scouts from the local NYA organization.

* * *

Commissioners Approve 80-Ft County Bridge: Adams county commissioners conducted their final inspection of the new two-span steel girder bridge over Rock Creek between Mount Joy and Cumberland townships Tuesday afternoon and formally accepted the structure, which cost the county $7,862.50.

* * *

Elect Aumen Head For 3rd Term: James B. Aumen was re-elected president of the Gettysburg Fire company for his third consecutive term and his son, James A. Aumen, was again chosen chief at the December meeting of the company Wednesday evening.

* * *

Mason Officer Is Advanced: Arthur R. Buehler was advanced from the office of senior warden to that of worshipful master at the annual election conducted Thursday evening by Good Samaritan lodge No 336, Free and Accepted Masons. He succeeds Fred G. Pfeffer, who was chosen representative in the grand lodge.

Today's Talk

THE POWER OF THE MIND

Even after so many years of research and experimentation, what we know about the human mind is very little. No one has yet measured its power, its capacity, or its possibilities. We take it for granted that it is very wonderful because of what miracles it performs again and again.

There seems to be no end to what this mind of ours can do if fully trusted and understood — at least so that it will increase the power of our influence, and for bringing happiness to others. None of us who now live may ever know the future discoveries about the power of the mind, but it's there today, and what wonders it could perform if we had sufficient faith and belief in the promises of our Heavenly Father, who presented this great instrument of power to us in the first place.

Perhaps it is going to take a long time yet before we shall be worthy to gain the power that could be ours. We have educated, in a measure, this mind of ours, but it is still only partially educated. The same is true of our human heart. Spiritually we are but orphans! I believe in prayer. I believe that God can heal the body. But we must be receptive to His will.

Whenever I look upon a beautiful work of art, a painting, etching, or a thing of woven beauty, I see the touch of some mind and heart there. We make things quickly with machinery, but in earlier days we had those who put their hands and hearts to work, so that we have examples of great beauty today in our homes to testify to the love of beauty in all hearts.

I once read of one who cut the word "can't" from his dictionary. I left it in mine because I never needed it! The mind is our partner and we should forever honor it. We could not be what we are had we not this mind of ours. Keep it clean, in full health. You will never have another!

Tomorrow Mr. Adams will talk on the subject: "Accept!"

Protected, 1956, by the George Matthew Adams Service

Just Folks

CITY LIFE

Ask for silence; few will hear.
Barking dogs will gather near,
Droning seems to fill the sky
As the planes go speeding by;
Truck gears clash, as oft they will,
City life is never still.

Motor horns sound night and day,
Fire truck sirens clear the way
Followed shortly by police;
Bells and sirens never cease.
Here's the truth, though not profound:
City life is full of sound.

World wide little girls and boys
Gayly make a lot of noise.
The incessant sounds of strife
Seem to be a part of life.
Brave the clamor year by year;
You're alive if you can hear.

New Harrisburg Air Service Authorized

WASHINGTON (AP) — The Civil Aeronautics Board has authorized Allegheny Airlines to operate directly between Harrisburg, Pa., and Washington.

Allegheny may do so under a temporary exemption until the CAB has ruled on its current application for a certificate change.

The CAB said it approved the temporary authority because of an immediate need for additional service between Harrisburg and Washington.

The board said that with only one roundtrip flight scheduled daily between the two cities, via Capital Airlines, the need for additonal service was critical.

IN THE DARK

CORRY, Pa. (AP) — It someday soon might be a little difficult to find your way home at night in this central Pennsylvania community.

The town council is considering resurfacing traditionally cement sidewalks with black asphalt.

Santa and the SECRET ROOM

by LUCRECE HUDGINS BEALE

By LUCREC HUDGIENS BEALE

Synopsis: We watched from the curtain as the king mixed a formula which he threw on the cat, turning it to stone. The princess sprang at the king and tore off his mask. She pointed to a statue and cried, "This is the real king! You changed him to stone!"

CHAPTER NINE
THE SORCERER

The unmasked pretender looked as though he were about to cry. His pale, round face quivered and his strange eyes blinked.

"So, little Princess! You've come home again! And now you know my secrets. Yes, I turned your father to stone. Then I made a mask of his face so people would think I were the king. I did it so there would be no one to hinder me in my work."

"W-what is your work?"

"I am a sorcerer," whispered the creature. "I am searching for a powder that will turn anyone it touches into gold!"

He waved his hand at all the statues in the room. "So far I've not made just the right mixture and all I've managed is to turn people into stone. But, look now, there's a trace of gold in the kitten's paw. So I'm on the right path, you see."

"You are a wicked creature!" cried the princess. "I shall tell and you will be locked away!"

The sorcerer took a step towards her. "But, my pet! I only want to turn you to gold!"

The princess stared into his blinking eyes and backed slowly to the wall. I felt a scream rising in my throat but just as I opened my mouth the curtains at the window were wrenched from their hangings and hurled across the room on the sorcerer's head.

Santa shouted. "Come, Princess, take my hand!" He rushed to her side and dragged her to the chimney leaving the goldseeker struggling under the drapes.

But suddenly the princess broke from Santa's grasp. The tears were running down her cheeks.

"I can't leave! If my father is gone then I am head of the kingdom. I cannot leave this sorcerer to rule my people!"

But it was too late. The sorcerer had gotten free of the drapes. He leaped over the table and threw a handful of dust on Princess Anne. She, too, turned to stone.

"So," said the sorcerer at last. "You've been hiding in my room. Well, you can't get out for I have the key."

He moved to the powders and liquids on the table. The instant his back was turned, Santa motioned me toward the chimney. I crept into the fireplace and squatted there but oh, my! the magic word had gone out of my mind and I couldn't rise up the chimney.

I beat on my head with my hands and I squeezed my eyes tight but the word wouldn't come, until all of a sudden I heard Santa shout, "PETRONONEENYMO! Say it, Alexander!"

And I screamed, "PETRONENYMO!" and up the chimney I flew with Santa right behind.

But hardly had we reached the roof than out of the chimney came the sorcerer clutching his mixing bowl.

"So that's the way to climb chimneys," he said happily. "Thanks for teaching me the reached into his bowl and drew out a handful of dust. "Now try my magic!"

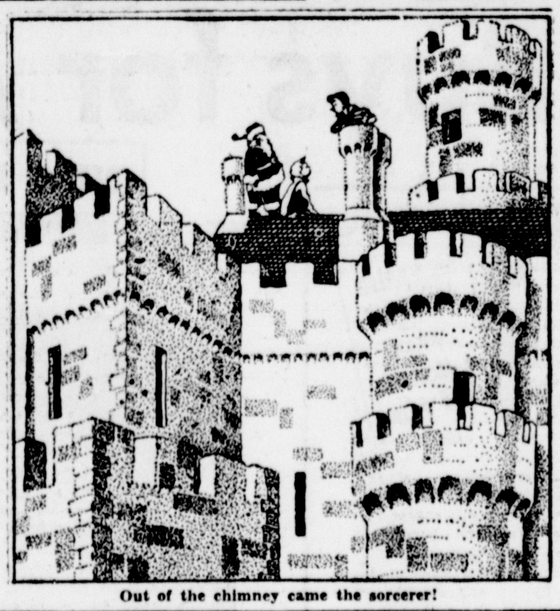

He threw the mixture into our eyes.

But just as the sorcerer threw the dust, Santa gave me a mighty shove and I found myself sliding down the sloping roof. Suddenly I came to the edge and shot off into space. The next thing I knew I was lying in a snow drift.

I peered up through the grey dawn at the palace roof. I thought my heart would break when I saw Santa and his eight reindeer still standing there.

They could not move. They had turned to stone.

Tomorrow: No One Believes

Out of the chimney came the sorcerer!

East Berlin

EAST BERLIN — East Berlin's schools and other folk in the community have made their annual donations of cookies, favors and decorations to be taken by the Red Cross to nearby military installations at New Cumberland, Olmsted Air Base and Lebanon Veterans' Hospital.

This year the community has given 55 dozen home baked cookies, 10 packages bought cookies, 30 gifts for stockings such as combs, candy canes, life savers, etc., 40 tray favors filled with mints and nuts, two center pieces for the dining room tables and a bushel of apples. The TRI-HI-Y and HI-Y helped with money for the articles which had to be purchased. Brenda Miller is president of the organization and Sara Gideon the advisor.

The Evangelical and Reformed annual charge-wide Christmas Eve candlelight service will be held at St. John Church, New Chester, Monday evening, December 24, beginning at 11 p.m.

The annual Christmas party for the Church School will be held this evening at 7 o'clock in the Parish House and the Mite Society will hold its annual Christmas party on Friday at 8 p.m. in the Parish House.

Littlestown

ANNUAL DINNER HELD BY CLASS TUESDAY NIGHT

The annual Christmas banquet and party were enjoyed by the Ever Willing Class of St. John's Lutheran Church on Tuesday evening in the church social hall. Thirty-five members and one guest, Mrs. Viola Koons, were present. The banquet was served by the Ladies' Aid Society. The program presented included: Group carols, accompanied by Miss Kathryn Shriver; Scripture, Mrs. Frances Duttera; Lord's Prayer in unison; vocal duet, Miss Shriver and Mrs. Bernice Yealy; poem, Mrs. Jane Rhoades; piano solo, Mrs. June Rife; poem, Mrs. Eleanor Tressler; vocal duet, Miss Shriver and Mrs. Yealy; group carols; remarks, Mrs. Shirley Renner, class president; remarks Mrs. Viola Badders, class teacher. Arrangements were in charge of Mrs. Myrtle Leister; Mrs. Viola Bechtel and Mrs. Mary Ellen Bortner. There was an exchange of gifts.

The following officers were named for 1957: President, Mrs. Ruthanna Starner; vice president, Mrs. Bernice Yealy; secretary, Mrs. Janet Reaver; treasurer, Mrs. Mary Beamer. Those present introduced themselves. The class will meet again on Tuesday, January 8, at the home of Mrs. Janice Myers, N. Queen St.

Banquet For Horsemen

Members of the Carroll-Adams Riding Club, Inc., and their guests will enjoy a banquet on Friday at 6:45 p.m. in Grace Lutheran Church parish hall, Two Taverns. Major Martin, state policeman from the Hershey barracks, will be the guest speaker.

St. Aloysius Catholic Parish will sponsor a public party on Saturday night, starting at 8 o'clock, in the parish hall. Prizes will be given and refreshments will be available. The arrangement committee is headed by Paul Bunty. Chairman of the refreshment committee is Mrs. Paul Bunty.

Society At Supper

Forty-two persons attended the annual covered dish supper and Christmas party held for members of the Abigail Kammerer Missionary Society of St. Paul's Lutheran Church and their families on Tuesday evening in the church social hall.

A program followed the supper and included: Saxophone solo, Miss Donna Rabenstine, accompanied by Miss Grizelda Hahn; instrumental trio selection, Dorothy Forsythe, Patsy Harner and Ellen Jane Baumgardner; vocal duet, Mrs. Clinton O. Sentz and daughter, Jean, accompanied by Miss Rabenstine; piano duet, Mrs. L. Robert Snyder and daughter, Nancy; piano solo, William Ritter; recitations, Nancy Snyder and Gaynelle Ritter; vocal duet, Fred and Linda Blocher; instrumental solo, Carol Baumgardner, piano duet, Dorothy Forsythe and Patsy Harner; carols by the group. Gifts were exchanged. Guess packages, given by Mrs. C. O. Sentz, were won by Mrs. George Schaefer and daughter, Donna.

The next regular meeting of the Abigail Kammerer Society will be held on Tuesday, January 29. Details will be announced later.

WSCS Meets

"For All Children" was the devotional theme at the December meeting of the Woman's Society of Christian Service of Centenary Methodist Church, held on Tuesday evening at the home of Mrs. Lottie Mellott, E. King St. Mrs. Mary Byers was in charge of the devotions. Mrs. Alice Yohn arranged a panel on the discussion "Today's Children" and participating were Mrs. Bertha Shull, Helen Arter, Mrs. Edith Hanlon and Mrs. Yohn. Mrs. Jeannette Weibley, president, reported on the recent meeting and tea which members of the local Society attended, held by the WSCS of First Methodist Church, Hanover. The birthdays of Mrs. Bess Rebert, Mrs. Stella Furlow Mrs. Grace Harner and Mrs. Hanlon were noted. A report was given by Mrs. Hanlon, secretary.

The annual Christmas party was then featured by the Society. Gifts were exchanged, "secret sisters" revealed and new "sisters" chosen Members returned their Christmas stockings. Refreshments were served to the 35 members and one visitor in attendance by the December hostesses, Mrs. Mellott, Mrs. Mary Dillman, Mrs. Roberta Wood and Mrs. Nellie Shadle.

Mrs. Grace Harner, Mrs. Emma Wallick and Mrs. Ruth Withrow will be hostesses for the next meeting on Tuesday, January 8, at the church.

York Springs

STUDENTS GIVE XMAS CONCERT

Pine and candles furnished the background for the annual Christmas musical concert presented by the York Springs High School students Wednesday evening in the Methodist Church there. The program was presented under the direction of Miss Kathryn O'Boyle, vocal instructor, and Dale Roth, instrumental instructor.

The program opened with carols by the audience. Then the Senior Corus sang "Christmas Hymn" by Hugo Jungst and "Birthday of the King" by Neidlinger. A clarinet quartet played "Tell Us of the Night" by Norman. The quartet included Donna Brough, Nancy Deardorff, Rhoda Brough and Linda Roth. Rhoda Brough then sang "The Virgin's Slumber Song" by Max Reger as a contralto solo.

A cornet trio, including Louise Group, Tom Roth and Fay Delp, played "Christmas Bells" by Pierson and "Christmas Medley" was presented as a piano duet by Ann Smith and Jean Hoffman. The girls' chorus sang "O Little Town of Bethlehem" by K. K. Davis and "The Virgin's Lullaby" by Stairs.

"Lead Onward, O Star" was played as a trombone and baritone duet by Allen Wonders and Carl Hikes. Jean Hoffman sang a soprano solo, "Jesu, Bambino" by Yon, and the clarinet quartet, played the Polish melody, "Jesus in the Manger" arranged by Handel. After the Senior chorus sang "Jingle Bells" and "Christmas Roundelay," the program closed with the singing of Christmas carols by the audience.

WIFE SAYS SHE KILLED; MATE IS CONVICTED

DALLAS (AP) — Mrs. Eugene Hague stunned the courtroom at her husband's murder trial yesterday by sobbing out from the witness stand she was the one who had done the killing. But the jury convicted Hague and sentenced him to 37 years in prison.

Mrs. Hague, 44, was arrested and charged with murder as soon as she finished her testimony.

The jury's verdict left a legal tangle. No one would undertake to say immediately what would happen to the murder charge against Mrs Hague. She is in jail.

Hague, 43, was on trial for the slaying of Ernest Allbrite, 27. He was shot to death Aug. 26 at a party attended by the Hagues, the Allbrites and two other couples at the home of Charles Tibbs. An argument broke out. Hague had a gun.

Says She Shot Twice

"Mrs. Allbrite slapped my husband and they fell to the floor scuffling," Mrs. Hague testified. "Both Allbrites had my husband on the floor and were kicking and beating him. He was all bloody.

"My husband's gun was lying on the floor. Allbrite reached for the gun but I grabbed it. He told me: 'I'll kill you.' I shot him. He kept coming at me. I shot him again."

Mrs. Hague indicated the trouble started when "Allbrite told my husband Tibbs had said something about me."

She said Hague and Tibbs had a few words in a bedroom but apparently came to an understanding.

The state did not present any witnesses who testified he had seen Hague shoot Allbrite. Mrs. Allbrite previously testified she pushed Hague but was out of the room when the shots were fired.

Hague did not take the stand. A signed statement attributed to him said:

"I was so drunk I don't know what happened. I remember some shooting and I left."

LARGE CROWD

(Continued from Page 1)

follow the way of God and not our own way."

On the altar were lighted tapers, evergreens and poinsettias. A large star brightened the manger scene.

The seminarians, among whom was Clair A. Redding, son of Mr. and Mrs. Clem Redding, R. 2, opened the program with the 16th century French carol, "Sing We Noel" and Bach's "Sicut Locutus Est."

The harp medley given by Mrs. Thomas included a number of Christmas carols. She also played Chalmers' "The Magic Fountain."

John Lipinski, tenor, sang the negro spiritual, "Mary Had A Baby," by Shaw. The audience joined in singing "The First Noel." There followed "Glory, Glory" by Rubenstein and "The Birthday Of A King" with Paul Harrigan, basso, singing the solo part.

Before solemn benediction the Schola sang Mozart's "Gloria" from Mozart's "Twelfth Mass."

Monsignor O'Donnell was the celebrant during the benediction.

LEESE RITES TODAY

Funeral services for Jacob E. Leese, 74, who died at this home, Westminster, R. 7, on Monday afternoon, were held this morning at 10 o'clock from Little's Funeral Home, Littlestown. The Rev. Russell T. Shilling, pastor of Bartholomew's Lutheran Church, West Manheim Twp., officiated. Interment was in the church cemetery. Serving as pallbearers were Lester Krumrine, Harry Warehime, Irvin Wantz, David Wantz, Roger Leppo and Albert Leppo.

"OUR MISSION"

Have you ever chanced to think about . . . our mission on this earth . . . the why and wherefore of it all . . . this phase 'twixt death and birth . . . well I have thought and so I write . . . my own conception of . . . this life that's granted and then taken . . . by the Lord above . . . of course we live on borrowed time . . . that fact is known to all . . . therefore each moment should be spent . . . preparing for God's call . . . our duty is to learn about . . . the treasured things of life . . . things far beyond the reach of gold . . . which temper worldly strife . . . first we should love, for without love . . . this life is void of bliss . . . each one is part of God's own plan . . . we must remember this . . . once we have truly learned to love . . . life's bitter will be sweet . . . it's hard to learn, but if we do . . . our mission is complete.

Hollywood Singer Here On Saturday

Recording artist, Alan McGill, of Hollywood, Calif., will make a personal appearance at Adams County Youth for Christ on Saturday at 8 p.m. in Centenary EUB Church, Biglerville. Together with his wife, Nancy, Mr. McGill will

ALAN McGILL

present an unusual program of song and Christian testimony. Mr. McGill will sing many of his late record releases that have put him often at the top of the sacred record popularity list. McGill is an active member of the Hollywood Christian Group which includes Roy Rogers, Dale Evans, Redd Harper, Les Barnett, Tim Spencer and many others in the entertainment capital. Three of his best selling releases that he will sing at the Saturday night rally are "Each Step of the Way," "Beside the Still Waters," and "My King of All Kings."

Find Time Bomb Near Destroyer

BELFAST, Northern Ireland (AP) —A crudely made time bomb, believed planted by Irish Republican army terrorists, was found early today near a British destroyer in Belfast Harbor.

Hundreds of police pushed a wide search for IRA raiders who struck across 200 miles of British North Ireland yesterday.

The bomb, made with a clock of gelignite and packed in a small suitcase, was found by workmen near the destroyer Caroline, berthed here permanently as headquarters for Royal Naval volunteers. Police said the bomb was set to detonate at 2:30 a.m. tomorrow.

CHRISTMAS IS

(Continued from Page 1)

ries are said to represent the blood of Jesus."

Receive Corsages

Mrs. MacPhail read the Christmas scripture from St. Luke. "I hope," said Mrs. Meredith, chairman of the music department of the club, "that you will go away with this picture in your mind today, the story of the Baby Jesus and His mother." Mrs. James G. Sneeringer, who represented the madonna, wore a blue gown and a white veil. Mrs. Bartholomew sang "Lo How a Rose E'er Blooming."

Each member received a Christmas corsage from Mrs. M. C. Jones. They were made by the garden committee which includes: Mrs. Jones, Mrs. John D. Teeter and Mrs. Edward J. Nowicki Jr. Members brought gifts for the guests at the Adams County Home to the meeting.

Mrs. Ecker presided at a brief business session before the program. The club will give $10 to the Adams County Red Cross and $10 to Hungarian Relief, it was announced. Mrs. Ray Powell, R. 1, and Mrs. Marvin H. Pond, Ridge Ave., were introduced as new members, and Mrs. George R. Miller, W. Lincoln Ave., was reinstated.

Benefit Party

Instead of the regular meeting January 9 the club will hold a benefit card party at the Moose Home, York St., at 2 o'clock. Admission will be one dollar. Refreshments will be served. Cakes will be awarded and prizes given to players with the highest scores. One hundred dollars from the proceeds will go to the Warner Hospital for the room which the club is sponsoring and the balance will be divided between the local hospital and the Woman's Medical College, Philadelphia.

Mrs. John Y. Crow, Fairfield Rd., was appointed representative to the Women's Civic Council.

At the tea which followed the program Mrs. Ecker and Mrs. Orem presided. The table was decorated with red and white carnations and red candles. Mrs. Frederic Griest was chairman of the hostess committee.

Warriors To Usher In Cage Season Here Friday Against Delone; Jayvee Tilt At 6:45

Gettysburg High opens a 21-game basketball schedule Friday evening when it entertains Delone Catholic on the local floor. The junior varsities will meet in the preliminary game at 6:45 o'clock.

Coach George Forney will have 16 boys in uniform for the game, four being lettermen from last year. The Warrior mentor is still undecided as to his starting lineup against the Squires.

There is little doubt that Earl Little, 6-0, and Bobby Hess, 5-11, both veterans from last year's varsity, will be in the opening group but from there on the starters are problematical.

Filling the spots vacated by Merle Gorman, Rolf Johnson and Glenn Weishaar, who graduated, is the top problem of Coach Forney.

Other Top Prospects

He has Jon Wagnild, 6-1, and Tom Kitzmiller, 6-0, who won letters as reservists a year ago. Both should see considerable action. Sidney Steinour, 6-1, has been coming along well in recent drills and needs only a little more fire with his play to become invaluable. Johnny King, 5-6, has been showing a lot of scrap which may earn him a berth.

Johnny Millard, a 5-11 sophomore, needs only experience. His size should help this year and may even gain him a regular job if he continues to show progress. Jack Crist, 5-6, who is fast and a good shot; Kenny Mummert, another 5-6 speedster, and Dick Pyle, 5-11, a rugged rebounder, at present rate as first line replacements but could advance to regular positions in short order.

Other promising candidates, but not yet ready for regular action, are Bob Staley, who has improved tremendously recently; Bob McIntyre, Joel Reaser, a transfer from York; Fred Smith, James Staiger and Francis Henderson.

Delone will have the benefit of having already played two games, both of which resulted in triumphs. The Squires won at Scotland 31-22 and jolted Littlestown 67-43 Tuesday evening at McSherrystown.

Coach John Russ has half a dozen senior lettermen on his squad including Joe Poist and Richie Hemler, both 6-2; Phil Staub, 6-3, Edgar Roth, 5-10, Charlie Weaver, 6-1, and Jim Strazella, 5-10. Hemler has been out of action due to a football injury.

Completing the squad are Tom Staub, 6-1, Frank Keffer, 6-0, Rafael Snyder, Bucky Washington and Jack Bevenour, all juniors; Johnny Gastley, Joe Keffer, Lawrence Miller and George Thomassy, sophomores.

Other scholastic games on schedule Friday are: Quincy boys and girls at York Springs, East Berlin at North Carroll, and Fairfield boys and girls at Emmitsburg.

Two Early Goals Put Hershey Bears On Top

By THE ASSOCIATED PRESS

A pair of goals in the first three minutes of the final period last night brought Hershey's Bears the lead in the American Hockey League with a 3-2 victory over Springfield.

It was the only game scheduled and broke a tie between Hershey and Providence for first place.

Al Nicholson slipped home the first of the rapid-fire counters at 59 seconds of the third period. With 2:22 gone, Dunc Fisher rapped in the clincher.

PUBLIC SALE

CHUCK SPIESER WANTS SHOT AT MOORE'S TITLE

DETROIT (AP) — Muscular Chuck Spieser is quite willing to become the second man in recent history to make the jump from Olympic boxer to world champion.

Although a proposed title bout between the 27-year-old Spieser and light heavyweight champion Archie Moore is just in the talking stage, the former Olympic boxer (1948 and 1952) will resume training next week "just in case."

Moore, turned back in his bid for the heavyweight crown by former Olympic titlist Floyd Patterson, must defend or relinquish his light - heavy championship by March 18. Spieser, a former Michigan State boxer who knocked out Willie Hoepner in his last start a couple of weeks ago, is first in line as the No. 1 challenger.

Won 19 Of 24

"I've watched Archie's style for a long time," said Spieser. "Since I was ranked first among the light heavyweight contenders, I watched closer than ever at ringside the night he lost to Patterson."

That a Spieser - Moore fight would be held in Detroit is a definite possibility.

Spieser has had 24 fights, winnng 19, losing 4 and fighting to one draw. Most of hs fights have been against heavyweights because of the lack of good competition in his own division.

CUBS AWAITING ANSWER FROM BUCS ON DEAL

CHICAGO (AP) — Speculation mounted today that the Chicago Cubs might land a much-needed centerfielder with their bait being second baseman Gene Baker.

The names of Ritchie Ashburn of the Philadelphia Phillies or Lee Walls of the Pittsburgh Pirates were mentioned.

Cub vice president John Holland didn't discount either possibility but indicated that a deal with the Prates may be closer than wth the Phillies.

"I really can't say there is anything real hot right now," he said. "We are waiting to hear more from Pittsburgh."

Frank Lane, the trade-master of the St. Louis Cardinals, left Chicago last night.

Indication that the veteran Baker may be the pawn in any transaction came yesterday when the Cubs sent catcher Joe Hannah to Los Angeles and brought K. C. Wise, star rookie infielder, in from the Pacific Coast league farm club.

JORGENSEN IS APOLOGETIC ON LOSS IN GARDEN

NEW YORK (AP)—Maybe it was the big town jitters. Or perhaps it was the TV tremors. Whatever it was, Paul Jorgensen of Port Arthur, Tex., had it bad in his first New York fight.

The 21-year-old featherweight who hadn't been beaten in 16 previous starts was apologetic for his poor performance in losing a unanimous decision to Carmelo Costa last night at Madison Square Garden.

"I don't want to make any excuses," he said in his dressing room. "But something was wrong with me. I didn't even get going.

"Not My Fight"

"Maybe fighting in the Garden for the first time bothered me. It always has meant something big to me, like Carnegie Hall. Maybe it was seeing New York and being on TV. I don't know. I just didn't fight my fight."

Jorgensen, who had fought a draw with Costa July 31 and had beaten the flashy Brooklyn boxer Nov. 20 in two Houston battles, didn't even make it close this time.

Referee Harry Kessler had it 8-1-1, Judge Al Singer 7-3 and Judge Artie Aidala 6-3-1, all for Costa who weighed 129½ to Jorgensen's 127¾ pounds. The AP card had Costa on top 7-2-1.

HANOVER LOOMS TOP CONTENDER FOR SP HONORS

(Fourth in a series of articles on prospects of South Penn Conference basketball teams written by members of the South Penn Sportswriters Association.)

By JACK LeFEVRE
Hanover Evening Sun

HANOVER — Just how good is Hanover High School's basketball team, early-season sensation of the South Penn Conference, may well be answered by the outcome of Friday night's headline attraction bringing York High's Central Penn League powerhouse here.

Having seen their favorites spin off three successive wins, local fans now await the York test to see whether Fred Kreuter, Hanover's new court boss, has the makings of a title contender.

Kreuter came to town after a successful stint with Brownsville of the WPIAL Class B. He's the third coach on Bunker Hill in three years, succeeding Bernie Thrush and Karl Meyers.

Graduation was easy on the Hawks, but if the team doesn't come through this season it may be some time before Hanover is heard from again. The reason: Kreuter's first six men are all seniors.

All Vet Squad

Veteran wearers of the Orange and Black include: Bob Forry, 5-11 smoothie hampered no little by a grid injury last year after a sensational soph campaign; Carl Klinedinst, leading point man in 1955-56; Bill Poist, No. 1 rebounder; Ray Cromer, easily the most improved of the returnees; Larry Little, backcourt dependable, and Bill Howe, a top-notch replacement.

The Hawks have looked good to date, but are just heading into the thick part of their schedule — York, Steelton and Altoona.

In his starting alignment, Coach Kreuter has five excellent shots, each lad capable of breaking out in a scoring rash. The boys have been playing together since junior high and know each other's moves well.

Forry with 16 points in less than three quarters against Lancaster looked like the Bob of old. When hot this lad's about as tough to stop as any athlete who's come along in the South Penn the last few years.

The Hawks have a well-balanced scoring attack, but may have trouble with a rangy team since their big board men, Poist and Klinedinst, stretch only a shade above six feet.

Reserve Problem

Hanover too, is confronted with a lack of capable replacements although Dave Irons, up from the jayvees, has performed well and with Howe could solve this problem.

The schedule:

December 5, Spring Grove, away; 7, Lancaster, home; 11, Westminster away; 14, York, home; 18, Steelton, away; 21, Altoona, away.

January 2, Waynesboro, home; 4, Chambersburg, away; 8, Middletown, home; 11, Hershey, away; 15, Delone, home; 18 Carlisle, home; 22, Mechanicsburg, away; 25, Gettysburg, home; 29, Shippensburg, away.

February 5, Waynesboro, away; 8, Chambersburg, home; 12, Middletown, away; 15, Hershey home; 19, Delone, away; 22, Carlisle, away; 26, Mechanicsburg, home.

March 1, Gettysburg, away; 5, Shippensburg, home.

Budapest Vet Says Soviets Are 'Stupid'

CAMP KILMER, N.J. (AP) — A young veteran of Budapest street fighting says the Russians are "stupid," that Hungary's rebels could have beaten them if properly armed.

Robert Vank, who looks even younger than his 19 years, proclaimed his scorn of the Russians yesterday when he arrived among 199 Hungarian refugees, the first group airlifted from Europe in U. S. military planes.

Dressed in odds and ends of clothing, Vank said his home is in Pilismarot, Hungary, and he had fought Soviet forces for three weeks in Budapest.

Vank said he and his friends finally had to fall back before superior numbers and he fled his homeland a few weeks ago.

Woman Dies From Three Stab Wounds

MILTON, Pa. (AP) — Mrs. Margaret P. Haines, 36, of Milton, died early today at Lewisburg Evangelical Hospital from three stab wounds, one through the heart.

Chief of Police John Golden said Harry Brandt, 21, a nephew of the dead woman, was sought for questioning about her death. He said no formal charge has been filed in the case.

Golden said Mrs. Haines and Brandt were seen together in a tavern shortly before neighbors called police upon hearing a woman scream.

G-Burg Draws West Virginia Tech As First Foe In Annual Hofstra Invitation Tourney

HEMPSTEAD, N. Y.—Tourney director Howdy Myers today announced the pairings for the sixth annual Hofstra College Christmas Invitation Basketball Tournament scheduled for Calkings Gymnasium December 27, 28, 29.

In the opening first-round doubleheader listed for 2 p.m. on Thursday Bucknell will clash with Wagner in the first game, followed by a contest between Cortland State and Springfield.

Gettysburg will engage West Virginia Tech and Upsala will face defending champion Hofstra in the evening doubleheader on the 27th, the Bullets and the Golden Bears meeting in the first game at 7:30 p.m.

Play will continue with a pair of twinbills on Friday, the 28th, the beaten four from the first round playing in consolation semi-finals in an afternoon doubleheader, followed at night by the championship semi-finals involving Thursday's quartet of winners.

The tournament will conclude on Saturday, the 29th, with an afternoon twinbill—the consolation final and the playoff for third place. The championship final will be played as a single attraction at 8:30 p.m. on Saturday.

Wagner, Bucknell, Springfield and Cortland State are in the upper bracket while Gettysburg, West Virginia Tech, Upsala and Hofstra are in the lower half of the draw.

Tech Highly Rated

On the strength of early season showings West Virginia Tech and Bucknell appear to be the teams to beat. The Golden Bears won their first five, going over the century mark in four of these and beating the Quantico Marines, 76 to 75, in the other. Bucknell has a veteran team and new sophomore center in 6-6 Harold Dansig. In their first two starts the Bisons beat Cornell and Gettysburg on the road.

Teams not to be overlooked figure to be Cortland, always a sound quintet, and Wagner. Both of these are former winners of the Hofstra tourney. The Red Dragons have Frank Dawson, Lou LaGrand, Wayne Weiss and Harold Van Eardon back from last year's team, while Wagner also has four veterans back in Bob Mahala, George Blomquist, Tom Drake and Dick Simler.

Visiting teams this year will be quartered at nearby Mitchel Field, and, as in the past, will be fed on the Hofstra campus.

LOSES IN LOVE AND OLYMPICS

ROCHESTER, N.Y. (AP)— Zenon Snylyk, captain of the U.S. soccer team at the Olympics, is back home in Rochester—a loser in sport and in love.

News of the soccer team's 9-1 loss to Yugoslavia preceded Snylyk's return from Melbourne to his adopted city, but he unfolded the story of his lost love himself to newsmen yesterday.

The 23-year-old athlete said he met and fell in love with Calina Vinogradova, 22 - year - old star sprinter of the Russian track team.

Zenon and Calina had a great deal in common. They were both natives of the Ukraine, both university students—she at the university of Moscow, he at the university of Chicago.

"I was all set to marry her," said Snylyk. "The Rev. Bob Richards (U.S. pole vaulter) said he could arrange something in the Olympic chapel in five minutes. She would automatically become a U.S. citizen. But then the Russians suddenly told us she was ill, and I couldn't see her."

Zenon believes it took more than illness to keep Calina from him. He's sure, he says, that only the Russian secret police could have done it.

Jackie Robinson Is Sold To Giants

NEW YORK (AP)— The New York Giants announced today they had obtained Jackie Robinson from the Brooklyn Dodgers in exchange for pitcher Dick Littlefield and an undisclosed amount of cash.

Horace Stoneham, president of the Giants, and Dodger head Walter O'Malley closed the deal at the major league meetings in Chicago earlier this week, but withheld the information until the players could be advised.

Although the amount of cash involved was not given, there were reports it was around $30,000.

Bill Rigney, Giants manager, said Robinson would play first base for the Giants.

The regular Giants first baseman, Bill White, is now in the Army.

GEORGIA TECH IS CALM ABOUT BOWL PROSPECT

ATLANTA (AP) — Georgia Tech, maintaining its unruffled air about the bowl business, is planning nothing new for its football return match with Pittsburgh at Jacksonville's Gator Bowl Dec. 29.

Coach Bobby Dodd, readying his yellow Jackets for their sixth consecutive bowl appearance, is not departing from his almost casual attitude toward the post season hysteria that hits a dozen or so campuses about this time every year.

As usual, the Tech squad will be excused together with the other students for Christmas holidays which begin Saturday. They won't return to the practice field until the day after Christmas, only three days before colliding with Pitt's powerhouse of the east.

Pitt May Be Favorites

"We couldn't cook up anything new if we wanted to," Dodd said today. "There isn't enough practice time left."

Tech took a week off after the last regular season Dec. 1 and returned to practice only this week.

Dodd isn't taking Pitt lightly, however. He said the other day that he wouldn't be surprised if Pitt were made the favorite by game time. The current line among the wagering crowd has the Panthers a seven-point underdog.

7 Straight Wins

Dodd, whose bowl record is a glittering seven victories and no losses, watched Pittsburgh on television last week as the Panthers removed Miami from the unbeaten. He sent backfield aide Frank Broyles and chief scout Bob Bossons to Miami to get a first hand look.

Today all agreed that Pitt is better than the team Tech trimmed 7-0 in the Sugar Bowl at New Orleans last New Year's Day. Dodd declared that Pitt, against Miami, was "a truly great football team."

THUNDERBOLTS BEATEN 49-42

Littlestown High School's winless basketball team succumbed to a blistering first half attack as it bowed to Red Lion 49-42 Wednesday evening on the Thunderbolts' court. It was the fourth successive setback for Littlestown.

Red Lion rushed off to a 14-6 advantage in the first period and hiked its margin to 28-15 at half time. The Thunderbolts came back strong in the second half to outscore the Lions in both periods but could not make up the deficit.

One again it was Al Snyder who led the Bolt attack with 21 tallies. Kenny Koontz, who with Snyder, earned a letter last year, added 11. Baker was the top man for Red Lion with 18.

The Littlestown reserves were outclassed in the preliminary 52-25.

The Thunderbolts will be idle until December 21 when Delone will be met at Littlestown.

NORTH CAROLINA BEATS GW WHILE N.C. STATE LOSES

By ED WILKS
The Associated Press

This may be the year North Carolina's Tar Heels finally shake loose from North Carolina State's shadow in college basketball.

Coach Frank McGuire's Tar Heels have had nothing but table scraps while State's Wolfpack has been eating high on the hog in their Atlantic Coast Conference. But suddenly it's spring in Chapel Hill.

The unbeaten Tar Heels, ranked No. 6 in this week's Associated Press poll, ran up their third victory, winning 82-55 over George Washington. State, however, was chopped down for the second night in a row, this time 75-61 by South Carolina.

Never In Running

It's the first time since 1953 N.C. State has suffered back-to-back defeats and has dropped two of its first three starts in the AAC. Clemson dumped State to its first defeat Tuesday night, 96-94 in overtime.

Lennie Rosenbluth, the 6-5 Yankee who followed McGuire to North Carolina from the sidewalks of New York, did the big job for the Tar Heels with 27 points.

State, which had been ranked eighth in the nation, never was in the running against once-beaten South Carolina. The Gamecocks took a 34-24 lead at the intermission, toyed with the Wolfpack in the first 10 minutes of the second half and then ran up an 11-point edge with 5 minutes left.

Penn State Loses

West Virginia, rated No. 13, made it 4-0 with an 81-66 job on Penn State, but Dayton, ranked 15th, just did escape a second defeat with a 67-65 decision over Miami of Ohio.

Niagara, No. 16, couldn' dodge its second tumble as Syracuse won its first of the season 82-79.

Purdue outgunned DePaul early, but had to clear the subs from the floor and call back the starters to nail an 83-78 victory. Dick Heise scored 31 points for the loosers.

Temple Beats Princeton

Elsewhere, Temple hit more than half its shots to bang Princeton 67-58; Yale blew a 20-7 lead and had to resort to a freeze to beat winless Wesleyan 53-47; Texas opened with a zone, fell behind 32-13 and went into a full court press that paid off with a 68-62 decision over Oklahoma.

Other Pennsylvania results: Bloomsburg Teachers 97, Cheyney 84; Muhlenberg 97, Moravian 69; Washington and Jefferson 76, St. Vincent 72; Youngstown 98, Alliance 48; Marshall 101, St. Francis 89; Lycoming 80, Washington 73; Gettysburg 87, Western Maryland 62; Scranton 97, Kings 74; Bucknell 72, Lehigh 65; Haverford 76, Rutgers (South Jersey) 70.

Bullets Wing Terrors 87-62 For Initial Cage Victory; Hofstra Here On Saturday

Superior height and a stronger bench were the big factors for the Gettysburg College basketball team Wednesday evening as the Bullets crashed into the win column for the first time by staging a strong second half to rout Western Maryland 87-62 before a slim crowd in the local gymnasium.

Bob Davies' outfit was forced to go all out during the first half. The Bullets trailed until a goal by Del Warfel and a pair of fouls by Tim Cousins sent them ahead for the first time at 17-15 after seven minutes of play. The score was deadlocked at 17-17 and again at 19-19 and midway in the half the Bullets held a scant 25-23 margin.

Gettysburg never last the lead thereafter although the scrappy Green Terrors, sparked by the shooting of Sloan Stewart and Bill Spaar, kept the visitors in contention durthe remainder of the half which wound up with the Bullets holding a 45-40 advantage.

Locals Pull Away

The Bullets took command early in the second half on a pair of free tosses by Warfel and a long shot by Bobby Walsack before Stewart connected for the tiring Western Maryland quartet. Eight straight points via a pair of fouls by Cousins, goal by Warfel, two more charity tosses by Cousins and another goal goal by Warfel, hiked the Bullet lead to 57-42 and from then on there was never any question as to the ultimate outcome. Midway in the half Gettysburg led 69-50.

Control of the boards gave the locals a big lift. They grabbed 75 rebounds to but 30 by the shorter Terror outfit.

For the first time the Bullets turned in a bit of outside shooting against the Terror zone defense and it proved effective.

Five Bullets broke into double figures in the scoring with Walsack, Cousins and Warfel leading the way with 18, 17 and 16. The entire squad gave a good performance.

Stewart, a deadly left-handed shot, kept his team in the running early in the game and wound up with 21 points to be high man for the evening. He was backed up by Bill Sanders who landed 16 and Bill Spaar with 14.

Two Games Saturday

The victory, following four straight losses should prove a lift to the Bullets who tangle with the strong Hofstra dribblers here Saturday evening. The Bullet frosh will meet the Hofstra yearlings in the preliminary game at 6:45.

HERBIE FLAM MEETS INDIAN FOR OPENER

By WILL GRIMSLEY

PRETH, Australia (AP)—The official draw today paired Herbie Flam of Beverly Hills, Calif., with Ramanathan Krishnin for tomorrow's opening match of the interzone Davis Cup finals between the United States and India.

But it was a meager development compared with the overnight recovery of U. S. ace Vic Seixas, the 33-year-old cup veteran from Philadelphia.

Seixas, who will play the second singles match against India's captain, Naresh Kumar, reported his ailing shoulder greatly improved when he arrived for the ceremonies at the Royal Kings Park clubhouse.

To Win Tough One

A doubtful starter until then in the series to determine Australia's cup challenger, Seixas said heat treatments administered by a doctor last night had removed all pain from his shoulder.

U. S. Captain Bill Talbert said he was pleased with the opening lineup but he refused to commit himself on his team for the doubles on Saturday. "That'll depend on the result of the opening singles matches," he said.

The Americans are favored to score a 5-0 sweep although Krishnin, a vastly improved 19-year-old who holds two victories over Jaroslav Drobny, figures to be tough.

MILWAUKEE HAS REAL BRAVES

MILWAUKEE (AP) — John E. Kulupa, assistant city comptroller who has earned somewhat of a reputation as an encyclopedia about Milwaukee, was stumped when asked:

"How many American Indians are there in the city?"

Kulupa did a little research and found out the answer is 381.

Christmas In Russia Before Advent Of Communism Was Gay And Festive; Attended Church

The Russian Christmas in the days before the overthrow of the Czarists and the upsurge of tyrannical Red communism was a Christian celebration as it is in the free world. From what is known of Soviet Russia today little of that tradition may be practiced freely by the people although it may not be totally erased. Beneath the tense gloom that overshadows the Russian people, closes the doors of the Christian churches and forbids them the heritage of their ancestors their Christmas of old belongs to an era of the past.

The traditional Russian observance of Christmas was a melee of gaiety and devotion to the sacred beliefs of the season.

Processions moved through the cities singing carols, the traditional one called "Kolyada." The carols were old sacrificial songs surviving from heathen days and dealing with the gods and goddesses which had been endowed with Christian characteristics so that they seemed to be sacred Yuletide songs. The processions visited the resident noblemen and higher church dignitaries begging for money or presents, "Kolenda." Bearing their gifts they returned to their homes and donned masquerades imitating cows, hogs, goats and donkeys in remebrance of the manger animals of the Stable of Bethlehem.

Share Blessed Wafer

When the evening star appeared, a supper (Colatzia) was served. The table was laid with straw and a cloth was placed over the straw. A samovar containing fish and cakes was placed on the table and the feast was prepared. A blessed wafer was divided and shared by all at the table before the feast started. At the end the peasants trudged through the snow, which nearly always covered the ground in Russia at Christmas, to a nobleman's house to see a Christmas tree. There, presents were distributed together with small coins to the people.

Fasting was the rule on the day before Christmas and not a morsel of food was taken until the evening star appeared. It was common for the priest to visit the home of his communicants, accompanied by acolyte carrying a vessel of Holy Water. The water was sprinkled in each room of the house and it was blessed.

At midnight almost everyone attended church services. Later in the homes the Christmas tree, which was a real one with wax candles, was lighted and gifts were exchanged among relatives and friends. These were always personally delivered.

Served No Meat

Christmas dinner was a very special meal consisting of a cold vegetable soup with mushrooms in it and small rice cakes which resembled pies. Cold fish was sometimes included in the fare, but no meat was eaten.

Fortune telling played an important role in the Russian celebration of Christmas. These various forms of divination traced their history to pre-Christian days. Five versions of fortune were most widespread in the county.

Interpretations from wax were construed when the wax was melted and dropped into cold water. Lead was also melted and dropped into the snow to harden.

The most widely enjoyed one was the following. Five piles of grain were placed on the kitchen floor. Each pile was given a name, such as Hope, Ring, Money, Charcoal and Thread. The girls were sent to the henhouse to rouse a drowsy hen. She was allowed to walk around the kitchen to choose a pile of grain. If she chose Hope it meant a long journey or the fulfillment of a great wish. The Ring, of course, meant marriage; money was wealth; charcoal portended death in the family; and thread meant a life of toil. Later old songs were sung, and the old women and country girls devised entire stories from the action of the hen.

Foretelling Future Fate

Several customs for foretelling the fate of the single girls were practiced. Each of the girls would slip outdoors. Standing just inside the gate, but with her back to it, she would kick her slipper high over head into the road behind her. Then she could tell by the direction to which the shoe was pointing which way her lover would come or the way she would go to her marriage. If the slipper pointed toward the gate, she would have to wait another year.

Other fates were predicted by using candles and mirrors. Some girls sat in a room with the doors closed. Two candles were lighted before two mirrors so that one reflected the candlelight into the other. The idea was to find the seventh reflection and to look until one's future was seen.

Plan For 39 Days

Some people dropped a wedding ring into a glass of water and tried to see their future in the circle formed by the ring in the water. A sixth way was to drop an egg yolk into a glass of water which was placed before the image of a saint. When the yolk discolored it revealed many things to the imaginative mind.

In the Ukraine, the region in the southeastern section on the Black Sea, people prepare for the feast for 39 days. On Christmas Eve the house is cleaned thoroughly and the housewife prepares a sumptuous 12-course dinner, a course in memory of each of the 12 Apostles. As in other parts of Russia, no food is eaten until the first star appears in the sky. During the supper everyone must speak in a low, gentle voice, for if there is peace and order, love and affection on Christmas Eve then it will bless the household until next Christmas.

Christmas in the Ukraine extends over a three-day period. Each day the singers "Kolyadniky" go from house to house singing folk songs.

Family Reunions

Years ago in Russia, children believed that a counterpart of Babuschka was the bearer of gifts at the Yuletide. Now January 1 is the day for family reunions; and the current Russian Santa Claus is known as "Grandfather Frost."

The gift-bringer in Russia is a legendary old woman called "Babushka" (Grandmother.) She is said to have misdirected the Magi when they inquired their way to Bethlehem. According to another version she refused hospitality to the Holy Family on its way to Egypt. Whatever her fault, she repented of her unkindness, and to make reparation for her sin she now goes about the world on Christmas Eve, looking for the Christ Child and distributing gifts to the children.

Popular Carol

Another legendary figure is Kolya (Nicholas,) who goes about during Holy Night, putting on windowsills little wheat cakes which have to be eaten on Christmas Day. To him is addressed a popular Russian carol:

"Kolya, Kolya,
On Christmas eve, when all is still,
He puts his cakes on the windowsill.

Kolya, Kolya,
Come this Holy Night, we pray,
Come and bring us Christmas Day!"

On the day of the Epiphany, January 6, or Twelfth Night, the "Blessing of the Waters" was performed as a solemn service by officials of the Greek Church. In the days of the czars the rites took place on the bank of the river in St. Petersburg before the imperial palace. Attending the impressive ceremonies were the czar, his court and church dignitaries.

Chant Religious Litany

In the small villages the priest in his full vestments led a procession of parishioners, carrying banners and ikons to the river. As they walked, the assembly chanted a religious litany. After a hole had been dug in the ice, the priest threw a crucifix into the water. The young men of the village would vie with one another in trying to retrieve the cross. A special blessing was given to the successful contestant from the officiating clergyman. When the rites were ended, all the townspeople filled large vessels with sacred water, carried them home and placed the jars near their ikons. St. Chrysostom asserted that water drawn from streams on this feast day could be preserved much longer than ordinary water.

This custom brought to the United States years ago is observed today at Tarpon Springs, Fla., just north of Tampa. Greek fisherman conduct the ceremony which attracts large crowds of tourists annually on "Greek Cross Day" in January.

GOP TO OPPOSE INCOME LEVY IN THIS STATE

CARBONDALE, Ill. (AP) — A 20-year-old freshman at Southern Illinois University was held in jail today on a charge of murder in the shotgun slaying of his roommate, a star on the football team, in a flareup of tempers over a prank.

The victim was Robert Batura, 19, of Danvers, Mass., a sophomore and end on the university's football team, who was hit in the head at close range by a charge from a .12-gauge shotgun.

A charge of murder was placed against Fred Sinroll of Sterling, Ill., who was ordered held in jail without bond after he appeared before Police Magistrate Roy Hall.

The shooting occurred in a rooming house near the campus early yesterday. Batura shared a second-floor sleeping room with Sinroll and two other students, Henry Hillman, 18, Park Ridge, Ill., and John Abromovitch, 21, of Haverhill, Mass., captain-elect of the S.I.U. football team and a close friend of Batura.

Police said Hillman and Abromovitch told them they witnessed the shooting, which they said was touched off by a prank.

FIRE DAMAGES CARS

WEIRTON, W. Va. (AP) — Fire damaged two steel cars on the Pennsylvania Railroad's passenger train, The St. Louisiana, near here last night. No injuries were reported.

ADVERTISE IN THE TIMES

BELL TELEPHONE SEEKS INCREASE

HARRISBURG (AP) — The Bell Telephone Co. says it will seek additional rate increases above the 13½ million dollar annual boost authorized yesterday by the Public Utility Commission.

Shortly after the PUC authorized the boost—representing only one-third of that originally asked by the company—W. D. Gillen, Bell president said:

"The 4.9 per cent increase in revenues allowed by the PUC is grossly inadequate to enable us to provide our customers with the telephone service they need and want and for which we known they are willing to pay a fair price.

"Therefore, to keep faith with our customers in performing our service responsibilities, it will be necessary for us to obtan further increases in our rates at an earlier date."

CAROL SING BY GIRL SCOUTERS FRIDAY AT 7

The annual Christmas Carol Sing by the Girl Scouts and Brownies of the community will take place on Friday evening at 7 o'clock, in front of the Littlestown State Bank on S. Queen St. The singing will be in charge of Mrs. John Kump, assisted by Mrs. Jay D. Basehoar, Mrs. Gene R. Renner and Mrs. Paul E. Altoff. Following the caroling, refreshments will be served to the girls in the POS of A Hall, E. King St. The refreshments will be provided by the local Rotary Club.

After the serving of refreshments, the Scouts of Troop 43 will go to the engine house to complete work on their Christmas projects. When the work is finished, the girls will be transported to their homes by the troop leaders.

The Ladies' Aid Society of Bart's EUB Church, near town, will hold its annual Christmas party in connection with the December meeting on Saturday, 7 p.m., at the church. A film will be shown by the pastor, the Rev. A. W. Garvin. Gifts will be exchanged. Hostesses will be Mrs. A. W. Garvin, Mrs. Ray Heiser and Mrs. Monroe Phillips.

Coming Events Announced

A public party will be sponsored by the Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226, at 8 p.m. Friday at the FOE Home, W. King St. Refreshments will be available.

The annual Christmas party of the Ladies' Ever Faithful Bible Class of Redeemer's Reformed Church will be held in the form of a covered dish supper in the church social hall, tomorrow at 6:30 p.m. Fifty-cent gift will be exchanged.

The Junior Fellowship of Centenary Methodist Church will meet at 6:30 p.m. Friday at the home of the adult counselor, Mrs. Chester S. Byers, E. Myrtle St. Work on the Christmas projects will continue.

Children of the Primary Department of St. Luke's Union Church will enjoy their annual Christmas party on Friday evening, 7 o'clock, at the church, near White Hall.

Annual Party Held

The Ladies' Aid Society of Redeemer's Evangelical and Reformed Church held its annual Christmas party and covered dish supper on Tuesday evening in the church social hall. Prior to the meal, a welcome was extended to the members and guests by the president, Mrs. Clement A. Sneeringer.

The following program was presented: Group carols, accompanied on the piano by Miss Sally Basehoar; Scripture and a Christmas prayer, Mrs. Richard M. Phreaner; prayer by the pastor, the Rev. Porter W. Seiwell; piano solo, "O, Holy Night," Sally Basehoar; vocal solo, Susan Basehoar, accompanied by her sister, Sally; poem recited by Bobby Sneeringer; saxophone solos, Terry Arbogast; vocal duet, "White Christmas," Jane Basehoar and Bobby Sneeringer, accompanied by Sally Basehoar; remarks on the meaning and traditions of Christmas, Rev. Mark B. Michael, superintendent of the Hoffman Orphanage; group carol, "Silent Night"; Lord's Prayer in unison. Gifts were then exchanged. The program was arranged by Mrs. Sneeringer, Mrs. Phreaner, Mrs. John W. LeGore and Mrs. Lloyd E. Crouse.

Hold Election

Election of officers took place at the December business session, which followed the program. Results of the election follow: President, Mrs. Edward B. Geiman; first vice president, Mrs. Glenn S. Kauffman Jr.; second vice president, Mrs. Clement Sneeringer; third vice president, Mrs. Claude Olinger; secretary, Mrs. Donald C. Arbogast; treasurer, Mrs. Paul F. Crabbs. The nominating committee included Mrs. Geiman, Mrs. Charles A. Hofe and Mrs. Melvin Shanebrook.

The retiring president, Mrs. Sneeringer presided. Plans were made to serve a wedding reception this Saturday afternoon, and to serve a banquet to the local Rotarians and their guests, next Tuesday evening. Preliminary plans were discussed to serve at the annual congregational meeting in January. It was decided by the Aid to purchase a new altar cloth. Mrs. Phreaner and Mrs. Anna B. Leach were appointed to audit the Society books at the next meeting. It was also decided to purchase a Christmas gift for a four-year-old welfare child. Reports were given by Mrs. Geiman, retiring secretary and Mrs. Crabbs, treasurer.

The Aaid will meet again on Tuesday, January 8, in the church social hall. The hostesses will be Mrs. Wilbur A. Bankert, Mrs. A. C. Garland and Mrs. Charles A. Hofe.

U. S. MOVES TO BLOCK HUGE STEEL MERGER

NEW YORK (AP) — The government has acted in federal court to block the proposed merger of the Bethlehem Steel Corp. and Youngstown Sheet and Tube Co.

A monopoly suit filed yesterday charged that union of the two steel companies would be a violation of the Clayton Antitrust Act.

Bethlehem is second in steel production behind U.S. Steel. Youngstown is sixth. The proposed 2½-billion-dollar consolidation would still leave U.S. Steel as the No. 1 producer.

Shares Decline

The proposed merger was announced Tuesday after the New York Stock Exchange had closed. The Justice Department immediately voiced disapproval.

Yesterday shares of the two companies declined on the exchange. Bethlehem fell $3.25 a share to $185. Youngstown $7.12½ to $120.62½ a share.

The government asked the court:

1. To find the proposed acquisition by Bethlehem of Youngstown a violation of Section 7 of the Clayton Act;

Ask Injunction

2. To enjoin Bethlehem and Youngstown from carrying out their merger agreement or any similar one;

3. To issue a preliminary injunction against Bethlehem and Youngstown restraining them from taking any action in furtherance of the merger;

4. To order the defendants to pay the costs of the suit.

Fear Monopoly

The government contends the merger agreement, if carried out, "may substantially lessen competition or tend to create a monopoly."

Under the agreement, all assets of Youngstown would be transferred to Bethlehem in exchange for Bethlehem common stock. The common stock received by Youngstown would be distributed to Youngstown stockholders and Youngstown then would be dissolved.

Opposite Views

The government complaint said: "The concentration in the hands of the largest producers of facilities for the production and sale of a variety of products of the iron and steel industry, including coke-oven by-products, pig-iron, semi-finished steel products, finished steel products and oil well drilling and production machinery will be materially increased (by the proposed merger)."

The government suit charges acquisition of Youngstown would "enhance Bethlehem's competitive advantage over small producers of a variety of products of the iron and steel industry . . . to the detriment of competition."

The companies say that they are not in substantial competition with each other anywhere and that the merger would increase competition.

LINK SEEN IN MYSTERY DEATH OF LA STUDENT

LOS ANGELES (AP) — A veteran investigator of subversive activities professes to see a link between the mysterious death of a UCLA graduate student last April and several other unexplained deaths across the nation.

Richard E. Combs, counsel for the California State Senate Committee on Un-American Activities, told newsmen last night the case fitted into a nationwide pattern of Communist intrigue and violence covering two decades.

He said he was convinced that Sheldon Abrams, 25, is at least the sixth victim of Communist assassination in this country since 1936.

From his voluminous files, compiled during 18 years as committee counsel, Combs last night produced the names of five others he said had met a similar fate:

Clubbed To Death

George Alberts, a maritime engineer who was clubbed to death in his stateroom aboard ship in San Francisco Bay in 1936. An ardent anti-Communist, he was killed because of his fight against Red infiltration of the shipping industry, Combs said.

Juliet Stuart Poyntz of New York, who "just disappeared" in 1937. Combs identified her as "a do-gooder with a good family who drifted into Marxism with sincere motives." Her fate has never been determined, he said.

Laura Law, bludgeoned and stabbed to death in Aberdeen, Wash., in 1940. Combs said she was engaged in Communist activities within the trade union movement in the state of Washington. Her death remains unsolved.

Shot To Death

Gen. Walter G. Krivitsky, former head of Soviet army intelligence in Western Europe, who defected to the West and was found shot to death in Washington, D.C., in 1941. Combs said the slaying was "arranged to look like a suicide."

Everitt Hudson, 20, a UCLA student found dead in 1948 in the furnace pit of a student cooperative dormitory near the campus. He had been active in Communist front groups at Stanford before transferring to UCLA, Combs said. His death was listed as natural, but Combs disagrees.

BABY PAWN TO BE A YANKEE NOT A RUSSIAN

LONDON (AP)—A British judge today ruled that little Taya Chwastov, baby pawn in an East-West struggle, should be brought up as an American.

Mrs. Helena Dieczok of Detroit was awarded custody of her 2½-year-old daughter, who was being carried behind the Iron Curtain by her Russian father.

Tanya was taken off a Soviet ship in an English port and made a ward of the court early in October. Alexis Chwastov, 58, the child's father, fought to keep her, claiming his former common-law wife abandoned Tanya.

Justice Wynn Parry, who presided at the hearing in Chancery Court, said:

"I formed a favorable view of the mother. The attack upon her as one who is not fit to have control and custody fails.

"I find that the allegation that she had abandoned her child is not established."

Mrs. Dieczok, who flew to England to prevent her daughter being taken to Russia, was given permission to take Tanya back with her to the United States.

"On arrival there," the British judge said, "the child would cease to be a ward of the court."

Justice Parry emphasized that one of the factors in arriving at his decision was that "while the U.S.A. had courts competent to protect infants he had no evidence of similiar courts existing in the U.S.S.R."

Tanya's mother and father were in the court when the ruling was handed down. Mrs. Dieczok had testified that Tanya was spirited out of the United States without her consent.

Tanya was born in Philadelphia in July 1954.

WILL BALK WAGE INCOME TAXES

MEADVILLE, Pa. (AP)—Republican members of the General Assembly will work against any attempts to levy an income or wage tax in Pennsylvania during the next two years, says Sen. Rowland B. Mahany (R-Crawford-Mercer).

In an interview yesterday with a Meadville Tribune reporter, the Titusville senator said "Republicans are opposed to wage or income taxes," adding:

"We definitely won't vote for a wage or an income tax."

Mahany said he thought that the present three per cent sales tax would yield enough revenue to run the state over the next two years.

However, the senator said he couldn't anticipate whether an income or wage tax would be necessary in the future. "It is enough to anticipate this session," he added.

Mahany also expressed a desire to have the state's business tax structure changed. He said the two corporation taxes—corporate net income and capital stock—should be reduced to just one, "whichever is the greatest."

He said he wasn't sure that the change could be effected in the 1957 sssion but added, "we'll work toward it."

Mahany, senate majority leader in 1955, seeks re-election to that post.

Mrs. Emory H. Snyder pins orchid corsage on Mrs. Luther D. Snyder at 40th anniversary banquet of Littlestown Hardware and Foundry Company Wednesday evening at St. Aloysius Hall, Littlestown. The women are wives of the founders of the company.

Hungarians Strike Again; Red Cop Runs Government

BUDAPEST (AP)—Tens of thousands of Budapest workers quit work again today only a few hours after returning to their factories at the end of a two-day nationwide general strike.

The new walkout was in protest against the arrest of the chairman of the Budapest Central Workers' Council and his chief assistant by the Russian - imposed government of Premier Janos Kadar.

There was a total walkout in the industrial 11th District of Budapest, which has many textile and tool plants.

Informed sources reported the boss of Russia's secret police, Gen. Ivan Serov, has taken over control of Kadar's government in a desperate effort to end the continuing widespread resistance to Communism and Moscow control.

The situation in Hungary now is so chaotic that the Russians are reported running matters entirely, in effect replacing the government of Kadar.

A Hungarian source said Serov "is now running what is left of the Kadar regime, whose members are fighting among themthemselves." The Russian Police boss is an expert at repression and deportation.

The approaches to the Hungarian Parliament building, seat of the government since the outbreak of the rebellion against Communism, were blocked by masses of Russian tanks and armored cars.

This dispatch was received in Frankfurt during a brief break in the four - day communications blackout between Budapest and the West.)

At least six persons were killed in riots and clashes with Russian troops and Communist Hungarian police during the general walkout Tuesday and Wednesday.

The clashes included one on Budapest's Szigmund Morics Square yesterday and fighting in the provincial towns of Eger and Miskolc.

SNOW STRIKES MIDWEST AREAS

By THE ASSOCIATED PRESS

A storm that dumped 2 to 5 inches of snow over wide areas of the Midwest headed into the eastern Great Lakes today.

It was cold in the north central region. Chilly weather extended over a V-shaped area from Texas northeastward through the Great Lakes and Ohio Valley into northern New England and northwestwestward through the central and northern plains.

Temperatures in the frigid zone ranged from near zero to 10 below from western Wisconsin to the Dakotas and up to around 30 in north central Texas.

The heaviest snow belt stretched from South Dakota to northern Missouri and northeastward through southern Wisconsin, northern Illinois, northern Indiana and ito Lower Michigan. Falls diminished during the night.

The cold air was expected to spread over the Ohio Valley southward to the Gulf Coast and southwestward through Oklahoma and Texas. Show was in prospect from through Michigan and northeastinto the Atlantic Coast states. Heavy falls were forecast in western New York and northwestern Pennsylvania.

NEW YORK EGGS

NEW YORK (AP) — (USDA) — Wholesale egg selling prices were unsettled today. Receipts 1,300. Nearby whites: Top quality (48-50 lbs) 43-45; top quality (45-48 lbs) 39-43; mediums 36½-37½; smalls 32-33. Browns: Top quality (48-50 lbs) 42½-43; top quality (45-48 lbs) 39 - 42½; mediums 36½ - 37½; smalls 33-34.

TOWNSHIPS ARE

(Continued from Page 1)

ment program work right and hope that the rest of the counties do as well."

Urges Zoning, Housing Control

Thomson urged the supervisors "to begin thinking about zoning now, so you'll have zoning before you need it. If you need it and don't have it then it's too late. You can't make a zoning ordinance retroactive.

"As supervisors you may have many obligations and much power, and it is your obligation to use it wisely. You have, for example, the right to control these housing developments that are taking place in your townships, and you should. You can easily set up an ordinance governing the size of lots in developments, the placing of streets, the size and type of streets to be placed. And you had better set up such rules to protect yourself from future grief. One of the biggest problems today is the size of lots. Too many developments are cutting down the lot size to a point where they are becoming too small. Most of you don't have sewer and water connections, and remember that each lot in a development better have its own well and its own septic tank on it or you and the people buying the lots are going to have a lot of grief.

"You have a right to name a health officer and set such rules as you please concerning sanitation and the time to get these ordinances into effect is now.

You Have The Power

"Zoning costs a couple of thousand dollars for mapping and surveying and public hearings, but it is well worth while. You have people coming into your townships who are putting up $35,000 or $40,000 homes. How do you think they are going to act if somebody puts up a gasoline station beside them?

"Your zoning ordinance can establish how far back people must build from roads. And that might be your most important gain. Then if you have to increase the size of your roads you aren't going to have to buy up half the homes in the township.

"You can also pass building code ordinances to prevent those tarpaper shacks that give a slum appearance to parts of many of our townships. You have the power, you also have the obligation to do what is best for your township."

Pass 12 Resolutions

James B. Rinehart, Carroll O. Miller and Robert Barton of the state Highway department were other speakers during the afternoon.

Twelve resolutions were adopted: thanking the legislature for passing Act 655 allocating state money to the townships and cities on a basis of population and mileage; urging amendment of Act 655 to provide for annual re-allocation of the money on a population basis, giving credit for changes as shown by census figures; asking legislation to provide that when a portion of a township seeks annexation to a borough the entire township votes on the matter; asking legislation permitting the township supervisors to issue permits for digging in tonship roads, an authority now resting with the state Highway Department; asking that the Municipal Borrowing law be revised to permit purchases, on a deferred payment plan, of up to $10,000 without issuance of bonds; asking amendment of the contract law to permit purchases in amounts up to $1,000 without advertising; asking a constitutional revision increasing the borrowing capacity of townships; opposing legislation that would deprive townships of motor code fines now accuring to the townships; asking legislation that allocation of gasoline tax funds for bridges be based on need.

Other resolutions ask "the end of discrimination against Second Class townships" and thank the county commissioners for the County Aid program.

Authority A "Monstrosity"

Thomson urged the supervisors to back the resolution calling for a constitutional revision to increase the borrowing capacity of townships "and other municipalities. It is obvious that no improvement can be made when the towships can borrow only up to seven per cent of assessed valuation even with a public vote. That does not give enough money. So to circumvent the constitution the state permits the setting up of a monstrosity, the authority plan which is nothing more than a way to get around the constitution. It removes control from the elected officials and takes everything out of the hands of the people, and it costs more than it would if schools and townships could borrow their own money."

He also urged a change in the borrowing law to permit purchases up to $10,000 without issuance of bonds, which the law requires. "It might be possible that some townships are paying for that machinery on a deferred plan of so much this year and so much the next. Of course, since that is illegal, I know no township would even think of it. But since there is a need for operating legally I think we ought to get the law into accordance with the fact. If the townships follow the law and issue bonds as they should, it costs them about ten per cent more to get what they need to operate."

Gettysburg

(Continued from Page 1)

progress of the fire department.

With a 1948 Cadillac ambulance available at $1,000, the firemen voted to purchase the vehicle. On display at the engine house Wednesday evening the ambulance was found to be in excellent condition. Reports by mechanics on inspections made during the afternoon confirmed that opinion of the firemen.

President Cole and incoming President Culp, who will take over his duties in January, were asked to name an "ambulance advisory committee" within the near future to supervise the operation of the ambulance when it is available in about a month. The ambulance previously was owned by a Delaware fire company which is trading it for a new ambulance, firemen were told.

Authorize Loan

Firemen were assured that the ambulance would not replace a present Warner Hospital ambulance, but that there is need for additional such piece of equipment. Auto accidents frequently produce seven or eight injured, it was reported, and present facilities of the hospital ambulance and rescue truck are strained to the utmost to transport the injured to the hospital. In addition, firemen were told the rescue truck, because it is designed as a rescue truck rather than an ambulance is not completely suited for normal ambulance duties.

A profit of $581.90 was reported from the recent turkey party held by the firemen. The amount was placed in the equipment fund of the department bringing the total in the equipment fund to $12,864.14. A motion was passed authorizing the president and treasurer to borrow sufficient funds when needed to pay for the new fire truck.

Add Three Members

With the purchase of the ambulance and fire truck it was estimated that the department will have to borrow about $7,500 to pay for the new equipment. It was hoped that a large portion of the debt can be paid off after next summer's Battle Anniversary program.

Raymond Menges, chairman for the Muscular Dystrophy drive conducted by the firemen, reported $1,175 had been received so far and is being forwarded to the national Muscular Dystrophy organization. "We had hoped to complete the drive but checks continue to come in," Menges said. "So as long as we get checks we'll keep sending them in and hold the drive open."

Robert Steinberger, Julian Estep and Raymond Thomas Adams were accepted as new members, filling the list of vacancies in the department. C. William Zhea, Raymond Bisbing and Edward Bowling served as tellers for the vote on the fire truck selection and the election of officers.

Named as the committee for Ladies Night were Robert Neary, Alvin Bupp, Harold Settle, John Leedy, Richard Shultz, Howard Small, Harold Hockensmith, Richard Finkboner and Robert Heiser. Named to the duty roster for the January meeting were Howard Small, Jacob Small, Ellis Smith, S. Charles Smith and Raymond Spahr.

S. Chaarles Smith, Robert Neary and Edward Paris were named as the auditing committee.

Russia Condemned By UN For Killing Freedom In Hungary

UNITED NATIONS, N. Y. (AP)—The general Assembly condemned Russia last night for stamping out Hungary's freedom bid. The vote split Asia's four "neutral" Colombo nations as well as the entire Asian-African group of countries.

The resolution, sponsored by the United States and 19 other countries, was adopted by the Assembly 55-8 with only the Soviet bloc casting negative ballots. It was the strongest censure the Assembly has voted against the Russian military action in Hungary.

The resolution also called on Moscow to pull its troops out of Hungary at once, under U. N. supervision. It asked the Russians to "permit the re-establishment of the political independence of Hungary."

14 Nations Abstain

Yugoslavia, Finland and 11 of the Asian-African group of nations abstained on the condemnation resolution. But 12 other members of the Asian-African group voted against the Soviets.

India and the other three Colombo nations—Indonesia, Ceylon and Burma — had joined earlier in sponsoring a mildly phrased counter-resolution expressing regret the Russians had not withdrawn from Hungary. But in the vote on the U.S. resolution Ceylon and Burma voted to condemn the Soviets, while India and Indonesia abstained as expected.

Observers said Russia's delegation was more concerned over the split in the Colombo group, on whom the Soviets had counted for at least implied support, than over the resolution itself. The Russians have ignored two previous Assembly calls for withdrawal of their forces from Hungary.

Significant Split

Sources close to the Burmese and Ceylonese said they finally had decided it was time to take a firm stand no matter whose feet got stepped on. Burmese Delegate U Pe Kin declared no nation had the right to coerce other nations, and "we have seen in Hungary that the Soviet Union insists on coercion."

Chief U. S. Delegate Henry Cabot Lodge Jr. termed the split in the Asian-African nations "very significant" because "it shows that many countries feel there must be one rule for everybody—if aggression is bad in the East, it is also bad in the West."

$24,460,467 IN GRANTS OKAYED BY HEALTH DEPT.

WASHINGTON (AP) — The Public Health Service today announced approval of 73 grants totaling $24,460,467 to help institutions in 24 states and the District of Columbia build additional health research facilities.

The action means that more than 48 million dollars worth of new buildings will be undertaken as the institutions must match the federal funds 50-50.

The grants were the second group of awards under the new program authorized by the last Congress providing 30 million dollars a year for three years.

New Grants

The new grants include:

Pennsylvania: Jefferson Medical College of Philadelphia, remodeling of second floor of existing building into laboratories, $24,572; Jefferson Medical College, remodeling of portion of 10th floor to provide surgical research laboratories, $51,883; Jefferson Medical College, remodeling of portion of 10th floor to provide laboratories for the psychiatric department, $22,235; Jefferson Medical College, remodeling of third floor of existing structure into research laboratories, $30,755; University of Pittsburgh, provision of built-in research equipment in new laboratory, $41,054; University of Pittsburgh, completion of new laboratories and installation of equipment, $649,312; University of Pennsylvania, School of Dentistry, (A) renovation of existing facilities and (B) new building consisting of a basement and two floors, $150,000; University of Pennsylvania, medical division, new 7-story research laboratory plus portions of two other new structures, $400,000; Bryn Mawr College, new 3-story laboratory building, $300,000; the Woods School, Langhorne, new research laboratory building, $150,000.

Sugar Plum Cookies, Fruit Cakes, Cup Cakes, Popcorn Add Much To Yuletide Spirit

By MARY ELLEN SKELLY
Home Economist
Manufacturers Light & Heat Co.

MARY ELLEN SKELLY

Every year at this time, each and every one of us is busy with plans for a happy holiday season. Our days are filled with shopping, planning, baking fruit cakes and holiday cookies, and some of the more fortunate not only have their Santa Claus work done, but are busily wrapping packages, trimming trees, and putting up outside decorations to greet the many welcome Yuletide visitors.

With Christmas being such a very busy season, we are all interested in quick and easy recipes for those holiday dishes that are so much a part of this happy season. Everyone enjoys a festive fruit cake, and here is one that is particularly tasty and can be prepared as quick as a wink from old St. Nick.

EASY FRUIT CAKE

1 1-pound jar mincemeat; 1 cup chopped walnut meats; 1 cup raisins; 1 teaspoon vanilla; ½ cup melted butter or margarine; 1 cup sugar; 2 eggs separated; 2 cups sifted flour, all purpose; 1 teaspoon baking soda, dissolved in 1 tablespoon boiling water.

METHOD

1. Mix mincemeat, walnuts and raisins; 2. Add vanilla, butter, sugar and beaten egg yolks; 3. Gradually stir in the flour, beating until blended; then add the dissolved soda and mix well; 4. Fold in the stiffly beaten egg whites; 5. Turn into a well-greased, floured 8x8x2 inch cake pan and bake about one hour at 325° F. 6. Frost with a butter icing, if desired.

Sugar Plum Dreams

Maybe you would like to bake some cookies that would bring the Christmas spirit right into your kitchen. Sugar Plum Dreams are just the right delicacy to add to your festive table.

1¼ cups sifted enriched flour; 1½ teaspoons baking powder; 1 teaspoon soda; 1 teaspoon salt; ½ cup shortening, soft; 1 cup sugar; 1 egg; ¼ cup drained crushed pineapple; ¼ cup mashed bananas; 1 tablespoon grated orange rind; 1¼ cups quick oats.

METHOD

1. Sift together flour, baking powder, soda and salt into a bowl; 2. Add shortening, sugar and egg; beat until smooth; 3. Mix in remaining ingredients; 4. Drop by teaspoons two inches apart onto greased cooky sheet; 5. Decorate with candied cherry; 6. Bake at 375° F. 8 to 10 minutes; 7. Makes 3 dozen cookies.

Xmas Cup Cakes

If you are planning on baking cup cakes, why not give them a little touch of the Christmas spirit. This can be very easily done by icing them with 7 minute icing and making a snowman's face on each cup cake. Small cinnamon drops or other candies may be used for the decoration.

Even the traditional popcorn ball seems to take on an extra festive appearence when made into a snowman. Any recipe for popcorn balls may be used. When shaping them, make three different sizes. The largest and medium size for the body, and the smallest for the head. They can be secured by using an extra amount of sirup or large toothpicks. Use small black candies for the facial features and buttons on their shirts. Tiny hats can be made for each snowman by using black construction paper.

No Christmas table is complete without a centerpiece which will bring attention to your holiday table. The centerpiece can be of various sizes, and just as elaborate as you want to make it.

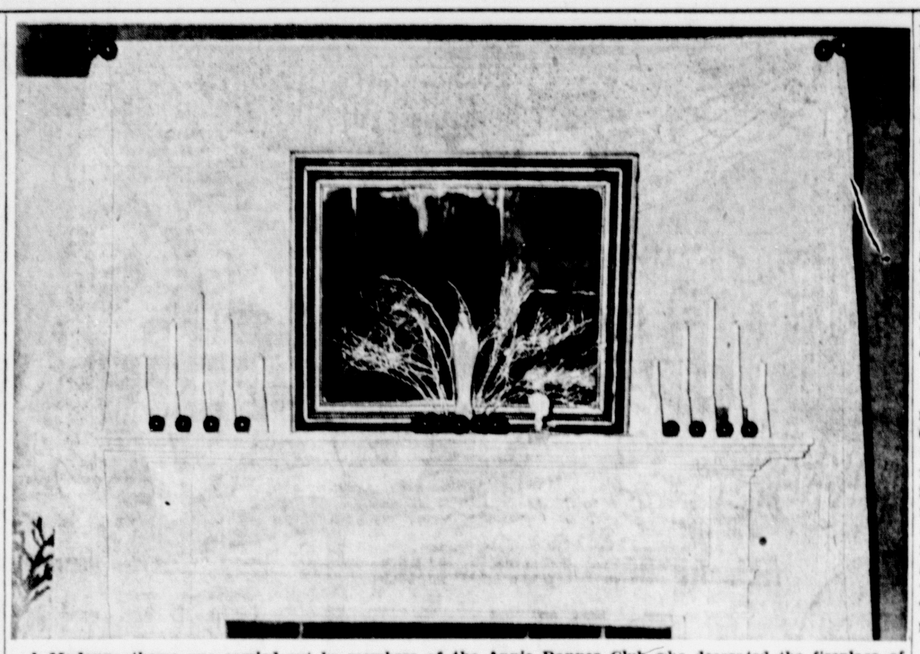

An old shoe box can easily be transformed into a magic sleigh to bring your lovely table into the Christmas spotlight. Cut the shoebox to form the bed of the sleigh, and make two large slits along the longest sides of the box. Insert one coat hanger in each slit, secure, and bend the hooks so that they lie flat on the bottom of the sleigh. Cover with aluminum foil or heavy paper. You can fill the sleigh with cookies and candy, or if you wish to make a more formal type of centerpiece, use angel hair and small multi-colored Christmas balls. Holiday greens may also be used.

Miss Xmas Season

Miss Christmas Season would like very much to be present at your home for the holiday festivities. She can be just as useful as she is attractive because her skirt is a delicious cake. Use any regular cake recipe and bake in an oven-ware bowl at 350° F. for about one hour or until the cake leaves the sides of the bowl. Wrap a doll no higher than 7½ inches tall in foil from the waist to the feet. The bodice of the gown can be made by wrapping a piece of ribbon around the upper part of her body. When the cake has cooled sufficiently, invert and cut a hole in the middle of the cake large enough to insert the doll. Ice her "skirt" with swirls of white icing, and for the festive touch, add a few small holly leaves for decoration. What a lovely guest she will be at your home for the holidays.

For the extra special Christmas package, wrap in plain paper and make a Christmas scene, using cotton and figures cut from magazines. Santa himself can appear on a package wrapped in red paper. Fashion the eyebrows, beard, hat rim and hat tassel from cotton and paste on the package. His eyes can be cut from black construction paper.

Cookies can be used as name-tags if baked flat and decorated with gaily tinted icing. Personalized with names and tied to the package with a bright ribbon, they would add an element of delight to that very special someone.

A Madonna theme was carried out by members of the Annie Danner Club who decorated the fireplace of the YWCA. A white porcelain Madonna is shown against white tree branches in front of an antique gilt-edge mirror. Five white candles are grouped on either side of the mantel and are interspersed with red balls which are grouped before the white figurine. White nylon, gold-flecked draperies frame the mantel completing the red, gold and white color scheme.

BURY MRS. SHAFFER

The funeral of Mrs. Annie M. Shaffer, 83, who died Sunday at the home of a son-in-law and daughter, Mr. and Mrs. Leonard Shaffer, Gettysburg R. 1, was held on Wednesday at 2 o'clock at the Bender Funeral Home with the Rev. Harold Myers officiating. Interment was in Greenmount Cemetery, Arendtsville. Grandsons served as pallbearers. They were Harvey, Robert, Clyde and Samuel Shaffer, Ralph and Melvin Sease.

The mute swan really can make sounds. It hisses to call its young.

NATO ADOPTS 5 POINT POLICY ON E. EUROPE

By JOSEPH E. DYNAN

PARIS (AP)—The Atlantic Alliance called today for freedom in Eastern Europe but pledged itself against a war of liberation.

Foreign ministers of the North Atlantic Treaty Organization endorsed a five-point declaration of policy on Eastern Europe submitted by West German Foreign Minister Heinrich von Brentano.

NATO officials emphasized that the declaration is a Western statement of policy designed to quiet any fears in Russia that the West is preparing to launch an attack to liberate the peoples of Eastern Europe.

But Von Brentano said the peoples of Eastern Europe have a right to know the free world's attitude toward their struggle for freedom. He said NATO must not encourage any militant action or uprising that could spill over into Western Europe. Instead NATO should strive to influence events through economic and social contacts.

15-Nation Summation

The foreign ministers directed that the declaration be incorporated in the closing communique which will sum up the work of the current meeting of foreign, finance and defense ministers from the 15 NATO nations.

Von Brentano had warned the Council that if Hugary's revolution fever spread to Communist East Germany, nobody could tell how big the blowup would be. But he toned down his warning with the observation that 22 Russian divisions stand ready to smash any German uprising in the East.

The NATO Council also got a jolt from U.S. Secretary of State Dulles, who told the ministers America reserves the right to act alone in certain parts of the world without consulting NATO. His warning put America in the position of having upbraided its two closest allies—Britain and France—for attacking Egypt without consulting other nations while reserving for the United States the right to do much the same thing.

To Mediate Disputes

In a move to keep peace in NATO, the foreign ministers unanimously approved a plan for NATO's secretary general — currently Lord Ismay of Britain—to mediate disputes among them.

The most critical such quarrel is between Greece, Britain and Turkey over the strategic Mediterranean island of Cyprus. Britain holds it as a colony and both she and Turkey want to keep it that way. Because four-fifths of the population is of Greek descent, Greece wants to annex it.

All three nations voted for the resolution, which gives the secretary general powers of "inquiry, mediation, conciliation or arbitration" in such quarrels between members.

The resolution also urged all members to submit their disputes to the secretary general before resorting to other international organizations, such as the United Nations.

Produce 8 Billion Tons Of Soft Coal

WASHINGTON (AP) — Statistics show that Pennsylvania will produce its eight billionth ton of bituminous coal before the New Year begins—but there is no danger of the supply running out.

Hailing the digging of the eight billionth ton as a milestone, Rep. Saylor (R-Pa) gave figures by the U. S. Geological Survey showing that almost 30 billion tons of mineable bituminous coal remain to be uncovered in central and western Pennsylvania.

Gives Praises

Saylor, ranking Republican member of the Coal Research Committee in the House, praised both labor and management of mines and railroads for their part in hitting the eight billion ton mark. The U. S. Breau of Mines and the National Coal Assn. rounded out the statistics that showed the eight billionth ton would be reached late this year. The seven billion mark was reached in 1947.

Other figures released by Saylor reveal that Pennsylvania anthracite reserves also are far in excess of the more than five billion tons mined so far.

BRITISH PATROL IS AMBUSHED AT PORT SAID

PORT SAID (AP) — The Egyptian underground ambushed a British patrol with a hail of machine-gun fire late last night on the edge of Port Said's crowded Arab slum quarter. No soldiers were hit.

Troops cordoned off the area and two tanks moved in to cover them as they searched for the attackers. Egyptian civil police also took part in the hunt but by dawn no trace of the guerrillas had been found.

The new show of defiance to the withdrawing British-French force virtually duplicated another ambush of a patrol in almost the same spot Monday. One soldier was wounded slightly. The British arrested seven Egyptians and accused Egypt of violating the ceasefire.

There was still no word on the fate of British Lt. Anthony Moorhouse, 20, who was kidnaped at gunpoint by three Egyptians 48 hours ago.

Lt. Gen. Sir Hugh Stockwell, commander of the British - French task force, demanded that Egyptian civil authorities take responsibility for returning the British officer. So far no apparent effort is being made by the British on their own.

A rumor among Egyptians—and it is strictly a rumor—is that the lieutenant has been killed and that the underground is waiting a chance to parade the body just as the last British troops leave, presumably to show that Egyptians are having the last defiant word.

Children Guests At Christmas Party

The Phi Gamma Delta fraternity and Chi Omega sorority, both of Gettysburg College, held their annual Christmas party for underprivileged children of this area Monday evening at the fraternity house on the college campus.

This marked the seventh consecutive year that the two organizations have combined to give a Christmas party. Phi Gamma Delta held its first Christmas party in 1930 and continued it yearly until 1950 when the Chi Omegas joined them.

The fraternity also presented 20 Christmas stockings to the local chapter of the Red Cross for distribution.

Jack Bream, son of Henry T. Bream, Gettysburg, is president of the local chapter.

NATO HARMONY SESSIONS HIT BY COOL BLASTS

By PRESTON L. GROVER

PARIS (AP) — The harmony session of the North Atlantic Treaty Organization shivered today under cold blasts from the United States and West Germany.

U. S. Secretary of State Dulles told the annual minister's conference that America reserves the right to act alone in certain parts of the world without consulting NATO.

West German Foreign Minister Heinrich von Brentano warned that if Hungary's revolution fever spread to Communist East Germany, nobody could tell how big the blowup would be. But he toned down his warning with the sober observation that 22 Russian divisions stand ready to smash any German uprising in the East.

Upbraids Allies

Dulles' warning put America in the position of having upbraided its two closest allies — Britain and France — for attackng Egypt without consulting other nations while reserving for the United States the right to do much the same thing

Dulles pointed out to the NATO Council session yesterday that the United States has mutual protection treaties with 44 nations, 30 of them outside the North Atlantic community.

He assured the council that whenever possible the United States would consult NATO on its policy and projected actions. But he said defense of Chiang Kai-shek's Nationalist Chinese government on Formosa, for example, might call for independent American action without NATO consultation.

Dulles Explains

Dulles was explaining why the United States could not give unlimited support to a report of the "Three Wise Men" calling on all NATO members to talk things over "before any new policy is adopted which might affect NATO."

The report — prepared by Foreign Ministers Lester Pearson of Canada, Halvard Lange of Norway and Gaetano Martino of Italy — was approved by the NATO foreign ministers in principle. Final action was held up after French Foreign Minister Chrstan Pneau and West Germany's Von Brentano said they wanted to add amendments.

It was while suggesting amendments to this report that Brentano gave the council a brief sketch of the worrying situation in East Germany.

From German quarters it was learned that Russian tanks and columns of troops are moving about East Germany to war nthe restive population that any uprising would be put down by forces far larger than were used around Budapest.

Nobody Is Sure

The West Germans consider that the East Germans are not likely to stage a Hungary-type uprising because of certainty they would be crushed. But nobody is 100 per cent sure. Nor is anybody 100 per cent sure what the West German people would do if they saw their fellow countrymen being slaughtered by Russian tanks on the other side of the Iron Curtain.

Von Brentano insisted the report of the "Wise Men" did not go far enough in its proposal for compulsory consultation among members about any impending military action which might involve other NATO nations. He presented amendments urging that a new and superior NATO Council of men with the rank of assistant foreign ministers meet at least once every two months to discuss political problems facing the alliance.

NEW PROBLEMS CONFRONT REDS

PRINCETON, N.J. (AP) — Allen Dulles, head of the Central Intelligence Agency, says Soviet leaders have produced a well-educated generation and now are beginning to face the consequences.

"The leaven of education has begun its work," said Dulles last night in a speech at Princeton University. "The men in the Kremlin have a hard task ahead to hold the process in check."

The top U.S. intelligence official cited reports of student unrest in Russia and said Soviet leaders have "made a fetish of industrial and military power."

But in building a modern industrial state, Dulles said the leaders "produced a new generation of highly technical, sophisticated and competently educated men and women."

And these people, Dulles said, are beginning to wonder what their government is doing to give them a better life.

Teachers Paid Less Than Sitters

DETROIT (AP) — Teachers in Detroit get less, pay per child than the average babysitter, says School Superintendent Samuel M. Brownell.

Teachers are paid at the rate of 15 cents an hour for each of 35 pupils, Brownell said, assuming she works at least six hours a day during a school year of 190 days for a total of $6,000.

"When you hire a babysitter," Brownell added, "you pay considerably more for a person of less skill and training."

LEGION WOMEN WIN AWARD ON MEMBERSHIP

Total membership of the Ladies' Auxiliary to Ocker-Snyder Post No. 321, American Legion is 97, to date, as reported at the December meeting of the Auxiliary Tuesday evening at the post home, E. King St. For reaching the membership quota, the Auxiliary was presented with a cash award at the recent meeting of the Four-County Council of Auxiliaries. The presentation was made by Margaret Myers, Four-County Council director. This district is in third place. Mrs. James W. Fager, delegate to the Council, reported on the proceedings at the last quarterly meeting on December 6, held at Shiloh.

The meeting on Tuesday was conducted by the president, Mrs. Ivan D. Rickrode. As community service chairman, Mrs. Fager reported that the new hospital bed and mattress have arrived and have been added to the Auxiliary's equipment, and are available for community use by contacting her. Mrs. Fager announced that 2,036 coupons were sent to the department last month. She also distributed the lists of coupons which the department will accept in 1957.

Mrs. Vernon H. Study, rehabilitation chairman, reported on the December 2 visit of the Auxiliary and Post to the veterans at South Mountain Hospital. She thanked those who baked and sent cookies for the veteran patients there. During the visit the Auxiliary also gave stationery, and the Post gave candy bars to the veterans.

Play Santa For Boy

As part of the unit's education of war orphans, a letter "to Santa Claus" was read from Jimmy Rummel, of Scotland School. To comply with Jimmy's request, the Auxiliary will send him pajamas, bedroom slippers and a toy airplane. The cheer committee reported that Julia Hornberger, daughter of George and Jane Hornberger, Park Ave., is a patient in the University of Pennsylvania Hospital, Philadelphia, where she underwent heart surgery last Thursday.

A communication was read, "Leaders Alert, Let's Finish The Job," distributed by the National Foundation for Infantile Paralysis. The message contained seven facts about the polio situation today, and urged those from 1 to 35 years and expectant mothers to begin with the three shots now in order to be protected for the 1957 polio season. Pamphlets "Get Your Polio Vaccine Shots Now" was also distributed. A communication was also read announcing "Crusade For Freedom Week," to be observed February 11 through Washington's birthday, February 22. Mrs. Wilbur E. Mackley, secretary, gave her report.

Hold Christmas Party

The annual Christmas party was featured at the conclusion of the business session. Gifts were exchanged, Auxiliary sisters revealed, and new "Sisters" selected. A poem of Christmas was read by Mrs. Elmer W. Gall. There was group singing of carols, and the song of the month was "Away In A Manger." The guess package was given by Mrs. F. J. Will. A special award, a cake, was won by Mrs. Ernest R. Sentz. Refreshments were served by the evening's hostesses, Mrs. B. Roy Kebil, Mrs. James W. Fager and Mrs. Donald L. Beford. The table was decorated in a festive holiday theme. The party favors were made and donated by Brownie Troop No. 51. This troop was recently sponsored by the unit.

The next meeting of the Auxiliary will be held on Wednesday, January 9 at the home of the president, Mrs. Rickrode, 82 Patrick Ave.

Sen. Thye Wants To War On Filibusters

WASHINGTON (AP) — Sen. Thye (R-Minn) proposed today that Republican and Democratic Senate leaders "get behind an all-out effort" to change the Senate rule which permits filibusters.

Thye, who said he wants passage of civil rights legislation, said in an interview he anticipates failure for a move by 10 senators to get new debate-limiting rules adopted at the opening of Congress next month.

"The Senate is a continuing body and its rules stand from year to year," Thye said. "The only way to get the present debate limitation rule changed is for leaders of both parties to get behind an all-out effort to change it in the regular way."

HAITIANS DOWN DICTATORSHIP OF ARMY OFFICER

By RELMAN MORIN

PORT AU PRINCE, Haiti (AP)—A "cold revolution" has toppled Maj. Gen. Paul Magloire's week-old dictatorship in Haiti, restoring constitutional authority today in the little Caribbean republic.

Magloire quit last night after three days of sitdown strikes virtually throttled all normal activity in the nation.

As the constitution prescribes, the president of the Supreme Court, Joseph Nemours Pierre-Louis, took office temporarily. He will govern until a new president is named in a national election.

The army, previously backing Magloire, triggered the change. Gen. Antoine Levelt, chief of staff, said the decision was taken in a conference yesterday. Levelt said in a broadcast, "Now we return to our barracks, awaiting the orders of our new chief."

Magloire's fall set a startling precedent in the turbulent political history of the Caribbean.

It represents a dramatic victory for the man on the street in Haiti, the workman, the student, the shopkeeper—people who fought for liberty with the only weapon they had, a refusal to work.

Unarmed and poorly organized, they countered Magloire's seizure of power by simply staying home, by closing business establishments and paralyzing transportation.

Except for the wounding of a soldier last night, no blood was spilled. The people did not even attempt to demonstrate in the streets.

The strikes began Monday.

Behind that, however, lay months of feverish political activity, climaxed by Magloire's coup d'etat Dec. 6.

Judge Rolls Dice To Decide Sentence

OMAHA (AP) — When James S. Haynes came before Judge James O'Brien on gambling charges in Municipal Court the judge picked up the dice police had seized and rolled a seven.

"Seven is your number," Judge 'Brien told Haynes. "We'll roll them again. If we hit seven you're going to jail for 60 days."

The dice clattered in a silent courtroom and came up ten.

"Twenty-five dollars and costs," said the judge.

Scandinavians Celebrated Yule Before Xmas Season

The celebration of Yule is the Scandanavian counterpart of the Christmas season. The Yule was celebrated in Norway long before Christianity was accepted.

Yule was a heathen celebration honoring the sun as the time drew near in January for the sun to renew its strength and overcome the power of darkness. The sun does not set in Norway from the middle of May until the end of July, nor does it rise above the horizon from approximately November 20 to January 24. Varicolored Northern Lights are visible in winter.

During the two weeks of the Yule festival only the most urgent work is done by the people. Implements with wheels, such as wagons and spinningwheels, become still. According to belief permitting a wheel to move was a sacrilege against the holy sun for it might indicate that the people wanted the sun to move faster.

Customs Are Intermingled

Perfect peace, the theme during the two weeks, was extended to the realm of fish, bird and beast. Every trap and snare was removed and even fish nets were taken from the ocean and rivers.

Forebodings for the new year were taken from these 12 holy Christmas days. Each day the weather was recorded on one of the big logs under the rafters. If the first day were stormy, the whole first month of the next year would be stormy. A proverb, "If the Christmas signs do not fail," is taken from this custom.

The Great Festival came at the climax of the twelve holy days. Later when Christianity was introduced, Christmas was celebrated several weeks earlier than Yule. Heathen and Christian customs were then intermingled.

As Christmas is observed today in Norway, all preparations must be completed by St. Thomas' Day, December 21. Sufficient wood to keep the fires burning for two weeks must be cut by that time. Norwegians believe that if this is neglected, St. Thomas will come and take away the ax.

Baking, Brewing, Butchering

Likewise, must all baking, brewing and butchering be prepared by that day, or they will have some mishap with everything. A cake is placed on a shelf for St. Thomas before five o'clock Christmas Eve.

Christmas Eve dinner was an event in which the whole family participated. The dinner usually consisted of short ribs, different kinds of bread, cake and rice pudding. Into the rice pudding was placed one almond. The person who found the almond would be the first one to get married, according to legend. Every one left some pudding on his plate for the dead, who called during the night for their share of the feast.

The feeding of the Christmas ram or goat, supernatural beings, was part of the Christmas celebration. Barley was often placed in a shoe and put under the bed. If the ram did not eat the barley during the night before Christmas, the omen was that he was offended for some reason and would bring bad luck during the year.

Extra Meal For Animals

Not only supernatural beings had to be provided with extra food at Christmas. The domestic animal in many places would get an extra meal at about five o'clock. In feeding them they would say, "Eat well, keep well; this is Christmas Eve." Cattle would also be fed salt out of a cow-bell. This helped them, according to belief, to come home from the pasture in the evening of their own accord.

All these customs have with time become antiquated and are, generally, out of use today. One custom, carried out today not only in Norway but by Norwegians who have emigrated to foreign countries, is practiced in the homes. In Minnesota, Wisconsin, Illinois and North Dakota sheaves of grain are put upon poles in the yard, or on top of the barn. The sheaves are the largest and best selected at threshing time. They are put up on a spruce pole on which a large tuft of branches is left at the top. This provides a place where there is no snow for birds to rest after their meals. The snow is also removed from a large circle on the lawn where the birds can play between meals.

Hide All Brooms

A definite Halloween character is seen in the old Norwegian custom of hiding all the brooms in the house. On Christmas Eve, when darkness had conquered the light, the fear of evil beings fell over all the people. To drive away the witches and other uncanny beings, men went out in the yard and fired a shot. This has been transformed into "shooting in Christmas," or a Christmas salute. The young men went from farm to farm to shoot spirits away.

In order to prevent witches from coming down the chimney people would burn dry spruce which would send so many sparks that it would keep away the uninvited guests. Salt in the fire woul serve the same purpose.

A light left burning was supposed to drive away the evil spirits. Sometimes an extra large candle was made that would last all night. This was left burning on the hearth with a circle of salt around it. The candle and salt were both consecrated.

Yule Log Is Burned

The "Yule Log" was burned in most places since all evil shuns bright light, according to belief. This custom of burning the "Yule Log" was transferred from Norway into England in olden times.

Other safety devices used were placing steel over the stable and barn doors, and the sign of the cross was made over the different doors with a brush dipped in tar.

A light was always left burning in the window all Christmas night as a sign that any traveler is welcome to share the family's food and shelter.

Former Marines Meet Accidentally

MARIN, Ohio (AP) — Two former Marines who hadn't seen each other since 1945 met recently, but it wasn't a planned reunion.

R. Darl Caldwell, manager of a supermarket here, was robbed of $5,000 and kidnapped by four bandits. They dumped him, bound and gagged in a roadside ditch. Caldwell managed to free himself and hail a passing car.

In the car was Alfred Beley of Delaware, Ohio, who served with Caldwell in the Marine Corps during World War II. The two hadn't seen each other since April, 1945. They plan a less hurried get-together later.

MISSING THE BUS

PORTSMOUTH, Va. (AP) — Jack Dashiell says the most disconcerting thing that happens to him is to find himself standing on a street corner trying to catch a bus coming down the other side of the street. He stands there waiting for the "walk" light to flash on and watches the bus wheel out of sight. He labels this situation "bus-tration."

Taneytown

STUDENTS TRIM XMAS TREES FOR TB PATIENTS

Forty Christmas trees for bedside tables at the Henryton Tuberculosis Hospital were trimmed by the Seventh grade pupils of Taneytown High School, as a Christmas project. This is part of a county project known as "Operation Christmas" for Maryland State Tuberculosis Hospitals. The class donated the trees and made the decorations.

Small gifts to be distributed to children afflicted with cerebral palsy at an institution near Reisterstown are being made by FHA members as a club project.

The junior class will sponsor a Christmas record hop Saturday night, from eight until eleven o'clock.

A bake sale will be held by the senior class at the firemen's building December 15, at 3:30 p.m.

Musical wall decorations called wirettes are being sold by the band and orchestra. Proceeds will go toward music and band uniforms.

Christmas holidays will begin Friday, December 21, and school will reopen January 7.

Report Cards In January

The November-December marking period will close December 20. Report cards will be distributed in the early part of January.

E. M. Nuss, professor of education at Western Maryland College, spoke to the seniors December 10 about high school preparation for college.

St. Joseph's boys' and girls' varsity basketball teams will oppose Taneytown Friday at 7:30 p.m. on the local court. This is the first home game of the season.

Delbert Kohl will end his six weeks of practice teaching in problems of democracy, U.S. history and ninth grade general education under the supervision of Mrs. Urith Shipley and Mrs. Wallace Yingling. Mr. Kohl will spend his Christmas holidays in Florida.

Two Countians At Fort Benning, Ga.

Pvts. Carroll E. Parr, 22, son of Mr. and Mrs. Samuel Parr, Abbottstown R. 1, and Nelson H. Smith, son of Paul H. Smith, East Berlin R. 3, are receiving basic training with the 34th Infantry Division at Fort Benning, Ga. Smith entered the Army last month. He was graduated from Delone High School, McSherrystown, in 1952.

Hears Call For Help On Campus

SAN MARCOS, Tex., (AP) — Robin Remington, a Southwest Texas State College student, thought she heard a mournful call for help as she walked by the Fine Arts building on the way to an early class.

She spied a man peering out the second floor window.

He bashfully explained that was a new janitor, on his first day of work and had gotten locked in the night before.

FILIAL SYSTEM

MILWAUKEE (AP) — A suburban mother has worked out a system so she can sleep at night and know, if she awakens, if her two teen-age sons are home.

She has pictures of each boy on a table near her bedroom door. Each boy, when he comes home, turns his picture to the wall.

POLISH YOUTHS RIOT AGAINST RED BRUTALITY

WARSAW, Poland (AP) — Warsaw newspapers today reported a new clash between Polish and "hooligans" in the port city of Stettin.

The papers said a "gang" gathered outside a restaurant in Stettin (Szczecin) last night and tried to block the street in order to "start a new adventure." They added that police wielding clubs broke up the crowd in a few minutes.

The latest disorders followed a mob attack Monday night on the Soviet consulate in Stettin. Earlier the same night demonstrators attacked police headquarters, the local prosecutor's office and tried to break open the jail.

Protect Against Reds

The government press blamed hooligans for that incident, but other sources said the riot stemmed from a student demonstration protesting the Russian intervention in Hungary. Eighty-eight persons, mostly youths, were reported arrested in the Monday outburst.

The regime headed by anti-Stalinist Communist leader Wladyslaw Gomulka hurriedly apologized to Moscow for the attack on the consulate.

In contrast with the Monday disorders, the papers said, Stettin residents helped the police and applauded when they dispersed the rioters last night. Bystanders were accused of encouraging the Monday demonstrators by their "neutral attitude."

Antigovernment demonstrations were reported yesterday in other parts of Poland in the wake of the Stettin riots. These included an attack on a police building in Olecko, a town near Bialystok in northeastern Poland; a demonstration in which crowds destroyed municipal offices at Nowy Ciechocinek in the northern Midlands; and the beating of a Communist party secretary at Nieszawa in the same district.

MAYFLOWER IS REBUILT FOR FAMED VOYAGE

By DAVID L. BOWEN
The Associated Press

In the protected waters of an English Channel port, shipfitters are at work on a hull in deep contrast to the long slim steel shells of modern vessels.

This ship is made of oak, and its short squat shape easily marks it even to a landlubber as a throwback to an age gone by.

It is a throwback, all the way to the 17th century. The vessel is the Mayflower II — built from plans four years in the drawing to resemble in all important details the sluggish barque that carried the Pilgrim Fathers from the Old World to the New in 1620.

Mayflower II slid down the ways at Upham's Yard in Brixham on Sept. 22. During the winter she will be rigged, fitted with sails, and then begin trial runs. Next spring she will cast off with a crew of 21 to retrace the famous voyage of her predecessor across the Atlantic.

Eventually she will be permanently berthed at the Pilgrim Village which Plimoth Plantation, Inc., is reconstructing in Massachusetts two miles south of Plymouth Rock. On future Thanksgivings, she will serve as a mainstay of the restoration of the physical setting of the first permanent English settlement in America.

The cutaway drawing is based on the research of William A. Baker, a Bethlehem steel executive and marine architect who drew up builder's plans. An authority on 17th century ship design, Baker had dreamed for a lifetime of reproducing the Mayflower. The cost will be $280,000.

Americans had no direct part in originating plans for constructing the replica. The idea was conceived by a press officer for Field Marshall Montgomery in Africa. Impressed by wartime collaboration between Britain and the United States, Londoner Warwick Charlton decided something concrete should be done to tighten the bonds between the two nations in peace as well as war. The Mayflower project caught the imagination of the British as soon as it was broached. Hundreds of thousands of Britons have contributed to Project Mayflower Limited, the organization formed to build the ship as a gift to America. Thousands of others have volunteered for the privilege of sailing her across the Atlantic.

Ticklish Job

The captain's berth has already been assigned to Alan Villiers, an Australian with a passion for sailing ships and wide experience at sea. Happy wth the assignment, Villiers nonetheless looks on the voyage as a ticklish job. He is intent on getting an experienced crew, for if his assumptions are correct it will be no easy task to keep the Mayflower on her course.

The new Mayflower will carry modern navigational aids and radio. To conform with 20th century shipping rules, she must carry larger lights than the original and sail with her gun ports closed so no water can get between decks.

ASKS BIDS ON ROAD PROJECTS

HARRISBURG (AP) — The State Highways Department yesterday called for bids Jan. 4 on these highway improvement projects:

Lawrence—Construct 3.38 miles of Rt. 18 from near Moravia north toward Mahoningtown.

Montgomery — Construct 3.68 miles of Rt. 309 northeast of Ambler.

York—Construct 7.36 miles of U. S. 111, section 1A between Hometown and the Pennsylvania-Maryland line, divided concrete highway as part of the interstate system; construct 6.44 miles of U. S. 111 section 1B from near Loganville south to Hometown, divided concrete highway; construct a precast concrete bridge, over Willis Run on U. S. 111; construct a concrete bridge, paving a railroad crossing in Mount Wolf and Manchester on Rt. 716.

American bicycles cost 50 per cent less now than they did in 1900.

State Student Gives Up Post

HARRISBURG (AP) — David R. Scott, Pennsylvania State University student, resigned today as executive secretary of the Pennsylvania Federation of Young Republicans, effective Jan. 31.

Scott, former Centre County Young Republican chairman, said he resigned the post with regret but added "it is vitally improtant that I finish my final semester at the Pennsylvania State University."

K. L. Shirk Jr., Young Republican chairman, said it would be difficult to find someone who will "do the same type of job" as Scott has done for the federation.

There are an estimated 1,400,000 gasoline pumps in United States service stations.

Traffic Safety Control Head Outlines 3-Pronged Program To Reduce Highway Deaths

By RICHARD L. GRAVES

HARRISBURG (AP) — The executive director of Gov. Leader's new Traffic Safety Council today outlined a three-pronged program aimed at reducing the state's grim total of highway casualties.

Dr. Amos E. Neyhart of Pennsylvania State University said his plan called for emphasis on education, examination and inspection. He added his ideas "are suggestions only. The council will decide the program."

He suggested the tentative program as the council went into its first meeting here for the purpose of organization. Gov. Leader and other state officials were invited to address the meeting.

On education, Neyhart said the state should consider "employing a stiffer driver examination."

On Probation

"And when they pass the examination I believe drivers should be on probation for two years. Let them prove they are worthy," Neyhart said. He is founder and director of the Penn State Institute of Public Safety.

"Anybody who gets more than two motor violations should be called before a license board to show cause why their license should not be revoked," he added.

"Many thousands of Pennsylvania drivers have never taken a test at all," Neyhart noted.

"I believe there should be re-examination of drivers every three years," he added. "It can be done. Why can't we raise the license fee a little bit, then have a full, competent staff to re-examine drivers? It should be a staff of professional people."

Neyhart estimated the cost of setting up such a re-examination program "would probably cost more than a dollar" additional to the present state license fee.

He added that proper driver examination takes about 30 minutes.

Need Program

"Further, I believe the major job to be done is in education," Neyhart contended. "we need a very careful training program. It seems terrible to me to license anyone unless he has had a complete and through training program."

The agenda of the initial meeting called for discussion of Neyhart's proposals plus discussion of legalization of radar, standardization of traffic codes and possible traffic safety legislation.

So far in 1956 1,439 people have been killed on Pennsylvania highways. The total for all of 1955 was 1,727 killed and 147,800 injured. The estimated loss in property damaged, wages and insurance last year was more than 97 million dollars, the Bureau of Highway Safety reported.

However, the National Safety Council reported Pennsylvania's death rate per 100 million miles traveled is 4.6, compared to a national average of 6.0.

The biggest death total on Pennsylvania highways was in 1936 when 2,564 persons were killed.

As part of his education suggestions Neyhart said there should be special training programs for commercial vehicle operators conducted by the firm employing the operator. This would include trucks, busses, taxi cabs and other commercial vehicles.

"And not only should each community have a school driver education program, but there should be an adult driver education program in each community," he declared.

In addition, Neyhart said, the state must reinforce its vehicle inspection program.

"Compulsory inspection is wonderful, but we should also have spot checks to implement inspection. In that way individuals would be under pressure to keep their vehicles in top condition."

Turning to highways, Neyhart said one of the nation's prime problems is to set up an "adequate" road program. He said the national 300 billion plan is a step in the right direction, but added "our highways are 20 years behind times now."

Lapland Reindeer In Pittsburgh Zoo

PITTSBURGH (AP)—Otto and Helga, two genuine Lapland reindeer, are at the Highland Park Zoo today and have a couple of standins for the Christmas season — two mule deer.

Otto and Helga were brought here by the Mellon Bank which planned to display them through the Christmas season in the bank rotunda. But one day was enough for the reindeer. Crowds made them nervous, so they were placed in quiet quarters at the zoo. The mule deer took their places at the bank.

The Apache and Navajo, two of Arizona's fourteen counties, have Indian populations that equal or exceed the white populations.

Girl Scouters Busy

Seven girls of the York Springs Intermediate Troop 19 finished their weaving badge recently with Mrs. Milo Gallinger of Brown's Dam, East Berlin. Each girl had made a rug and five or six smaller pieces, scarves, belts and bags. Four girls surprised Mrs. Gallinger with a dramatization of "The Emperor's New Clothes" by Hans C. Anderson. In the regular troop meeting the other girls have made tallow candles and Christmas tree ornaments. They are packing a box of toys for underprivileged children. The whole troop of 29 girls will go caroling in York Springs on the evening of December 19.

Girl, 4, Dying Of Lukemia, To Have Christmas Party Tonight

MILTON, Pa. (AP) — Kay Necci isn't old enough to realize that Christmas comes Dec. 25—not Dec. 13.

But tonight will be Christmas for Kay.

Her mother and father, her sister and brother and some of her friends know only too well that there is little medical science can do for leukemia. And several physicians have said they are amazed the 4-year-old "has lasted this long."

John Necci, a barber, and his wife have taken her to dozens of doctors and to several hospitals—hoping against hope that something could be done.

But now they too have lost hope. "She seems to be doing pretty well at times but the doctors in Philadelphia told me several weeks ago that it can't be long anymore," Mrs. Necci said.

Last week the "hopeless" word began to spread. Parishioners of St. Joseph's Catholic Church decided to make sure Kay has her Christmas regardless.

They have collected dozens of presents, wrapped them in gay Christmas paper and will give them to the little girl tonight.

"We haven't told her any more than she has 'bad blood' and that she will get all right," Necci said. "But we know that it's just a matter of a short time."

"Maybe she will make it through Christmas, but we're not taking any chances. You just can't afford to in cases like this."

So little Kay is busy getting in and out of her new party dress to make sure that she looks just right for her "special Christmas party."

Her sister, Carol, 13, and her brother, John, 10, are both playing along with the Dec. 13 Christmas.

"After all . . . Christmas is any day in the year . . . it's a feeling you get and have to sometimes enjoy when it comes because it might be too late to ever enjoy it if you wait," Necci said.

CLAIMS 32,000 WERE SLAIN IN ANTI-RED BOLT

NEW DELHI, India (AP)—Prime Minister Nehru said today Indian diplomats who recently visited Hungary reported that about 25,000 Hungarians and 7,000 Russians were killed in the anti-Soviet revolt.

This was the first estimate of Russian casualties in the Soviet tank and troop action to crush the Hungarian rebellion against communism. Previous unofficial estimates of Hungarian killed have ranged between 20,000 and 50,000.

Reporting to Parliament on Hungary, Nehru said J. N. Khosla, Indian minister to Czechoslovakia, and K. P. S. Menon, ambassador to Moscow and Budapest, reported to him that what happened was a "revolution and a national one." He added that Russian intervention "was not justified."

Red Contention

The prime minister said that the way to bring "real peace and stability" in the world is by the withdrawal of "all foreign forces from every country — in Europe particularly."

This is a standard Soviet contention. The West has rejected it steadily, claiming that withdrawal by the United States back across the Atlantic would leave Western Europe exposed to Communist aggression from vast Soviet armies which would only have to pull back to Russia's western border.

The Indian leader told a news conference of American correspondents earlier that the United States should "take the bull by the horns and deal with Russia" for a Middle East settlement. He implied that such an agreement might halt the arms flow to that explosive area.

Can Ease Tension

"Any kind of big or little, regional or general settlement which the United States and Russia can achieve will ease tensions and make a Middle East solution easier," Nehru declared.

The Prime Minister met with the U. S. newsmen as a prelude to his departure Friday for the United States to visit President Eisenhower.

Take notice that the undersigned incorporators of Littlestown Little Leagues intend to apply to the Court of Common Pleas of Adams County, Pennsylvania, on Monday, December 17, 1956, at 10:00 o'clock, a.m., E.S.T., for a charter as a non-profit corporation under the provisions of the Non-profit Corporation Law of the Commonwealth of Pennsylvania, Act. of 1933, P. L. 289. The purposes of the proposed corporation are: To promote the general public welfare of the community and to combat juvenile delinquency by implanting firmly in the youth of the community the ideals of good sportsmanship, honesty, loyalty, courage and reverence so that they may be finer, stronger and happier boys and will grow to be good, clean, healthy men; to provide and supervise competitive, athletic games, recreational facilities and playgrounds for youth, and to do all things necessary or essential to effect the foregoing purposes. The corporation does not contemplate pecuniary gain or profit, incidental or otherwise, to its members. Articles of Incorporation were filed in the Office of the Prothonotary of Adams County, Pennsylvania, on December 13, 1956.

$100,000 Blaze In North Wales

LANSDALE, Pa. (AP)—A fire in the nearby borough of North Wales wrecked the main foundry building of King's Foundries last night. A company spokesman said damages might reach $100,000.

The flames caved in the roof of the building, a one-story brick structure 250 feet long. The fire was discovered by workers reporting for the night shift. It became visible 10 miles away.

Four Montgomery County fire companies fought the flames. The cause was not determined.

Fireman Ralph Quinn, 28, of North Wales suffered a nail puncture of a foot.

Commonwealth Garage, 22nd & Forster Sts., Harrisburg, Penna.

CHASE LEADER FROM MEETING OF UNION 1048

MCKEESPORT, Pa. (AP)—A meeting of local 1048 of the United Steelworkers broke up in confusion last night with some angry members chasing the local president, John J. Donahoe out of the hall.

The meeting was called to endorse candidates for international union offices. Some members said that Donahoe refused to accept their nomination of Don Rarick for president to oppose President David J. McDonald at the union's election in February.

After Donahoe reportedly said that McDonald had been endorsed, a group of members surged toward the rostrum. In the scuffle, Donahoe lost his glasses and was knocked down twice before he started running.

Chased Down Street

Some members pursued Donahoe down a street and he disappeared. Police, who rushed to the scene in two squad cars, said no arrests were made. Apparently unhurt, Donahoe telephoned the Pittsburgh Post-Gazette later to say McDonald had been endorsed by "acclamation."

Rarick, chairman of a self-styled "dues protest committee" within the union, must have endorsements by 40 of the union's some 2,700 union locals by midnight Friday if his name is to be on the ballot.

The USW has not revealed how many locals have endorsed Rarick, a $6,500-a-year employe of the nearby Irvin Works of U. S. Steel Corp.

Rarick began his protest movement after the national USW convention in September increased dues $2 a month. They are now $5 monthly.

The Rarick group has been seeking to have the USW call a special convention to act on the matter. However, the USW international executive board has ruled a special convention can be called for "new business" only—and has emphasized the dues rate is not "new business."

Netherlands holds the record for longevity: average life expectancy for a Dutch woman is 72.9 years.

Orrtanna

ORRTANNA — The Mt. Carmel EUB Sunday School will present its Christmas program Thursday evening, December 20, at 7:30. Rev. Roger Burtner is the pastor.

Herbert Wetzel has returned to Pennsylvania State University after spending the weekend with his parents, Mr. and Mrs. Dale Wetzel.

Luther Wetzel and son, John, Orrtanna; Melvin, Ira and Glenn Herring, Cashtown, returned home from a hunting trip in Tioga County. Also included in the group were Mr. and Mrs. Kermit Wetzel, Solley, Md., who returned to their home on Sunday.

ADVERTISE IN THE TIMES

MAY CONDUCT PROBE OF RR, UNION DISPUTE

CHICAGO (AP)—The contract dispute between the nation's major railroads and the Brotherhood of Railroad Trainmen, representing some 135,000 operating workers, appeared headed today to a presidential fact-finding board.

Mediation of the dispute ended yesterday when the union said it had rejected final wage and other proposals offered by 140 carriers. The trainmen also turned down an offer of arbitration extended by Leverett Edwards, member of the National (Railway) Mediation Board.

No strike vote has been taken by the union. Appointment of a fact-finding board to investigate the dispute and make recommendations for a settlement would put off any strike for 60 days.

Reject Increase

The union rejected an offer of a 26½ cents an hour wage increase, saying the carriers declined demands for seven paid holidays and insisted on a three year moratorium on changes in wage and working conditions.

The union originally asked for a $3 a day basic increase, plus seven paid holidays. The railroads have been negotiating on a new contract with the trainmen and two other unions since Sept. 5. Mediators came in on Oct. 5. Still in mediation are the Switchmen's Union of North America, with 8,000 members, and the Order of Railway Conductors and Brakemen, with 20,000.

The familiar folding fan, used by Japanese girls to hide their blushes, was invented in Japan in 670 A. D.

STATE TEACHERS PONDER ANOTHER RAISE REQUEST

HARRISBURG (AP) — The question facing Pennsylvania's organized teachers is whether or not to ask the 1957 Legislature for another full-scale salary increase.

The teachers last spring won a $100 cost-of-living bonus for the current school year and an extra $200 a year permanent boost in each the 1957-1958 and 1958-59 school years.

How would a request for another round of salary boosts, less than a year after enactment of the 1956 program, stand with the lawmakers next year?

It's this question that the Pennsylvania State Education Assn., claiming a membership of more than 65,000, will have to resolve at its 104th annual convention in Harrisburg Dec. 27-28-29.

No Recommendations

For the first time in recent years, the PSEA legislation committee failed to come up with teacher salary recommendations in its pre-convention report.

Kermit M. Stover, committee chairman, said, however, a subcommittee plans to meet soon to decide on salary recommendations.

Neither he nor Harvey E. Gayman, PSEA executive secretary, would speculate on what the subcommittee will recommend.

The 1955-56 Legislature, in a marathon session, approved a $3,600 a year minimum salary for all teachers in the state with maximums eligible for state aid fixed at $5,800 a year.

Progressive increases are provided so that within a few years the least qualified teacher can expect a salary of $5,000 a year.

School Reimbursement

The PSEA legislation committee, however, called for action on a 34 million dollar appropriation to reimburse school districts for the extra salary boost to teachers.

Gov. Leader vetoed the state subsidy measure on grounds that there wasn't enough money available and school districts had to shoulder the cost entirely from local funds.

The committee called for a penalty provision against school districts who fail to pay teachers on time. Payless paydays have occurred in financial distressed school districts in the coal region.

Taneytown

TANEYTOWN — Mr. and Mrs. Everet Cobb, Washington, D. C., spent the weekend with Mrs. Cobb's parents, Mr. and Mrs. Charles R. Arnold.

Mr. and Mrs. Francis Null, Arlington, Va., were Sunday guests of Mr. Null's uncle and aunt, Mr. and Mrs. Raymond Wantz.

Mrs. Charles R. Arnold spent several days recently with her son-in-law and daughter, Mr. and Mrs. Jack Rosenwald and family, Utica, Md.

Mr. and Mrs. William King, Westminster, Mr. and Mrs. Vernon Keefer and sons, Larry and Douglas, Bonneauville, were recent guests of Mr. and Mrs. Walter Hiltebrick, Emmitsburg Rd.

Mrs. Richard Rinehart and son, Barry, Westminster, spent the past week with her parents, Mr. and Mrs. Robert Miller, Jr., Teeter Rd.

Miss Elya Carpenter and John McKinney, Washington D. C., were Sunday guests of Mr. and Mrs. A. H. Carpenter, R. D.

Mr. and Mrs. Dean Sholl and family were Sunday dinner guests of Mr. and Mrs. Howard Brown, Westminster.

Mr. and Mrs. William Myers, R. D., recently entertained a group of 40 friends from Hanover, Baltimore and Taneytown, in honor of Mr. and Mrs. Charles Fowler who were married Saturday at 4 p.m. in The Holy Family Church at Randallstown. Mr. and Mrs. Myers were attendants for the couple.

Mrs. Clyde Hesson entertained the Triple Three Bridge Club Monday evening at her home, E. Baltimore St.

Mrs. Edna Rentzel, Uniontown, visited friends in Taneytown on Tuesday.

CRUCIAL PERIOD JUST AHEAD FOR BUSINESS BOOM

NEW YORK (AP)—Two chief supports of the business boom are heading into testing periods.

Consumer spending has been the mainstay of the record prosperity, taking up where government spending left off after the Korean War.

Business expansion has been the extra force which has stretched these good times month after month.

Have Large Stocks

Merchants everywhere are seeing a real test of consumer spending moods today, mid point in the Christmas selling season. They have large stocks bet on this being their biggest holiday of trade. If it isn't, the January clearance sales should be whoppers.

Car makers here for the National Auto Show are watching the mood just as closely. They have bet large sums on it too. Their test will come early in the new year when their dealers' showrooms fill up with the new models, now mostly in short supply.

How the consumers react may give a tipoff whether the business boom is leveling off or just getting set for a new jump forward.

Business expansion plans are also up for a test. So far there has been no slackening. On the contrary, Washington officials look for the first three months of 1957 to set a new peak in spending for new plants, and even more spending for new equipment.

Test Just Ahead

The Commerce Department and the Securities and Exchange Commission look for business spending to reach a record annual rate of 38 billion dollars in the first quarter, a gain of 8 per cent over the same period of this year. For all of 1956 their estimate is that 35 billion was spent on business expansion.

The test will come in the next few months, however, in businessmen's future plans.

The spending in the next three months is pretty much set by long-standing plans. What officials are wondering now is whether this great expansion is now nearing its end — whether announcements of future plan will be as heartening as those of the past — whether some programs may be shelved because of tight money or the international uncertainties.

ADVERTISE IN THE TIMES

Two Policemen Injured In Crash

HARRISBURG (AP) — Two state policemen and three other persons were injured on Tuesday in a collision of a state police automobile and a tractor-trailer at Front and Forester streets, near the M. Harvey Taylor Bridge over the Susquehanna River.

The troopers injured were John P. Forbes, 32, Harrisburg, and Frederick W. Bainbridge, 27, Lebanon. Forbes suffered cuts of the forehead, eye and right hand. Bainbridge suffers cuts of the right elbow and eye. The other three involved in the accident also were not seriously hurt.

Traffic Officer Leo J. Bartel said the truck was proceeding west and the state police car was heading south at the time of the collision.

A 16-ounce bottle of honey holds the essence of two million flower blossoms.

OUTLAWED IRISH STAGE RAIDS IN NORTH IRELAND

BELFAST, Northern Ireland (AP) — The outlawed Irish Republican army staged a mass raid at 12 points in British North Ireland Wednesday, causing an estimated million dollars worth of damage.

Before they were beaten back by the Royal Ulster Constabulary, the invaders blew up a $100,000 British Broadcasting Corp., radio transmitter, two buildings, and two bridges, set fire to a courthouse and tried to capture a military barracks.

They set off what police described as "a night of terror" along a line stretching almost 200 miles across Northern Ireland—Ulster. Five of Ulster's six counties were affected.

A policeman was wounded slightly and five raiders were captured before the invaders fled. Police said at least three of those who escaped were wounded. The constable found two bullet-ridded cars, machineguns and hundreds of rounds of ammunition.

Heavy detachments of constabulary, and helicopters and police dogs were thrown into the hunt for the fleeing invaders. Barbed-wire roadblocks were thrown up at the wooded and mountainous border with the Irish Republic. But police said the main body of the raiders apparently had escaped across the border.

Police said the raid apparently was a show of strength on the part of IRA leaders to discourage any bid for control by dissident factions within its own ranks. Breakaway groups within the IRA have recently staged minor raids on British customs posts.

The main purpose of the underground organization—outlawed by both the British and the Irish Republic—is to have the six counties of Ulster made a part of the Irish Republic.

Clear Men Of Flogging Charges

BUSHNELL, Fla. (AP) — Seven white men were cleared Wednesday of charges of flogging Jesse Woods, 39-year-old Negro who had been forcibly taken from nearby Wildwood Jail.

The men were cleared on a directed verdict by Circuit Judge T. G. Futch after State Atty. A. P. Buie himself asked that four of the men be freed.

The case blew wide open when Buie complained that witnesses changed their stories when they came into Sumter County Courthouse to testify.

NATO CONSIDERS EFFECTS OF ANY NEW OUTBREAKS

PARIS (AP) — Political leaders of the Atlantic Alliance continue discussion of the challenge to their defense strategy that would result if more Soviet satellites follow Hungary in revolt against Moscow's domination.

West German Foreign Minister Heinrich von Brentano, leading off the second day's speeches at the North Atlantic Treaty Council's crucial current session, was expected to warn of acute danger should rebellion break out in East Germany thereby generating pressure in West Germany for Western aid to the rebels.

Any military intervention in such a situation already has been ruled out by U. S. Secretary of State Dulles, who told the council members yesterday they must adhere strictly to principles of the U. N. Charter, including renunciation of force as an instrument of national policy. Dulles said the free world must use every form of moral pressure to aid the seekers for freedom behind the Iron Curtain.

Security Blackout

The ministers met under the tightest security blackout ever seen at NATO headquarters.

Delegation spokesmen, who had been ready to talk in the past, clammed up this time with two notable exceptions: the text of the opening speech by Italian Foreign Minister Gaetano Martino, chairman of the meeting, was distributed, and an extended abstract of Dulles' speech was circulated.

The rift between Britain and France and the United States over the Egyptian invasion appeared to be virtually patched as a result of private talks Dulles had with British Foreign Secretary Selwyn Lloyd and French Foreign Minister Christian Pineau before the council session got under way. They conferred again last night.

UNITED NATIONS, N. Y. (AP) — The Security Council has recommended unanimously that Japan be admitted to the United Nations as its 80th member.

The council's action opened the way for quick final action in the 79-nation General Assembly where approval was only a formality.

RULES ARE SET FOR FLY FISHING

HARRISBURG (AP) — The State Fish Commission has set up a uniform set of regulations which will apply during the 1957 season to all waters set aside for fly fishing in Pennsylvania.

William Voigt Jr., fish commission executive director said on Tuesday the plan will do away with "a wide variety" of special regulations that were enforced in 1956 on portions of 15 trout streams and two lakes.

Voigt said the new plan was recommended by the commission's Law Enforcement Division and fisheries managers.

The uniform regulations call for:

1. Fishing limited to artificial flies and streamers only.
2. Possession of bait fish and fish bait illegal.
3. Fishing hours: 5 a.m. to 9 p.m., EST.
4. Minimum size: 9 inches.
5. Daily creel limit: 6 trout, combined species.

An airliner took off on a flight within the United States more than once every eleven seconds during 1955, Civil Aeronautics Administration studies show.

ASK 15 FIRMS TO POOL OIL

WASHINGTON (AP)—The government formally asked 15 U. S. oil firms on Tuesday to pool their resources, reroute tanker fleets and swap markets in an effort to relieve petroleum shortages in Western Europe.

The aim is to replace some of the Middle Eastern oil lost to Europe through the blocking of the Suez Canal and thus stave off suffering, unemployment and perhaps depression.

The plan, drafted by the 15 companies participating, is designed to increase by about 850,000 barrels of oil daily the normal tanker movement from U. S. Gulf ports and, to a small extent, from Venezuela.

About 500,000 barrels will go to Europe and the rest to Atlantic Coast ports in the United States and Canada to replace oil which formerly came from the Middle East fields.

The only sun-cured tobacco market in the world is in Richmond, Va.

Woman Motorist Drowns In Canal

PHOENIXVILLE, Pa. (AP)—A 54-year-old civilian woman clerk at the Valley Forge Army Hospital drowned Wednesday when she apparently lost control of her car and plunged into the old Schuylkill Navigation Co. Canal a short distance east of Phoenixville.

The body of Mrs. Elmer E. Schaeffer Sr. of Phoenixville, was recovered from the canal later.

Police said she was on her way to work at the time, driving along a dirt road running beside the canal which parallels the Schuylkill River.

BANK TELLER CHARGED WITH EMBEZZLEMENT

WILKES-BARRE, Pa. (AP) — Roy H. Thomas, 48, a teller at the Markle Bank and Trust Co. in Hazleton for 15 years, was being held today for grand jury action on charges he embezzled $19,288 during the past two years.

At a hearing on Tuesday before U.S. Commissioner John T. Mulhall, Thomas was accused of taking the money from deposits for savings accounts. The funds were insured.

Thomas entered no plea and was held after he was unable to raise $2,500 bail. He was arrested by the FBI on a warrant issued by U.S. Atty. J. Julius Levy.

Investigators said the embezzlement charged was discovered after a bank customer presented a pass book for a savings account while Thomas was on vacation last week. Another teller noted a $500 discrepancy, they said.

Thomas is married and has a son in college. He would face a $5,000 fine and five years imprisonment as a maximum penalty if convicted. He was lodged in the Luzerne County jail.

By THE ASSOCIATED PRESS

WINCHESTER, England (AP) — Adm. Sir Frederic Dreyer, 78, flag captain to Lord Jellicoe at the Battle of Jutland in World War I, who entered the Royal Navy in 1891 and became one of the service's foremost gunnery experts, died on Tuesday.

PHILADELPHIA (AP) — Richard Henry Buck, 88, a lyricist, who collaborated in writing "Kentucky Babe" and several other popular songs, died Monday.

Buick's New Century Hardtop for 1957

The racy lines of Buick's dream car styling for 1957 lend themselves to the grace and beauty of the new Century. Long recognized as one of the outstanding performers on the highway, the nimble Century has been given new agility in the form of a 300-horsepower V-8 engine with 10-to-1 compression ratio. Bigger panoramic windshields, three-piece rear windows, new front and rear design and completely new chassis are featured on the new shoulder-high Century.

PUSH PROBE OF MANY KILLINGS

OAKLAND, Calif. (AP) — Alameda County sheriff's officers have renewed their questioning of toothless Stephen Nash, self-styled 'rotten, coldhearted" killer.

On Tuesday he told authorities they "hadn't scratched the surface" in investigating five killings he had confessed . . . and promptly confessed six more.

He said four of the six killings were in Los Angeles, one here and one in Sacramento, Calif.

Today's search will try to locate the lake in which Nash said he dumped the body of a Mexican boy. He said the youth tried to rob him.

"We don't know whether to believe him or not," said Sheriff's Capt. Frank Madigan, "but we know he's killed five. I don't know why it might not be eleven."

Nash said, "I had my sights set on 16."

Lithuanian Commy Pleads For Strength

MOSCOW (AP) — The head of Lithuania's Communist party has called for a strengthening of ideological work after admitting that events in Hungary have encouraged Lithuanian nationalists "to raise their heads."

Antanas Snechkus, first secretary of the party in Soviet Lithuania, declared in a major speech that "bourgeois nationalist elements and their various accomplices" are attacking the Lithuanian Communist party.

Copies of the official Lithuanian Communist party newspaper containing Snechkus' speech were received in Moscow.

The Soviet Union annexed the small Baltic republic of Lithuania in 1940 along with neighboring Latvia and Estonia.

Anti - Communist activity also was reported in a speech by Antonin Novotny, Czechoslovakia's Communist party boss.

GOVERNOR TURNS TO IKE FOR HELP IN 9 COUNTIES

HARRISBURG (AP)—Gov. Leader looked to President Eisenhower today for federal aid to help farmers in nine western Pennsylvania counties who he said are "really up against it" due to rain crop damage.

Leader on Tuesday asked the President to declare the counties a distress area and thereby make those farmers eligible for federal aid.

The governor told his weekly news conference that excessive rains ruined grain and hay crops in Butler, Clarion, Crawford, Erie, Lawrence, Mercer, Forest, Venango and Warren counties.

"If approved by Washington," Leader pointed out, "distressed farmers of the nine-county area could expect to be placed on the same basis as farmers in disaster counties in Ohio."

The Ohio farmers he spoke of are receiving government certificates worth $1.50 toward the purchase of 100-pound lots of surplus corn, oats, barley and similar feed grains.

The Pennsylvania U. S. Agriculture Disaster Committee asked Leader to make the presidential request because of what it said was 'sufficient evidence" of crop damage approaching acute disaster conditions in the area.

The committee found that rain in the area from April through September average more than 33 inches—and as much as 43 in Crawford County alone—thus dropping feed grain crops to as much as 25 per cent below normal and the quantity of hay from 20 to 60 per cent of normal.

In other developments at the news conference:

Legislature—The governor said he would ask the Republican-controlled legislature for permission to make a formal "State of the Commonwealth" type address when it convenes Jan. 1.

Decision Needed

Taxes—A lot of decision still must be made, Leader said, before he makes up his mind on a tax program in the next Legislature.

State Leases—Leader said he has established "a strict policy" that leases for state office space throughout the state must be negotiated on the basis "the mos advantageous site a. the least cost."

He made the statement to reply to a proposal by Sen. Mahany (R-Crawford) that the 1957 Legislature investigate real estate leases issued during the Leader administration.

Turnpike Vacancy—The governor described as "a hard question' a query by a newsman as to whether he plans to name Highways Secretary Joseph J. Lawler to the Pennsylvania Turnpike Commision.

Studies Vacancy

"I am considering filling a vacancy on the Turnpike Commission—end of statement," he said in advising newsmen not to read anything else into his statement.

Lawler is a member of the commission by virtue of his office as highways secretary. There has been some speculation that he may leave the Highways Department post to take the full-time turnpike post vacated by the recent death of David E. Wason, Philadelphia GOP chairman.

Personnel—Leader said he had no thought of changing his personnel policies when he was asked about reports that Democrats are blaming activities of Republican holdovers for Democratic loss of control of the Legislature.

LIGHT UP HIS CHRISTMAS with a sleekly styled lighter; this one has a handsome cross-hatch finish and easy-fuel swivel base. Ronson's "Essex."

MASS SITDOWN STRIKES HAITI

By RELMAN MORIN

MIAMI, Fla. (AP) — Terror and confusion swept Haiti Wednesday as a boiling political crisis — which the present regime says has been "aggravated by Amercan government organizations" — headed toward a showdown.

The country is virtually paralyzed by a silent but deadly weapon, a mass sitdown, the refusal of thousands of persons to work.

Its object is to force bull-chested Gen. Paul E. Magloire to step out of the gleaming white palace in Port-au-Prince, the capital, and permit general elections for a new president.

It is cutting into the supplies of food from the countryside, closing stores, crippling transportation by starving gasoline stations.

The law courts have suspended, telephone communications are sketchy when they operate at all, and pistol-packing army officers are stationed in communications offices censoring all messages, press or personal.

Soldiers and sailors are patrolling the streets.

NEW RIOTINGS REPORTED FROM POLAND; JAIL 88

WARSAW (AP) — New anti-government violence was reported in Poland Wednesday in the wake of the mob attack on the Soviet consulate at Stettin. Eighty-eight persons, many of them youths, were reported jailed for the Stettin riot.

Trybuna Ludu, official organ of the Polish United Workers (Communist) party, disclosed a crowd attacked a police building in Olecko, a town near the northeastern city of Bialystok.

The Communist paper reported that crowds demolished municipal offices at Nowy Ciechocinek in the northern midlands.

Other demonstrators beat up a local Communist party secretary at Nieszawa, in the same district.

The paper added: "More such incidents can be reported."

Apologize For Attack

Poland's nationalist Communist government, seeking to avert any repetition of the Soviet military intervention in Hungary, sped an apology to the Soviets for the attack on the Russian consulate in the outburst at Steettin (Szczzecin) Monday nigh.

Newspapers which first played down the riots as drunken hooliganism reported that the demonstrators attacked police headquarters and the local prosecutor's office and tried to break open the jail.

These reports said the rioters were dispersed from the jail by security troops and police using tear gas.

The attack on the Soviet consulate followed two hours later. The demonstrators got inside the building and damaged furniture. The papers did not report what happened to the consulate staff.

Many Pupils Arrested

Among those reported arrested were many pupils of city technical schools who started demonstrating to protest against Russian intervention in Hungary. The papers said others held included "unemployed, known hooligans and up to a score of common criminals released from jails in the recent amnesty."

Trybuna claimed the Stettin riot began with an attack on a policeman escorting an unruly drunk. The paper said a crowd of hooligans gathered, overturned the police car, then broke up into groups for attacks on police headquarters and other buildings.

The published reports made clear that the Stettin incident was the gravest outburst of disorder in Poland since the Poznan "freedom riots" last June, when at least 53 persons were killed and hundreds wounded in a three-day demonstration. But a reliable source in Stettin said the demonstration was broken up without shooting or "undue violence."

Christopher Columbus discovered Nicaragua in 1502 on his fourth voyage to the New World.

SEEK MEETING WITH EGYPTIANS

PARIS (AP) — Western diplomats say Britain and France are seeking an early meeting with Egypt to settle the Suez Canal controversy.

The two Western powers were said to have indicated clearly at the current NATO meeting here that they now will accept less than full international control of the waterway.

Britain, France, the United States and 15 other nations previously have backed a plan calling for creation of an international authority to run the canal. Egypt rejected the international control, saying it would infringe on Egyptian sovereignty.

Secretary of State Dulles was reported to be firmly supporting the new Western approach, which envisages a resumption of negotiations by the British, French and Egyptian foreign ministers and U.N. Secretary General Dag Hammarskjold.

The informants said Britain and France want to negotiate on the basis of the six principles adopted by the U.N. Security Council and Egypt on the canal's operation, tion of those points.

GET SEWAGE CHECKS

HARRISBURG (AP) — Checks for $1,788,188 are en route by mail today to 125 municipalities as state aid for sewage treatment plant construction.

The grants are for the year 1955 and amount to 2 per cent of the cost of construction of plants under the clean streams program.

Mummy Powder

The mummy—tangible evidence against decay and suggestive of life after death—was once reported to possess great healing powers. Oddly enough, several of the compounds used by the Egyptians to prepare their dead for burial are employed today in medicine. Turpentine and phenol, which are useful in treating certain skin conditions, are but two examples.

For over 4,000 years the dispenser of drugs has been an esteemed member of his community. Great progress has been made during those years. As pharmacists, we are proud of our function in the distribution of medical supplies.

Penn State Acts To Prevent Further Pollution Of Water

UNIVERSITY PARK, Pa. (AP) — Pennsylvania State University officials today took "strict and effective" steps to prevent any further stream pollution such as that which recently destroyed some $100,000 worth of trout in Centre County.

Shortly after the school heads yesterday took "full responsibility" for the Nov. 30 destruction of 176,000 trout through accidental poisoning, Dr. Eric A. Walker, university president, said in a statement:

"I greatly regret that Penn State, which has long been associated with so many constructive conservation projects, should become unwitting party to this very unfortunate experience.

"We are taking steps to see that strict and effective procedures are set up to prevent any reoccurence of this kind."

Finds Poison Discharge

An earlier university statement said that an investigation started by Dr. Walker uncovered the poison discharge into the university's sewage treatment works.

The statement said the discharge —electroplating material with a high concentration of sodium cyanide—entered Benner Spring and State Fish Commission hatcheries in Upper Spring Creek in the area of "Fisherman's Paradise."

The "paradise" is a state-operated trout fishing pond.

William Voigt Jr., fish commission executive director, said that only prompt action by the commission's field force averted destruction of up to a million trout in hatcheries along the area.

The university said the electroplating materials had been used for 10 years to plate metals in the U. S. Navy Ordnance Research Laboratory on the campus. The school said the solution was ordered dumped Nov. 30, to make room for a new solution.

Gov. Leader said there was a possibility that some sort of settlement would be sought from the U.S. Navy.

"I have complete confidence that the problem can be worked out without carrying it to the Legislature," Leader told his weekly news conference.

May Reimburse Fund

This last was in answer to a question on whether he would ask the General Assembly to pass a special appropriation to reimburse the fish fund for the loss.

He said Voigt will meet with Penn State officials soon to "work out some sort of settlement."

The question of recovery of damages from Penn State was handled cautiously by officials of state agencies since the school is financed by appropriations from the state's general fund and the Fish Commission is financed with revenue received in license fes.

Dr. Berwyn F. Mattison, state halth secretary, said the Sanitary Water Board will look into the matter at its next meeting Dec. 19 and 20.

The board enforces the state's clean streams law.

Can't Sue School

"Whatever action is possible and proper to take will be taken," Dr. Mattison said.

Robert J. Trace, depty, atty. gen. assigned to the board, said it was his opinion that the university could not be sued for the fish loss.

"Frankly," he said, "I think Penn State is immuned from suit."

Voigt said he did not know what the "correct course" would be for the commission to recover the value of the fish killed.

At the same time Voigt praised Dr. Walker and the university for putting its facilities to work in seeking the source of the pollution.

RECORD CROP OF GAMES OUT FOR ALL AGE GROUPS

The high cost of baby sitters and the high popularity of television have increased the time the average family spends at home — and also has inspired a record new crop of games slanted to interest age groups from toddlers to adults.

The presidential election has influenced a number of games keyed to family participation. Newest is "Men of Destiny," which bases competition on quiz questions related to American presidents and events of their terms.

Another new game with broad age appeal is "Rack-O," a card game based on completing or breaking numerical sequences begun by two or four players. It provides quick-action fun that works wonders in improving Junior's arithmetic grades.

Also new is "Test Driver," a game which bases play on a three-dimensional replica of an automobile testing ground. Players put cars through stiff road tests, operating them with magnets.

Sport Games Popular

Sport games are popular as a focus for family fun. New triple play value is provided by "Football and Baseball," for example. Players throw feathered rubber suction darts at a target which whirls when struck. After each play is registered on the scoring board beneath, teams on the playing board are shifted to new positions. The board has a baseball diamond on one side and a football field on the other.

An intriguing newcomer to the sports game field is "Knockout," the first to reproduce the excitement and techniques of real ring action. Each fighter moves in every direction with rights and lefts controlled by the players. There a bell for timekeeping, a light and buzzer to signal knockouts or ends of rounds. The ring is authentic, even to the ropes.

A new idea for Little League winter training is "Bat-Em Catch-Em," an automatic battery-operated pitching machine for indoor practice, voted an outstanding example of American toy production by the Toy Guidance Council.

For fireside hockey fans, "Poosh-M-Up Hockey" gives realistic rink action and excitement.

A new edition of "Go to the Head of the Class" will have special appeal to big families, as it provides a quiz game in a classroom setting which permits different age groups to compete on equal terms. Players advance from desk to desk and grade to grade.

Shopping Games

Many shopping games are available, inspired by supermarkets and modern merchandising. Geography provides another popular family game called "Pirate and Traveler."

A fresh idea in hilarious games is "Tickle Bee," a magnetic maze game whose object is to tickle the bee without getting stung. Another fun game is "Hen Target," in which the hen lays an egg when she is hit.

"Jet-Fire" is a new switch on bagatelle, beamed toward young aviation fans, while junior range riders will go for a game called "Ambush," which uses cowboy-Indian warfare as the focus for competitive fun.

Also there are many double purpose games, such as "San Loo Chinese Checkers," which has a regular checker board on its reverse side, plus pockets for safe storage of marbles and checkers.

The campus of Oklahoma A & M College welcomes people who step on the grass. They have planted 75 strains of grass to test which is the toughest grass to use on golf courses.

BATHING BEAUTY GIFT is a set of bath preparations—soap, talc and lotion—packaged in a plastic travel kit. By Jean Nate.

NEW DELAWARE HIGHWAY GETS FEDERAL OKAY

HARRISBURG (AP) — Gov. Leader said on Wednesday the proposed Delaware Expressway through Philadelphia has been approved for construction as part of the federal interstate roadway system.

"Now that we have received clearance from the federal government," Leader said in a statement, "we can select engineers and start them on the design of the Delaware Expressway at once."

The projected highway will run from a connection with the Walt Whiteman Bridge to the Pennsylvania-New Jersey state line at Trenton, N. J., approximately twenty-five miles.

It will be a four-lane, limited access, divided highway.

Federal Aid

As a part of the national system of interstate and defense highways, the construction costs of the Delaware Expressway will be eligible for federal aid up to ninety per cent.

Under the provisions of the federal Aid Highway Act of 1956, roads in this system will be financed by 90 per cent federal funds and 10 per cent state funds.

Leader said the chief engineer of the State Highway Department is meeting with consultants to determine the detailed location of the expressway route.

Much of the preliminary engineering work has already been completed and as soon as the design is finished, bids will be taken for construction, he added.

MOVIE CODE IS MADE STRICTER, MORE LENIENT

NEW YORK (AP)—Movie industry censors have revised the movie code for the first time since it was adopted in 1930.

New standards, stricter in some senses and more lenient in others, were announced Tuesday by the Motion Picture Assn. of America, the movie industry's self-imposed censoring board.

Eric Johnston, president of the MPAA, in announcing some 20 changes, said the new code "is already in effect—Hollywood has been advised."

Ban Lustful Kissing

Johnston and Ken Clark, vice president of the association, said it was not possible to "characterize or sloganize" the effect of the revision. Johnston said, however, he thought the code was "more flexible" than the older one.

"The new code permits the treatment, 'within the limits of good taste,' of such subjects as abortion, the kidnaping of children and the illegal traffic in and use of narcotics.

At the same time, it adds "thou shalt nots" in the form of mercy killing, blasphemy and double-meanings.

Under a general section entitled "sex," the new code specifically bans "open-mouth kissing," adding this to a section that already forbids "lustful kissing, lustful embraces, suggestive posture and gestures."

BRITON KILLED BY UNDERGROUND

PORT SAID, Egypt (AP) — The Egyptian underground says it kidnaped and killed a young British lieutenant.

The report was brought to British headquarters Tuesday night in the face of British insistence that the lieutenant be returned quickly—and alive.

The British-French occupation command awaited firmer evidence before conceding the officer had been killed. But British Lt. Gen. Sir Hugh Stockwell, the occupation chief, let it be understood that some action would follow if the officer was not given up alive.

Thee kidnaping was the latest of a string of actions by the underground to harass the rapidly diminishing British and French forces in the process of withdrawing from Egypt at the demand of the U.N. General Assembly.

Lt. A. G. Moorehouse, leader of a patrol that captured seven Egyptian commandos Monday night hiding in a dentist's apartment, stopped his jeep in the same street yesterday morning to talk to a man.

An Arab boy said he saw three men force the British officer into a taxi at the point of the lieutenant's own gun.

The car was found later—its interior bloodstained. A gag and rope were inside.

HARRISBURG (AP) — The Public Utility Commission has authorized the Bell Telephone Co. to increase its rates throughout Pennsylvania by $13,477,888 a year, effective immediately.

The boost represents a $23,617,549 cut from the 37 million dollars originally asked by Bell last January.

The first U. S. Post Office was opened in New York City on Nov. 26, 1763.

FIRST OF FOUR PLANES IS HERE WITH REFUGEES

MCGUIRE AIR FORCE BASE, N.J. (AP)—The first American military plane flying Hungarian refugees to the United States in a spectacular historic airlift landed here Wednesday.

A Military Air Transport Service plane flew in at 10:10 a.m. from Munich, Germany, bearing the first trickle of what will be some 21,500 refugees arriving by sea and air before the end of the year.

The flights marked the beginning of the Air Force's "Operation Safe Haven," under which 9,700 refugees are expected to be brought here by Dec. 31 by air. The rest will be brought by ship.

The first group of passengers, who fled a homeland grown hostile to come to a new land grown so friendly that its military has penned thousands of men into efforts to get them here, got a brief welcome.

"Among Friends"

They were put aboard buses for nearby Camp Kilmer and read a statement from Tracy S. Voorhees which said:

"You have come among friends. You are the vanguard and, as such, representatives of the many thousands of brave Hungarians to whom President Eisenhower has offered asylum under an emergency provision of our immigration laws.

"The American people are stirred by our courage, by your sufferings and those of your fellow countrymen."

Voorhees was on hand to greet the refugees as were acting Gov. Wayne Dumont Jr. of New Jersey and Rep. Frank Thompson (D-NJ).

The Hungarians made a rest stop at Harmon Field, Nfld., on the way. They left Munich only yesterday. Fifty children were among those aboard the four planes.

Royer Is Named Committee Head

HARRISBURG (AP) — House Speaker-elect Helm (R-Armstrong) on Tuesday designated Rep. Royer (R-Lancaster) as chairman of the House Committee on Committees.

Royer's unit will accept requests by House members for committee assignments and then make recommendations to Helm for appointment.

Helm named Rep. Bower (R-Northumberland) to head a state committee which will make formal nominations for reorganization of the House when the Assembly convenes Jan. 1.

Rep. Guthrie (R-Armstrong) was designated chairman of the seating committee.

Other members of the committees are:

Committees: Reps., Breisch, Schuylkill; Cooper, Allegheny; Lafore, Montgomery; Keller, Bucks; Weidner, Berks; Davis, Forest.

Slate: Reps., Jump, Luzerne; Haudenshield, Allegheny; Krb, Blair; Brown, Chester; Lippincott, Delaware; Price, Mifflin.

Seating: Reps., Ewing, Allegheny; Wescott, Susquehanna.

Big Circus Will Be On Road Again

NEW YORK (AP)—Ringling Bros.-Barnum & Bailey Circus is putting its "Greatest Show on Earth" back on the road next season—but with some significant changes.

Most noteworthy will be the disappearance of the huge canvas tent. Bill give way to indoor arenas, ball parks and state fairgrounds, where all the dates will be played.

The circus announcement on Tuesday ended speculation that the famed circus unit might vanish from the American scene since the "Big Show" unexpectedly terminated its run last July 16 in indoor at Pittsburgh.

Contracted playing dates include June 4-8 Hershey, Pa., Sports Arena.

OLD CON MAN RAPS SWINDLERS

NEWARK, N.J. (AP) — Oldtime confidence man Joseph (Yellow Kid) Weil has told a Senate subcommittee that today's swindlers are too cruel.

The 82-year-old reformed patriarch of the con game was the star witness Tuesday as the Senate subcommittee investigating juvenile delinquency opened two days of hearings here.

Sen. Estes Kefauver (D-Tenn) is chairman of the subcommittee and was the only member present yesterday.

Now out of jail for 15 years, Weil said he has reformed and thinks his crime career was "despicable and contemptible." He said he cleaned up about eight million dollars in his day.

The Chicago man told Kefauver that con artists traditionally left their victims at least some money.

"We old-timers never sent a man to the river," he said. "If a man had $800,000, I'd be satisfied with $50,000 or $100,000."

HARRISBURG (AP) — The State Revenue Department reported Wednesday that court appeals from suspension of automobile drivers' licenses for speeding have dropped from an averag. of 200 a month to 20 under Gov. Leader's new system.

IKE MAY URGE BULGANIN TO MOVE TROOPS

By JOHN M. HIGHTOWER

WASHINGTON (AP) — President Eisenhower probably will write to Russian Premier Bulganin shortly urging action on withdrawal of Soviet troops from Hungary as a step toward brightening prospects for talks on arms reduction.

U. S. officials say the use of Russian troops to smash anti-Moscow revolts in Hungary has created a bad climate for disarmament talks expected to begin in the United Nations early next year.

They said that climate could be greatly improved if the Soviet gov- ber promise to negotiate with Hungary and other Eastern European states as a step toward ultimate withdrawal of the troops.

Foreign Policy Problems

Foreign policy matters are prominent on the list of problems facing Eisenhower on his scheduled return to the capital late today from a vacation at Atlanta, Ga.

Current attention focuses on his talks beginning Sunday with Prime Minister Nehru of India. The climate for those talks appeared to have been improved by the disclosure yesterday that Ambassador V. K. Krishna Menon will not be a member of Nehru's official party. Menon, Nehru's most trusted foreign affairs adviser, is widely mistrusted by Washington officials.

The proposed Eisenhower letter to Bulganin has been under consideration for about a month. It will be a reply to a lengthy Bulganin declaration on disarmament which the President received in mid-November.

Zone Plan Offered

One Russian proposal was for a system of mutual aerial inspection extending approximately 500 miles on each side of the Iron Curtain.

This has excited interest in official quarters here because it marked something of a reversal from Bulganin's rejection of the "open skies" exchange between th United States and Russia which Eisenhower proposed at the Geneva summit conference in 1955.

Officials indicated Eisenhower's reply to Bulganin on this point would welcome Soviet acceptance of the aerial inspection principle without agreeing to the particular zone arrangement which the Russians suggested.

An electronic "eye" now permits blind operators to work on private telephone switchboards. The "eye" is attached to the index finger of the operator.

Harney

HARNEY — Holy Communion will be held at St. Paul's Lutheran Church Sunday, December 16, at 10 a.m. Congregational meeting will follow the services.

The Primary room of St. Paul's Church will hold its Christmas party Sunday afternoon at 2 o'clock in the parish hall.

The Christmas treats at St. Paul's will be distributed Sunday, December 23, at 9 a.m. and Sunday School will be at 9:30 a.m. No worship services at the regular time due to Holy Communion at Mt. Joy Church.

Christmas program practice will be held Monday evening, December 17, and Thursday evening, December 21, at St. Paul's Church.

The Willing Workers Sunday School Class will hold its Christmas party Thursday evening at the Harney Recreation Hall. Each member will bring a $1 gift to exchange.

A surprise birthday party was held for Ronald Shriver in the Harney Recreation Hall by his parents, Ronald celebrated his 17th birthday on Saturday, December 1. After playing games, dancing was held. Refreshments were served. Those present were the Misses Carroll Harrison, Shirley Valentine, Linda McGlaughlin, Judy Koontz, Dolores Haines, Linda McCleaf, Dennis Overholtzer, Larry and Carroll Koontz, James and William Ridinger,, Robert Eckenrode, Allen Selby, Ronald Shriver, Thomas Shriver, John Shriver, Mr. and Mrs. Charles Shriver and Mr. and Mrs. George Shriver. Ronald received many useful gifts.

Recent guests of Mrs. Melvir Overholtzer were: Mr. and Mrs. Ray Kennedy, Union Bridge; Mrs. Lucille Zepp, Mrs. Ralph Vaughn, Rev. Philip Bower, Mr. and Mrs. Roy Overholtzer and daughter, Mr. and Mrs. Raymond Rose and children, Gettysburg. Sunday evening guests were Mr. and Mrs. Frank Kennedy and granddaughter, Union Bridge.

Samuel D. Snider and sister, Ruth, had as Sunday guests Mr. and Mrs. Severn Togle, of Hanover. Mrs. Togle is the former Miss Esther Kelly of this community.

Mr. and Mrs. Andrew Graham, Hanover; Mr. and Mrs. Walter Clingan and children, and Mrs. Monroe Bowers, Taneytown, visited recently with Mr. and Mrs. George Clingan.

Willis Sterner and friend from Oella, Md., were Sunday dinner guests of Mr. and Mrs. Luther Fox.

Recent visitors with Samuel D. Snider and sister, Ruth, were Mrs. Isabel Kalbfleisch and daughter, Clara, Baltimore, and Mr. and Mrs. Eugene Eckenrode, McSherrystown.

COSTUME JEWELRY is a gift choice dear to every feminine heart. Here, matching necklace and earrings set by Trifari.

Mr. and Mrs. Carroll Harrison were recently visited by Mr. and Mrs. John Faidley and son, James, Baltimore.

Mr. and Mrs. George Marshall and daughter, Naomi, spent Sunday at the home of Mr. and Mrs. James Dull, Westminster.

Mrs. Ida Strickhouser is spending some time with her son-in-law and daughter, Mr. and Mrs. Carl Oyler, Gettysburg.

Wayne Hoffman, New Cumberland, visited Mr. and Mrs. Vaughn Peck recently.

Mrs. Beulah Turner and Mrs. Grace Turner, Gettysburg, were recent dinner guests of Mr. and Mrs. Charles Shildt.

Recent visitors of Mr. and Mrs. Earl Welty Sr. were: Mrs. Laura Welty, Mr. and Mrs. Clyde Welty and Kenneth Colliflower, Mayberry; Mr. and Mrs. William Sherman, Westminster.

Mrs. Daniel Yingling and daughter, Donna, and Miss Margie Scott, Gettysburg R. 1, were recent visitors at the home of Samuel D. Snider and sister, Ruth.

Mr. and Mrs. Russell Wantz, Miss Mary Lou Essig and Bobbie Essig spent a day recently at Washington, D. C.

Recent visitors with Mrs. Margaret Haines and daughter, Mary, were: Mrs. Stuart Dom and daughter; Mrs. George Marshall and daughter, Naomi; Mrs. George Bower and daughter; Mr. and Mrs. Jacob Snyder and children, Connie and Patsy, of Reese.

SHE'S HOPING to find her favorite fragrance under the tree. Photo suggests you flatter her with Houbigant's Flatterie.

Abbottstown

ABBOTTSTOWN — The Ladies' Auxiliary of the local fire company will hold a banquet at the Distelfink Wednesday evening.

The Beaver Creek Lions Club will hold its monthly meeting at the Altland Hotel Thursday evening.

The ladies of the Reformed Church and Sunday School held a covered dish social for members and families Saturday night in the basement of the church. Gifts were exchanged.

Mrs. Thomas Haugh spent several days recently in New York City.

Mrs. Elsie E. Eisenhart has returned home after spending some time with friends in Chester and Philadelphia.

Richard Tucker, the Metropolitan Opera tenor, was first an errand boy in Wall Street.

PREDICTS END OF TOLL ROADS

PHILADELPHIA (AP) — Gov. Leader says construction of a proposed Delaware Expressway from Philadelphia to Trenton would mark the beginning of a toll-free era of highway travel.

His prediction yesterday was based on the assertion that toll roads could not be maintained parallel to free roads.

The governor joined a closed session of the Greater Philadelphia Movement, which met to discuss the proposed expressway.

Leader said he thought legislation to remove toll booths from certain roads would be introduced in the next session of Congress.

"The era of the toll road is rather largely behind us," he declared.

Earlier, the governor had announced at Harrisburg that the expressway along the Delaware River had been approved by the U.S. Bureau of Public Roads for the Interstate Highway System. The 200 million dollar expressway would run 25 miles from the Walt Whitman Bridge at Philadelphia to the Pennsylvania-New Jersey line at Trenton. It will be a four-lane divided highway with limited access.

NEW Sweet Flavor Discovery!

Mrs. M. V. Filbert
Made to a woman's taste . . . that's the secret of New Mrs. Filbert's.

Now...that real true taste!
the only luxury-type margarine at no extra cost!

NEW! That real true taste—at an everyday price!
It's a Filbert family secret, and no other spread has it! You'll say margarine was never like this before.

Smoothest spread you can put on bread! Spread New Mrs. Filbert's icy-cold on the freshest bread—it goes on smooth as silk. Not a hole! Not a lump! Just that real true taste!

XMAS BAKING DELICIOUS WITH "THUMBPRINTS," NUT PRALINES

By CECILY BROWNSTONE
The Associated Press

Christmas cookies on your mind? Then here are two fine recipes. One of them is a praline-type sweet — crisp and nutty. The other is similar to a cookie our grandmothers used to make: rich butter dough is shaped into small balls and a finger is pressed into the center of each to make an indentation. As soon as the cookies come from the oven, the centers are filled with semi-sweet chocolate pieces and filberts. Magically enough, the hot cookies melt the chocolate and the nuts stay in place. Both these cookies were a great success in our household, so we urge you to try them.

In taking the praline cookies from the pans, follow directions and remember that practice makes perfect. One other caution: don't substitute light brown sugar for the dark brown sugar called for. We made this recipe with both sorts of sugar and find they are greatly superior with the latter. The filberts, too, toast slightly in the oven and give these cookies a special flavor.

Chocolate Filbert Thumbprints

Ingredients: ½ cup butter or margarine, ½ cup sifted confectioners' sugar, 1 teaspoon vanilla, 1 cup sifted flour, semi-sweet chocolate pieces, shelled filberts (whole or cut in half). Method: Cream together the butter, confectioners' sugar and vanilla. Blend in flour with beater or spoon; chill. Using 2 teaspoons of the dough for each cookie, make into small balls. Place on ungreased cookie sheet and make an indentation in the center of each with a finger. (Indentations will widen during baking.) Bake in moderate (350 degrees) oven until straw colored around the edges — 10 to 15 minutes. Remove from oven; working quickly, while cookies are still very hot and on pan, place semi-sweet chocolate pieces and filberts in indentations. Remove to racks to cool. Chocolate will melt from heat of cookies and keep filberts in place. Makes 24 cookies. Recipe may be doubled if desired.

Ingredients: 1 egg, 3 tablespoons butter or margarine (melted,) 1 cup firmly-packed dark brown sugar, 1 cup thinly sliced filberts, ¼ cup flour, 1 teaspoon vanilla. Method: Beat egg with rotary beater (hand or electric) until thick and ivory colored. Mix together the melted butter, brown sugar, beaten egg, sliced filberts, flour and vanilla. Drop by teaspoonfuls on greased and floured cookie sheet, 4 to 5 inches apart, to allow for spreading. (Cookies will be very thin when baked.) Bake in moderate (350 degrees) oven until edges begin to brown — 6 to 10 minutes. Allow to cool 1 minute or so on cookie sheet before removing carefully with wide spatula to rack. If cookies get very crisp before you have removed them all, put the pan back in the oven for a few seconds and they will soften; then remove them as suggested. Makes 3 to 3½ dozen cookies.

Other Ways With Filberts

Sweet Spread

Filberts are delicious added to a winter conserve of fresh cranberries and raisins or canned crushed pineapple and dried apricots.

Favorite Cakes

Try adding chopped filberts to a standard recipe for applesauce or banana cake.

With Coffee

You'll have a wonderful topping for coffee-cake (made with baking powder) if, before baking, you sprinkle the batter with finely chopped filberts mixed with brown sugar.

Cookie Bars

Filberts may be used in chocolate or butter-scotch brownies.

Lunchbox Treat

Pack shelled filberts into that school lunchbox along with a red apple and a milk chocolate bar. Good tasting trio!

The United Nations FAO reports that Central America faces an estimated 100 per cent population increase in the next 30 years.

This flattering shirtwaist dress made from an Anne Adams Printed Pattern is a true classic fashion. It can be worn almost anywhere, anytime.

Shown here in Sicilia coral Checkmate, a waffle weave Signature Fabric in combed cotton with bright mercerized finish, the dress is as appropriate for a party as it is for Sunday breakfast with the family.

The easy-to-sew-and-fit pattern includes three sleeve versions making this pattern so versatile that it is a "must" for every well-rounded pattern wardrobe.

Our Anne Adams Printed Pattern 4614 comes in Misses Sizes 12, 14, 16, 18, 20 and also in Size 16 requires 5⅝ yards of 35-inch Checkmate or 3¾ yards of 54-inch fabric.

Send thirty-five cents in coins for Printed Pattern 4614. Add 5 cents for each pattern for first-class mailing. Send to Anne Adams, The Gettysburg Times, P. O. Box 13, Old Chelsea Station, New York 11, N. Y. We fill every pattern order promptly. The mailman delivers each and every pattern order within a few days.

JURIST BANS TRUCK DAMAGE EVIDENCE AGAIN

PHILADELPHIA (AP) — U.S. District Court Judge Thomas J. Clary has refused again to admit testimony regarding the effect of commercial trucks on highway surfaces in anti-trust suits brought against each other by eastern railroads and trucking interests.

Clary refused to accept testimony by two witnesses yesterday, reaffirming the position he took Tuesday. Railroad counsel said the witnesses would show that highway construction costs are increasingly borne by highway users rather than then the general public and that this would compel truckers to increase rates by as much as 6 per cent.

"I will accept no more testimony in this case regarding the effect of trucks on the highway surface," the judge said.

C. Brenstor Rhoads, attorney for the railroads, said he had intended to call Dr. Burton N. Behling, chief economist for the Assn. of American Railroads, and George W. Peak, director of organizational planning for the Public Service Co. of Indiana, as witnesses.

The Pennsylvania Motor Truck Assn., representing 37 trucking firms, is asking 250 million dollars in treble damages, provided for under anti-trust laws. A counter-suit by the railroads and the Eastern Railroads Presidents Conference seeks 120 millions, also in treble damages. Both suits charge conspiracy to monopolize trade.

FOOD FOR THOUGHT

SACRAMENTO, Calif. (AP) — The United States will have to import food by the year 2,000 A. D. if its population continues to increase at the present rate, says Dr. Herman T. Spieth, University of California food-population specialist.

PRISONER PULLS PISTOL ON COP

PHOENIX, Ariz. (AP) — A highway patrolman, bringing in a prisoner for drunk driving, stopped at the desk to check his gun. It's a rule that officers can't take their pistols near the jail where prisoners might grab them.

As the patrolman slapped his pistol on the desk, the prisoner reached into his pocket and brought out his own gun.

"Here," he said, "you better take mine, too."

Police were so embarrassed they refused to give out the name of either the patrolman or his prisoner.

Lower Marsh Creek Presbyterian Church Along Fairfield Road Is 208 Years Old

Lower Marsh Creek Presbyterian Church owes its origin to the fact that in 1741 there began a schism or split in the Presbyterian Church in this country that lasted until 1758.

That schism was a result of the Whitefield revival and the questions that arose in regard to the qualifications of candidates for the ministry.

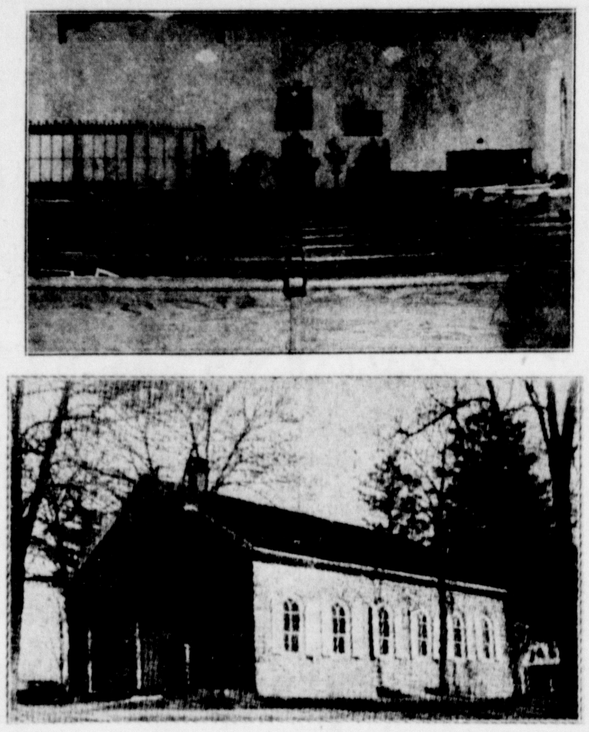

Sympathizers with Whitefield and the Tennents and the Blairs withdrew from the original Presbyterian churches and organized what they called New Side Presbyterian Churches, the original churches being known thereafter as the Old Side Presbyterian churches until the reunion in 1758.

Formed "New Side" Church

Such sympathizers in the Marsh Creek Presbyterian Church, which was begun in 1740, withdrew and in 1748 were organized by the New Side Presbytery of Newcastle into the Presbyterian Church of Lower Marsh Creek with the Rev. Andrew Bay, a Scotchman, as the first pastor.

The New Side group built a church on a bluff along Marsh Creek, a few miles southwest of the mother church which stood near the present site of Black's graveyard between the Lincoln Highway and the Mummasburg Rd., about three miles west of Gettysburg.

The new church was a log meetinghouse, rude throughout, and benches were used instead of pews. In that log church the first formal meeting of the Presbytery of Carlisle was held in October 17, 1786, more than a score of years after the split in the church had been healed.

Interior and exterior views of the Lower Marsh Creek Presbyterian Church along the Fairfield Rd.

In 1790, the congregation of Lower Marsh Creek church erected in Carroll's Tract along "the Great Road," now the Gettysburg-Fairfield Road, two and a half miles as the crow flies from the old log church, the present substantial stone structure in a grove of giant oaks near a good spring. The old church had been along Marsh Creek, north of the Mill Road where the church's cemetery has continued.

Long Pastorates

Originally there were two doors on the south side and one at each end. The pews were straight and high-backed and the pulpit narrow and high up on the north side of the church. Changes were made in doors, windows and the interior of the church about 1850 and again in 1891.

The pastors have been:

Rev. Andrew Bay, 1748-1758
Rev. John Slemmons, 1765-1774
Rev. James Martin, stated supply from 1779-1780
Rev. Dr. John McKnight, 1783-1789
Rev. Dr. William Paxton, 1792-1841
Rev. Dr. David D. Clark, 1743-1856
Rev. John R. Warner, 1858-1867
Rev. William S. Van Cleve, 1869-1901
Rev. Edward R. Laughlin, 1902-1904
Rev. Charles Dalzell, 1905-1913
Rev. David W. Woods, 1913-1938
Rev. Harry S. Ecker, 1939-

Ex-Pastor Became Moderator

During the pastorate of Dr. John McKnight and the first four years of the pastorate of the Rev. Dr. William Paxton, Tom's Creek Church of Emmitsburg was a part of the Lower Marsh Creek charge. In the pastorates of the Revs. John Warner and VanCleve, the Church of Hunterstown was in the same charge as Lower Marsh Creek.

There likely were many other supplies besides Stated Supply James Martin, especially during the long interim between the pastorates in the old log church, among them Dr. Hezekiah J. Balch, pastor of Tom's Creek Church.

The last of the pastors in the log church, Dr. McKnight, on leaving there became a colleague to the Rev. John Rodgers, pastor of the Collegiate churches of the city of New York and moderator of the first General Assembly of the Presbyterian Church, U.S.A., held in 1789.

Six years later, Dr. McKnight himself became the moderator of the General Assembly, the church's highest office.

Served Over 50 Years

Long pastorates were prevalent in the stone church, beginning with the first pastor there, Dr. William Paxton, who was pastor for 49 years and preached there more thhan 50 years, having supplied the pulpit for six months before being installed and supplying the pulpit frequently before his successor tookup his duties.

His long pastorate, plus the Rev. Mr. Van Cleve's 32 years and the 25 years served by the Rev. Mr. Woods and the 17 years served by the Rev. Mr. Ecker, adds up to a total of 123 years.

Many interesting facts about pastors and pulpit supplies in the long history of Lower Marsh Creek Church have been recorded.

The Rev. Mr. Bay headed a company of soldiers at the outbreak of the French and Indian War. Dr. Hezekiah J. Balch was one of the leaders of the Mecklenburg convention and one of the committee that prepared the famous Mecklenburg Declaration that preceded the American Declaration of Independence.

Dr. Paxton, who was born in 1760, served under General Washington in the Revolutionary War. He and his father were in Washington's army when it made its famous crossing of the Delaware to surprise the Hessians at Trenton. They marched on to Trenton, meeting and routing the British forces just beyond the town where Dr. Paxton's grandson, Dr. William Miller Paxton, lived and labored as a professor in Princeton Theological Seminary when the Rev. Mr. Harry S. Ecker, the present pastor of Lower Marsh Creek, was a student there. Dr. William Miller Paxton was born in Adams County and was a grandson of the Mr. and Mrs. Miller that founded Fairfield, once known as Millerstown.

The Rev. D. W. Woods was a descendant of the Rev. John Witherspoon, president of Princeton College and the only minister of the Gospel to sign the Declaration of Independence.

Eight years ago, while the congregation was celebrating its 200th anniversary, the state of Pennsylvania placed an historic marker along the Gettysburg-Fairfield highway taking notice of the historic stone church that stands nearby.

All crack trains aren't the streamlined specials. A yard engine at a coal mine in West Frankfort, Ill., shuttles one million grosston miles every year.

Weather Forecast

Extended forecast for Thursday Dec. 13, through Monday, Dec. 17:

Eastern Pennsylvania, eastern New York and Midatlantic States: Temperatures will average near normal, colder Thursday, warmer Saturday and colder Sunday or Monday, precipitation will total near 1 inch, occurring Thursday and Thursday night and again Saturday or Saturday night, mostly snow north and rain or snow south.

Western Pennsylvania, western New York and West Virginia: Temperature will average near or a little below normal, colder Thursday, warmer Friday or Saturday and colder Sunday, precipitation will total near 1 inch, occurring Thursday and again about Saturday, mostly snow north and rain or snow south.

Insects and disease kill ten times as many trees as do man-made fires, says the National Geographic Society.

IT'S TOUGHER TO BORROW MONEY TO BUY HOMES

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—You want to buy a home? The rate of home buying has been going down. It has been getting tougher to borrow money to buy a house. This situation may not improve much, if at all.

Congress for weeks to come in the new year will be looking into the broad question of homebuilding, borrowing to buy homes, and the government's money policies. One committee started doing so this week. It remains to be seen whether anything will be done to make it easier to borrow money.

There is a big scramble for loans. It seems would-be homeowners and small businessmen are at the tailend of the parade. Money is tight. Banks are looking around to see where they can get the best return on their investment.

Tightened Six Times

Six times in the past 18 months, the government has tightened up on the banks by raising the charge on money which member banks borrow from the Federal Reserve.

This in turn makes these member banks less loose with the money they lend. They can turn to federal securities, high-grade corporation securities, tax-exempt municipal bonds to invest their money.

A bank has some continuing expense in handling a homebuying loan whereas if it purchases certain federal securities, it may have no other expenses, although it may earn only 3 per cent on those securities.

It has been suggested that if the government wants to tighten up on credit it should do so in the field of credit buying — the installment payment plans that consumers use. This was done during the Korean War. It's unlikely to be revived soon if at all.

The government has sought for years to encourage homebuying—and to encourage banks to make loans to home buyers — through two principal agencies: the Federal Housing Administration (FHA) and the Veterans Administration (VA).

Until Dec. 1 both insured or guaranteed loans on homes, provided the interest rate was no more than 4½ per cent. On Dec. 1 the government upped the interest limit on FHA-insured loans to 5 per cent. In addition, there's a charge of ½ per cent for the FHA insurance.

The Eisenhower adminisration couldn't raise the interest ceiling on VA-guaranteed loans. Only Congress can do that. It's questionable Congress will when it returns next month.

One thing is certain: The higher the interest rate, the higher the cost of a home. On a $10,000 home with a 25-year mortgage, for example, the ½ per cent interest hike approved for FHA loans adds $900 in interest to the total amount of repayment.

EX-CONVICT IS ACCUSED BY SEN. KEFAUVER

NEWARK N.J. (AP)—Senate hearings on nationwide confidence game rings have concluded with Sen. Estes Kefauver (D-Tenn) accusing an ex-convict witness of perjury in denying any part in the racket.

Kefauver, chairman of the Senate subcommittee investigating juvenile delinquency, made the charge yesterday after questioning John Freeman of Springfield Gardens, Queens, N.Y.

Freeman, the final witness in the two days of hearings, denied he has a string of confidence girls working for him in cities from coast to coast.

Contradictory Testimony

But Kefauver said Freeman's testimony was in direct contradiction with statements by other witnesses who claimed he hired them to swindle elderly persons.

The senator said he will ask the U.S. attorney general to prosecute the witness.

"You have one of the worst criminal records for despicable crimes I have ever encountered," Kefauver told the witness, "and I hope you will be brought to justice."

Freeman said he operates a gymnasium in New York. He admitted convictions for narcotics and counterfeiting and said he spent four years in Alcatraz Federal Prison.

NO SPLITTING HAIRS

HARRISBURG, (AP) — Partners John Hibner and Clyde Patton have their own ideas about naming their barber shop and geography doesn't influence their choice one bit.

Ten years ago they opened the Locust Street barber shop on Locust Street.

They have since moved to Pine Street but they brought their weather-worn shingle along still reading "Locust Street Barbershop."

HE BADGERED 'EM

TUCSON, Ariz. (AP) — Officials at the Arizona — Sonora Desert Museum's live-animals exhibit have decided they don't want their animals too lively.

A badger came in from the desert one night and ate the horsemeat intended for the owls, drank from an automatic water hole and then curled up for a comfortable nap. The keepers bounced him out on the desert the next day.

SACRAMENTO, Calif. (AP) — J. E. Whitaker, president of the Western Fairs Assn., says more than half of California's 13 million population visited the 79 fairs in the state during 1956.

Dist. 6 To Stop Wrestling Awards

STATE COLLEGE, Pa. (AP) — Team championship awards in wrestling will be discontinued this season by Dist. 6, Pennsylvania Interscholastic Athletic Assn., it was announced Wednesday.

Principals of high schools in the central Pennsylvania area of the district were advised that a trophy will be awarded first place winners in each weight class at the district tournament at Lock Haven on March 8 and 9.

In the past a championship team also has been selected through the tournament competition.

The district includes Lewistown, Lock Haven, State College, Johnstown, Philipsburg and Tyrone.

FIND BOSSES' PAY CHECK IS GOING UP TOO

By SAM DAWSON

NEW YORK (AP)—The boss' pay has been going up at the same rate as the factory worker's.

Corporate sales volume has been rising at a greater rate, and until lately so has corporate net income.

Bonuses increasingly are part of the compensation for many top executives — and more officials are sharing in them now.

Also, down the corporate ladder, Christmas bonuses play an increasingly pleasant role in the yuletide good cheer of many employes.

Up 5.9 Per Cent

The figures on the boss' pay come from the American Management Assn. Its annual survey of top management compensation shows a 5.9 per cent increase on average in the last fiscal year for some 28,000 top men in 3,300 American and Canadian companies. The survey includes salaries, bonuses and company contributions to retirement funds.

The Bureau of Labor Statistics keeps tab on the average weekly earnings of production workers in manufacturing industries. In the roughly comparable period, calendar year 1955, workers' pay rose by the same amount—5.9 per cent.

Sales of the companies included in the association's survey increased an average of 10 per cent and profits by almost 25 per cent.

Latest Figures

Using latest figures available on compensation for other employes, AMA finds middle management pay up 5 per cent, sales personnel up 3.5 per cent, engineers, scientists and other administrative and technical personnel up 8.6 per cent for the year.

Bonus payments for the executives AMA surveyed average 16 per cent of base salary. But in some companies bonuses far outstrip base pay in size. For all American industry bonuses are estimated at around 600 million dollars a year, with two out of five firms paying them.

The largest on record last year was $575,000 for a motor president (more than twice his base pay). It was well below the 1½ million dollars paid a steel executive in 1929.

SAY LABOR IS TAKING OVER IN POLITICS

WASHINGTON (AP) — AFL-CIO political specialists say elections showed that the big city political machines have lost their grip and that labor's electioneering groups are rapidly filling the gap.

This is part of an analysis of the election results provided to labor newspapers by the AFL-CI's political branch, the Committee on Political Education (COPE).

COPE said that "adding it all up, labor was able to hold its ground well in the nonpresidential fights, whether state or national, and even inch up a little, against a landslide for the President."

Backed Adlai

Organized labor's leaders were almost solid in support of Democrat Adlai E. Stevenson against main, they backed Democratic candidates for Congress. The Democrats retained control of the House and Senate.

Discussing Eisenhower's landslide re-election, COPE attributed it to his "personal qualifications" as the voters vewed them. It also said the voters decided to back Eisenhower "in a critical international situation." As for the battle for control of Congress, COPE said, "The results were pretty much of a draw."

"The returns show clearly," COPE said, ". . . that labor's political organization, spearheaded by the AFL-CIO COPE, proves out handsomely. We could have been swept off our feet in Congress had we not been organized.

Machines Broken Down

"Our people might have stayed home in droves in the presidential race except for our register-and-vote campaigns. There might have been a truly disastrous swing in the Negro vote if labor had not been on the job explaining the real issues.

"It looks as if the big city political machines have broken down in most places, and that labor political organization is rapidly taking its place."

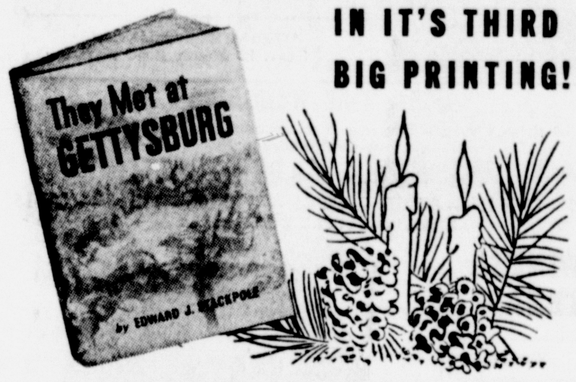

COPE's statement about the performance of the big city political machines appeared to hint at organized labor's intent to take a greater role in politics, despite two successive losing efforts in behalf of Stevenson against Eisenhower.

CHURCH WITHIN CHURCH

SPRING HILL, W. Va. (AP) — The Church of God congregation has built a church within a church. A brick structure was built over the old one without a service being missed.

LOOK FOR THE MARK OF QUALITY

Sunbeam

THE BEST ELECTRIC APPLIANCES MADE

Sunbeam MIXMASTER & MIXMASTER JUNIOR

MIXMASTER—Has all the features that give you higher, lighter, finer textured cakes—creamier, fluffier mashed potatoes—better, easier food preparing. Has exclusive Bowl-Fit Beaters, Automatic Bowl-Speed Control, and a motor that gives full power on all speeds. Now available in five beautiful colors—White, Chrome, Turquoise, Pink and Yellow.

MIXMASTER JUNIOR—The best Junior Mixer made—has bigger beaters and thumb-tip control. Available in five beautiful colors—White, Chrome, Turquoise, Pink, and Yellow.

Sunbeam CONTROLLED HEAT FRYPAN

Foods taste so much better when prepared in the Sunbeam Controlled Heat Automatic Frypan! Easy-to-set dial on handle gives perfect controlled heat for cooking or frying. Handy fry-guide gives correct temperatures—Easy to wash, water-sealed element. Square shape cooks 20% more. Available in medium, large, and super sizes to meet your family needs. High dome covers of either aluminum or heat-resistant glass are available for fried chicken, roasts, etc.

Sunbeam Golden glide SHAVEMASTER

Shaves closer and smoother than blades or other electrics by actual independent tests. Has new, scientifically precision honed Golden Glide head and faster, armature-type REAL motor. Available in handsome carrying case (shown) that can be used for a wall cradle holder. Also available in a genuine leather zipper case.

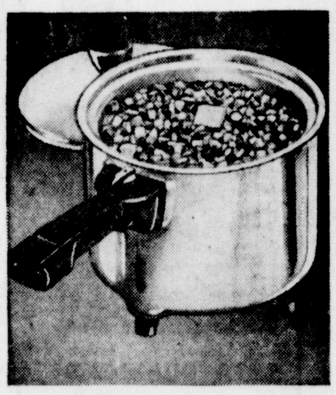

Lady Sunbeam SHAVEMASTER

Sweeping America! Only the Lady Sunbeam has the easy-to-use "compact" shape and the exclusive MICRO-TWIN head—one side for shaving underarms, the other side for shaving legs close, clean and smooth. Available in 6 beautiful colors.

Lady Sunbeam CONTROLLED HEAT HAIR DRYER

Completely different! Faster than an ordinary hand-type hair dryer. More comfortable. Your hands are free for reading, writing, fixing nails, etc. Controlled Heat lets you select just the temperature you want. Simple to operate. No electric wires in cap. Choice of Pink, Yellow, and Turquoise.

Sunbeam SAUCEPAN

Gives you Simmer-Safe Cooking! Reduces roast shrinkage up to 23%. Holds food nutrition by preventing excessive evaporation and makes foods look more delicious. Reaches Simmer-Safe temperatures quickly, and maintains them with amazing accuracy. Available in 3 and 5 qt. sizes, with cover.

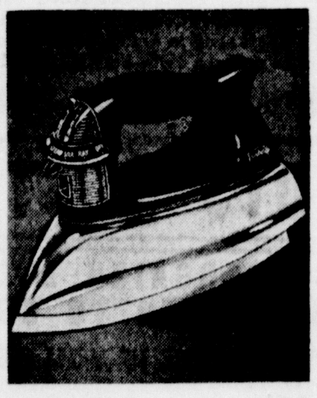

Sunbeam COFFEEMASTER & PERCOLATOR

COFFEEMASTER—You get the same delicious cup of coffee every time! Just put in coffee and water and set the switch on high—the rest is done automatically.

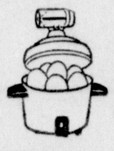

PERCOLATOR—Finest made. Has Easy-to-set strength selector dial. Available in 8 and 10-cup sizes.

Both the COFFEEMASTER and the Percolator are made of solid copper and heavy nickel and chrome plated for lasting beauty.

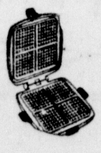

Sunbeam STEAM OR DRY IRON

Has exclusive steam flow vents that give you an all-over cushion of rolling steam to iron on! Holds more water than most irons, yet is lightweight—weighs only 3 lbs. net. Hot in 30 seconds—steam in two minutes. Switch instantly from steam to dry or from dry to steam.
